| Acknowledgements | 9 |
| 1. Introduction | 11 |
| 1.1. Focus of inquiry | 11 |
| 1.2. Outline of the book | 14 |
| 2. Exemplar-based Theories of Language and Learning | 17 |
| 2.1. Introduction..... | 17 |
| 2.2. Usage-based models of language representation | 18 |
| 2.3. Exemplar-based theories of learning mechanism | 22 |
| 2.3.1. Connectionism..... | 22 |
| 2.3.2. ACT-R theory | 27 |
| 2.3.3. Comparisons with behaviorism..... | 35 |
| 2.4. Exemplar-based approach to L1 acquisition..... | 37 |
| 2.5. Conclusion | 40 |
| 3. Frequency Effects in Classroom Second Language Learning | 41 |
| 3.1. Introduction..... | 41 |
| 3.2. Exemplar-based L2 learning | 41 |
| 3.3. The role of explicit instruction in L2 learning | 46 |
| 3.4. Implicit learning and explicit learning | 48 |
| 3.5. Processing instruction and output practice..... | 52 |
| 3.5.1. Processing instruction | 52 |
| 3.5.2. Output practice | 59 |
| 3.6. Conclusion | 63 |
| 4. The Learning of the Primary Verb <i>Be</i> by Junior High School Students in Japan | 65 |
| 4.1. Introduction..... | 65 |
| 4.2. Problems in learning the English primary verb <i>be</i> | 67 |

| | |
|---|------------|
| 4.3. Factors of difficulty..... | 71 |
| 4.4. Explicit instruction on the role of the copula <i>be</i> | 73 |
| 4.5. Conclusion and aims of the present study..... | 79 |
| 5. Methodology for the Present Study | 83 |
| 5.1. Introduction..... | 83 |
| 5.2. Participants..... | 83 |
| 5.3. Procedure and materials..... | 86 |
| 5.3.1. Pretesting..... | 87 |
| 5.3.2. Instruction..... | 91 |
| 5.3.2.1. Overall scheme of instruction..... | 91 |
| 5.3.2.2. PI and output practice: introductory session..... | 92 |
| 5.3.2.3. Additional structured output practice..... | 94 |
| 5.3.3. Thought-process data collection..... | 99 |
| 5.3.4. Post-testing..... | 101 |
| 5.4. Scoring procedures | 102 |
| 5.4.1. Scoring of the oral test | 102 |
| 5.4.2. Scoring of the written test | 104 |
| 5.5. Methodology for analysis | 104 |
| 6. Analysis and Results | 107 |
| 6.1. Introduction..... | 107 |
| 6.2. Analysis for Research Question 1 | 107 |
| 6.3. Analysis for Research Question 2 | 112 |
| 6.4. Analysis for Research Question 3 | 123 |
| 6.4.1. Coding..... | 123 |
| 6.4.2. Results | 125 |
| 6.5. Analysis for Research Question 4..... | 127 |
| 6.6. Analysis for Research Question 5 | 129 |
| 6.7. Post-hoc analysis..... | 148 |
| 6.8. Conclusion | 150 |

| | |
|--|-----|
| 7. Conclusions and Discussion | 153 |
| 7.1. Conclusions..... | 153 |
| 7.2. Discussion..... | 157 |
| Appendices | 165 |
| 1. Items of each form of the oral production test | 165 |
| 2. Picture cards for the oral production test | 167 |
| 3. Sequence of items of the oral production test | 168 |
| 4. An excerpt from the written production test | 169 |
| 5. Test items of each form of the written production test..... | 170 |
| 6. Pictures and passage used at the beginning of the explicit instruction phase..... | 172 |
| 7. The worksheet of the explicit instruction phase..... | 173 |
| 8. Hint Card 1 and Hint Card 2 | 175 |
| 9. The worksheet used for the structured input practice..... | 176 |
| 10. List of Japanese sentences describing Ichiro..... | 177 |
| 11. Exemplars of target structures used in the introductory output practice..... | 178 |
| 12. Exemplars adopted for additional structured output practice for each group | 178 |
| 13. Samples of the picture sheets used for additional structured output practice..... | 180 |
| 14. Extra exemplars for the Type Group participants at the thought-process data collection..... | 183 |
