Contents

1 Introduction
Peter F. Ballance and Harold G. Reading

7 Characteristics and recognition of strike-slip fault systems
Harold G. Reading

27 Analysis of pull-apart basin development produced by *en echelon* strike-slip faults
D. Rodgers

43 Basin development along the late Mesozoic and Cainozoic California margin: a plate tectonic margin of subduction, oblique subduction and transform tectonics

63 Evolution of a strike-slip fault-controlled basin, Upper Old Red Sandstone, Scotland
B. J. Bluck

79 Late Caledonian (Devonian) basin formation, western Norway: signs of strike-slip tectonics during infilling
R. J. Steel and T. G. Gloppen

105 Deposits associated with a Hercynian to late Hercynian continental strike-slip system, Cantabrian Mountains, northern Spain
A. P. Heward and Harold G. Reading

127 Strike-slip related sedimentation in the Antalya complex, southwest Turkey
A. H. F. Robertson and N. H. Woodcock

147 New Zealand and oblique-slip margins: tectonic development up to and during the Cainozoic
K. B. Spörli

171 Quaternary sedimentation on the Hikurangi oblique-subduction and transform margin, New Zealand
K. B. Lewis

191 The Makara Basin: a Miocene slope-basin along the New Zealand sector of the Australian-Pacific obliquely convergent plate boundary
G. J. van der Lingen and J. R. Pettinga
217  Late Cainozoic sedimentation and tectonics of the East Coast Deformed Belt, in Marlborough, New Zealand
   W. M. Prebble

229  Models of sediment distribution in non-marine and shallow marine environments in oblique-slip fault zones
   Peter F. Ballance

237  Offshore sedimentary basins at the southern end of the Alpine Fault, New Zealand
   R. J. Norris and R. M. Carter
