

## TABLE OF CONTENTS

Introduction . . . . .	1
The Role of the Diagram in the Application of Geometric Theorems E. N. Kabanova-Meller . . . . .	7
Properties of Deductions in Solving Geometry Problems N. F. Talyzina. . . . .	51
The Influence of the Diagram and the Verbal Formulation of a Problem on the Choice of Solution Method N. S. Mansurov. . . . .	103
Some Features of Mental Activity Revealed in Reading a Diagram I. S. Yakimanskaya. . . . .	109
Individual Differences in Solving Geometry Problems on Proof I. S. Yakimanskaya. . . . .	119
The Role of Reformulation in Problem Solving K. A. Slavskaya . . . . .	127
An Exploratory Study of the Role of Reformulation in Problem Solving K. A. Slavskaya . . . . .	133
The Influence of a Visual Aid on the Process of Solving Spatial Problems L. L. Gurova. . . . .	137
Achieving Skill in Solving Geometry Problems E. N. Ivanitsyna. . . . .	149
