

<b>Introduction</b> .....	<b>3</b>
<b>Introductory Exploration</b> .....	<b>4</b>
What a Calculator Can Do (For You) .....	5
What a Calculator Can Do (For You) .....	6
Calculator Math .....	7
True-False .....	8
Mental Arithmetic .....	9
Mathematics Messages .....	10
Personal Data Sheet .....	11
<b>Exploring Algorithms</b> .....	<b>12</b>
Multiplication .....	13
Multiplication .....	14
Computing Methods .....	15
Multiplication Challenges .....	16
Analyzing Multiplication and Division .....	17
Computation Puzzlers .....	18
Estimating Division .....	19
<b>Exploring Number Patterns</b> .....	<b>20</b>
Number Patterns .....	21
The Magic of “101” .....	22
Computing Shortcuts Via Number Patterns .....	23
Patterns with “3” .....	24
Discovering Number Patterns .....	25
Are You a Discoverer? .....	26
Patterns with 101 and 999 .....	27
Exploring Decimal Patterns .....	28
The Big Question .....	29
More Big Questions .....	30
Magic Squares .....	31
<b>Exploring Shortcuts to Mental Computation</b> .....	<b>32</b>
Distributive Property .....	33
Addition and Subtraction Shortcuts .....	34
Exploring Computational Shortcuts .....	35
$(a + b)(a - b) = a^2 - b^2$ .....	36
Computing Mentally .....	37
<b>Exploring Equation and Problem Solving</b> .....	<b>38</b>
Solving Simple Equations .....	39
Find the Message .....	40
Solving Equations .....	41
Equation Puzzlers .....	42
Operation Search .....	43
Missing Number Challenges .....	44
Problem Solving .....	45
Tiling a Floor .....	46
Population U.S.A. .....	47
Reducing Statistics .....	48
Space Explorations .....	49
Coupon Sale .....	50
Investing Your Money .....	51

<b>Exploring Exponents and Decimals</b> .....	<b>52</b>
Exponents .....	53
Properties of Exponents .....	54
Exploring Squares and Cubes of Numbers .....	55
Estimating Powers .....	56
Exploring Decimals .....	57
Multiplying Decimals .....	58
Discovering Decimal Patterns .....	59
Decimal Patterns .....	60
Decimal Multiplication .....	61
Mental Computation .....	62
Mental Multiples .....	63
Placing the Decimal Point .....	64
Guess the Missing Numbers .....	65
Rounding Decimals .....	66
Estimating Decimals .....	67
Terminating or Repeating Decimals .....	68
Decimal Patterns .....	69
<b>Exploring Estimation</b> .....	<b>70</b>
Rounding Numbers .....	71
Estimating Sums .....	72
Estimating Products .....	73
Comparing Numbers Mentally .....	74
Comparing Estimates .....	75
Estimating Multiplication .....	76
Guess the Product .....	77
Estimate the Factors .....	78
Multiple Choice .....	79
Tic-Tac-Toe .....	80
Estimation Game .....	81
Find the Best Estimate .....	82
Find the Best Estimate .....	83
How is Your Estimating Power .....	84
Estimating Division .....	85
Find the Best Estimate in Division .....	86
Estimating Square Roots .....	87
<b>Exploration For Experts</b> .....	<b>88</b>
Calculator Problems for Experts .....	89
