

Preface .....	xi
1. An Experimental Study of the Effectiveness of a Newly Devised Short-Delay Playback System in a Language Laboratory .....	1
I. Analysis of Problems .....	2
II. The Characteristics of the New Type Short-Delay Playback System .....	3
III. The Detailed Mechanical Characteristics of the New Type of Short Delay Playback System .....	3
IV. Experiment on This New Short Delay Playback System as Compared to Other Systems .....	5
V. Results of Experimentation .....	9
VI. Analysis of Results .....	13
VII. Conclusion .....	14
Summary .....	15
References .....	15
2. Comparative Effectiveness of Three Language Laboratory Methods Using a New Equipment System .....	17
Characteristics of the New System .....	18
Experiment on Comparative Effectiveness .....	19
Results .....	21
Conclusion .....	24
Summary .....	26
References .....	26
3. Comparative Effectiveness of Five Language Laboratory Methods in Relation to Visuals .....	27
1. Description of the primary experiment .....	28
2. The test results of the five classes .....	31
3. Description of the secondary experiment and the test results .....	34
4. Conclusion .....	35
References .....	37

4. An Experimental Evaluation of Three Language Laboratory Systems.....	39
Method .....	43
Results .....	45
Discussion .....	49
References .....	51
5. An Experimental Evaluation of Three Language Laboratory Systems.....	53
Method .....	55
Results .....	55
Discussion .....	57
References .....	59
6. The Effect of Audio Visual Language Teaching on Learning English Parts of Speech as Analyzed by Student	
Errors .....	61
I . Aim of Study .....	62
II. Experiment and Analysis .....	62
III. Examples of Students' Major Errors.....	83
IV. Conclusion .....	84
References .....	87
7. Transfer of Training Between Reading and Hearing Based on the Analysis of Common Factors in These Two Abilities .....	89
I . Experiment .....	90
II. Teaching Materials .....	90
III. Results of the Experiment.....	91
IV. Factor Analysis .....	94
V. Increase of Factor Scores .....	136
VI. Interpretation of the Increase .....	138
VII. Discussion and Implications .....	141
References .....	147
Bibliography .....	150
