
1.	Summary	5
2.	Zusammenfassung	6
3.	Introduction	7-25
3.1	The PI3K/mTOR pathway: signaling downstream of PDK1, PKB and mTOR.....	7-14
3.2	PDK1 – A master regulator of AGC kinases.....	14-19
3.3	The PI3K/PDK1/PKB/mTOR pathway in cancer.....	19-21
3.4	Inhibiting PDK1 with conventional inhibitors or a chemical genetic approach.....	21-25
4.	Aims	26
5.	Results	27-73
5.1	Analysis of PDK1 signaling in ES cells.....	27-58
5.1.1	The effect of BX-795 on G2/M arrest does not require PDK1.....	28-31
5.1.2	Identification of inhibitor analogues to block the genetically modified PDK1, PDK1 LG, <i>in vitro</i> and <i>in vivo</i>	32-43
5.1.3	Examination of phosphorylation of PDK1 targets following long term inhibition of PDK1 activity.....	44-53
5.1.4	Generation and characterization of BX-795-based allele-specific PDK1 inhibitors.....	53-58
5.2	Effects of PDK1 inhibition or loss on physiological parameters and tumor growth.....	58-73
5.2.1	Specific inhibition of PDK1 does not cause cell cycle arrest and has little effect on cell proliferation and viability.....	58-59
5.2.2	Loss of PDK1 and specific inhibition of PDK1 sensitize to apoptosis.....	59-65
5.2.3	PDK1 contributes to tumor growth and teratoma differentiation... ..	65-73
6.	Discussion	74-82
6.1	Analysis of PDK1 signaling in ES cells.....	74-80
6.1.1	BX-795 as a PDK1 inhibitor.....	74-75
6.1.2	Chemical genetic approach to inhibit PDK1 and biochemical consequences of PDK1 inhibition.....	75-80

6.2	Biological roles of PDK1.....	80-82
7.	Experimental procedures.....	83-88
7.1	Allograft studies	
7.2	Apoptosis assay	
7.3	Cell culture	
7.4	Cell cycle analysis	
7.5	Cell proliferation and viability assay	
7.6	Construction of a PDK1 variant, PDK1 L159G, and generation of stable ES cell lines.	
7.7	IC ₅₀ determination	
7.8	<i>In vitro</i> PDK1 kinase assay	
7.9	Sequence alignment	
7.10	Synthesis of purine analogues	
7.11	Western blotting	
8.	Abbreviations.....	89-91
9.	References.....	92-102
10.	Attachments.....	103-106
10.1	Own publications	
10.2	Curriculum Vitae	
10.3	Acknowledgements
