About the Authors iv

Preface vi

PART 1 **FOUNDATIONS FOR SERVICES** **MARKETING 1**

Chapter 1

Introduction to Services 2

What Are Services? 4

Service Industries, Services as Products, Customer Service, and Derived Service 4
Tangibility Spectrum 6
Trends in the Service Sector 6

Why Services Marketing? 7

Service-Based Economies 8
Service as a Business Imperative in Manufacturing and IT 8
Deregulated Industries and Professional Service Needs 10
Services Marketing Is Different 10
Service Equals Profits 10

Exhibit 1.1: Is the Marketing of Services Different? A Historical Perspective 11

But “Service Stinks” 12

Strategy Insight: Competing Strategically through Service 13

Service and Technology 15

Potential for New Service Offerings 15
New Ways to Deliver Service 16
Enabling Both Customers and Employees 16

Technology Spotlight: The Changing Face of Customer Service 17

Extending the Global Reach of Services 17

The Internet Is a Service 17

The Paradoxes and Dark Side of Technology and Service 17

Global Feature: The Migration of Service Jobs 18

Characteristics of Services Compared to Goods 20

Intangibility 20

Heterogeneity 20

Simultaneous Production and

Consumption 21

Perishability 22

Challenges and Questions for Service

Marketers 23

Services Marketing Mix 23

Traditional Marketing Mix 23

Expanded Mix for Services 24

Exhibit 1.2: Southwest Airlines:

Aligning People, Processes, and Physical

Evidence 26

Staying Focused on the Customer 27

Summary 27

Discussion Questions 28

Exercises 28

Notes 28

Chapter 2

Conceptual Framework of the Book: **The Gaps Model of Service Quality 31**

The Customer Gap 32

The Provider Gaps 33

Provider Gap 1: The Listening Gap 34

Global Feature: An International Retailer Puts Customers in the Wish Mode to Begin Closing Gaps 35

Provider Gap 2: The Service Design and Standards Gap 36

Provider Gap 3: The Service Performance Gap 38

Technology Spotlight: How UPS Closes the Gaps with Technology 40

Provider Gap 4: The Communication Gap 42

Putting It All Together: Closing the Gaps 43

Strategy Insight: Using the Gaps Model to Assess an Organization’s Service Strategy 44

Summary 46

Discussion Questions 46

Exercises 46

Notes 46

PART 2

FOCUS ON THE CUSTOMER 47

Chapter 3

Consumer Behavior in Services 48

Search, Experience, and Credence Properties 50

Consumer Choice 51

Need Recognition 52

Information Search 53

Evaluation of Service Alternatives 55

Service Purchase 55

Technology Spotlight: Self-Service

Technologies: How Much Do Customers Like Providing Their Own Services? 56

Strategy Insight: Consumer Experiences as Corporate Strategy 58

Consumer Experience 60

Services as Processes 60

Service Provision as Drama 60

Service Roles and Scripts 62

The Compatibility of Service Customers 62

Customer Coproduction 63

Emotion and Mood 64

Postexperience Evaluation 65

Word-of-Mouth Communication 65

Global Feature: Disneyland—An American Icon—Adapts to Cultural Differences in Global Expansion 66

Attribution of Dissatisfaction 66

Positive or Negative Biases 68

Brand Loyalty 68

Global Differences: The Role of Culture 69

Summary 69

Discussion Questions 70

Exercises 70

Notes 70

Chapter 4

Customer Expectations of Service 74

Meaning and Types of Service Expectations 76

Expected Service: Levels of Expectation 77

Global Feature: Global Outsourcing of Personal Services: What Are Customers' Expectations? 78

The Zone of Tolerance 80

Factors That Influence Customer Expectations of Service 82

Sources of Desired Service Expectations 82

Sources of Adequate Service Expectations 84

Technology Spotlight: Customer

Expectations of New Technology Services at the Airport 86

Sources of Both Desired and Predicted Service Expectations 88

Issues Involving Customers' Service Expectations 90

Strategy Insight: How Service Marketers Can Influence Factors 91

Exhibit 4.1: Service Customers Want the Basics 92

What Does a Service Marketer Do If Customer Expectations Are "Unrealistic"? 93

Should a Company Try to Delight the Customer? 94

How Does a Company Exceed Customer Service Expectations? 95

Do Customers' Service Expectations Continually Escalate? 96

How Does a Service Company Stay Ahead of Competition in Meeting Customer Expectations? 96

Summary 97

Discussion Questions 97

Exercises 98

Notes 98

Chapter 5

Customer Perceptions of Service 100

Customer Perceptions 102

Satisfaction versus Service Quality 103

Transaction versus Cumulative Perceptions 103

Customer Satisfaction 104

What Is Customer Satisfaction? 104

What Determines Customer Satisfaction? 105

National Customer Satisfaction Indexes 107

The American Customer Satisfaction Index 107

Outcomes of Customer Satisfaction 109

Service Quality 111

Outcome, Interaction, and Physical Environment Quality 111

Service Quality Dimensions 111
 Global Feature: Importance of Service
 Quality Dimensions across Cultures 112
E-Service Quality 115
 Service Encounters: The Building Blocks for
 Customer Perceptions 118
 Strategy Insight: Customer Satisfaction,
 Loyalty, and Service as Corporate
 Strategies 118
Service Encounters, or Moments of Truth 119
The Importance of Encounters 120
Types of Service Encounters 122
 Exhibit 5.1: One Critical Encounter Destroys
 30-Year Relationship 122
*Sources of Pleasure and Displeasure in Service
 Encounters* 123
 Technology Spotlight: Customers Love
 Amazon 124
 Exhibit 5.2: Service Encounter Themes 126
Technology-Based Service Encounters 127
The Evidence of Service 129
 Summary 130
 Discussion Questions 130
 Exercises 131
 Notes 131

PART 3

UNDERSTANDING CUSTOMER REQUIREMENTS 137

Chapter 6

Listening to Customers through Research 139

Using Marketing Research to Understand Customer
 Expectations 140
Research Objectives for Services 141
*Criteria for an Effective Services Research
 Program* 142
 Exhibit 6.1: Elements in an Effective
 Marketing Research Program for
 Services 144
 Elements in an Effective Services Marketing
 Research Program 147
Complaint Solicitation 147
 Technology Spotlight: Conducting
 Marketing Research on the Web 148
Critical Incident Studies 149
Requirements Research 150

Relationship and SERVQUAL Surveys 151
 Exhibit 6.2: SERVQUAL: A
 Multidimensional Scale to Capture
 Customer Perceptions and Expectations of
 Service Quality 152
Trailer Calls or Posttransaction Surveys 154
Service Expectation Meetings and Reviews 155
Process Checkpoint Evaluations 156
Market-Oriented Ethnography 156
Mystery Shopping 157
Customer Panels 158
Lost Customer Research 158
Future Expectations Research 158

Analyzing and Interpreting Marketing Research Findings 159

Strategy Insight: From Greeting Cards to
 Gambling, Companies Bet on Database
 Marketing Research 160
*Tracking of Performance, Gap Scores, and
 Competition* 161
 Global Feature: Culture Influences
 Marketing Research 162
Zone of Tolerance Charts 164
Importance/Performance Matrices 164
 Using Marketing Research Information 165
 Upward Communication 165
 Exhibit 6.3: Elements in an Effective
 Program of Upward Communication 166
Objectives for Upward Communication 166
Research for Upward Communication 166
 Exhibit 6.4: Employees Provide Upward
 Communications at Cabala's, "World's
 Foremost Outfitter" 169

Summary 169
 Discussion Questions 170
 Exercises 170
 Notes 171

Chapter 7

Building Customer Relationships 173

Relationship Marketing 176
The Evolution of Customer Relationships 177
 Exhibit 7.1: A Typology of Exchange
 Relationships 178
 Technology Spotlight: Customer Information
 Systems Help Enhance the Customer
 Relationship 180
The Goal of Relationship Marketing 182
Benefits for Customers and Firms 182

Relationship Value of Customers 186	Service Recovery Strategies 226
<i>Factors That Influence Relationship Value</i> 186	<i>Make the Service Fail-Safe—Do It Right the First Time!</i> 227
<i>Estimating Customer Lifetime Value</i> 186	Strategy Insight: Eliciting Complaints 228
Exhibit 7.2: Calculating the Relationship Value of a Quicken Customer 187	<i>Encourage and Track Complaints Act Quickly</i> 230
<i>Linking Customer Relationship Values to Firm Value</i> 188	<i>Provide Adequate Explanations</i> 231
Customer Profitability Segments 189	<i>Treat Customers Fairly</i> 231

<i>Fair Treatment</i> 222	Exhibit 9.2: SPARC: Service Innovation at the Mayo Clinic 262
Exhibit 8.3: Fairness Themes in Service Recovery 224	
Switching versus Staying following Service Recovery 225	

Service Blueprinting 264
What Is a Service Blueprint? 265
Blueprint Components 265
Service Blueprint Examples 267
Blueprints for Technology-Delivered Self-Service 269
Reading and Using Service Blueprints 270
Building a Blueprint 271
Exhibit 9.3: Blueprinting in Action at ARAMARK Parks and Resorts 272
Exhibit 9.4: Frequently Asked Questions about Service Blueprinting 274

High-Performance Service Innovations 274
Choose the Right Projects 275
Integrate New Services 275
Consider Multiple Measure of Success 275
Strategy Insight: Strategic Growth through Services 276
Maintain Some Flexibility 276

Summary 278
Discussion Questions 278
Exercises 279
Notes 279

Chapter 10 Customer-Defined Service Standards 283

Factors Necessary for Appropriate Service Standards 285
Standardization of Service Behaviors and Actions 285
Formal Service Targets and Goals 286
Customer—Not Company—Defined Standards 286
Strategy Insight: When Is the Strategy of Customization Better than Standardization? 287

Types of Customer-Defined Service Standards 288
Hard Customer-Defined Standards 289
Global Feature: Adjusting Service Standards around the Globe 290
Soft Customer-Defined Standards 292
One-Time Fixes 292
Technology Spotlight: The Power of a Good Telephone Responsiveness Standard 293
Exhibit 10.1: Examples of Hard Customer-Defined Standards 295

Exhibit 10.2: Examples of Soft Customer-Defined Standards 296
Exhibit 10.3: Hard and Soft Standards at Ford Motor Company 297

Development of Customer-Defined Service Standards 298
Basing Standards on the Service Encounter Sequence 298
Expressing Customer Requirements as Specific Behaviors and Actions 298
Measuring Behaviors and Actions 300
Flexibility in Setting Standards 301
Developing Customer-Defined Standards 301
Exhibit 10.4: Expected Behaviors for Service Encounters at John Robert's Spa 302
Developing Service Performance Indexes 308

Summary 308
Discussion Questions 309
Exercises 309
Notes 309

Chapter 11 Physical Evidence and the Servicescape 311

Physical Evidence 313
What Is Physical Evidence? 313
Technology Spotlight: Virtual Servicescapes: Experiencing Services through the Internet 314
How Does Physical Evidence Affect the Customer Experience? 315

Types of Servicescapes 317
Servicescape Usage 317
Servicescape Complexity 318

Strategic Roles of the Servicescape 319
Package 319
Facilitator 319
Strategy Insight: Strategic Positioning through Architectural Design 320
Exhibit 11.1: Using Physical Evidence to Position New Services 322
Socializer 323
Differentiator 323
Exhibit 11.2: Washington Mutual Patents Its Bank Branch Design 324

Framework for Understanding Servicescape Effects on Behavior 324
The Underlying Framework 324
Behaviors in the Servicescape 326

<i>Internal Responses to the Servicescape</i>	327	<i>Quality/Productivity Trade-Offs</i>	360
Exhibit 11.3: Social Support in “Third Places”	328	Strategies for Delivering Service Quality through People	360
