Table of contents

Preface iii

1. Spanish Discourse Markers and Discourse Functional Units

1.1. Introduction 1
1.2. The proposal 2
1.3. Organization of the book 4

2. Problems with the theoretical notion of discourse markers

2.1. The nature of the problem 6
2.2. Problems in defining DMs by a set of features 7
2.2.1. Defining DMs by features 7
2.2.1.1. Formal features 7
2.2.1.2. Prosodic criteria 12
2.2.1.3. Distributional features 14
2.3. Functional approach to the notion of DMs. The meaning of DMs 18
2.4. Conclusions 21

3. Discourse models. Discourse units

3.1. Introduction 22
3.2. Models of discourse structure 22
3.2.1. Halliday and Hasan 23
3.2.2. A wide notion of coherence. Schiffrin's model 25
3.2.3. Redeker's model 26
3.2.4. The Rhetorical and Coherence Relation Theories 27
3.3. A discourse model based on coherence relations 29
3.3.1. Coherence relations 29
3.3.2. Types of coherence relations 30
3.3.3. Discourse units 37
3.3.3.1. Sentences 38
3.3.3.2. Speech acts 39
3.3.3.3. Intonation units or idea units 41
3.4. Conclusions 47

4. Discourse functional units

4.1. Introduction 48
4.2. Definition of Discourse Functional Units 48
4.2.1. The connectivity function 48
4.2.2. DFUs as linguistic expressions that make explicit a coherence relation 52
4.2.3. The expression of coherence relations and the meaning of DFUs. 53
4.3. Discourse Functional Units and the types of coherence relations they represent 59
4.3.1. Types of DFUs or types of relations? 61
4.4. Summary 67

5. Empirical study of DFUs in spoken Spanish

5.1. Introduction 69
5.2. The corpus 69
5.3. Method of analysis 71
5.3.1. The coding process 71
5.4. General results and discussion 80
5.4.1. Forms and frequency 80
5.4.2. Extractability 87
5.5. Conclusions 97

6. Forms and relations. The semantic, pragmatic and textual sources of coherence

6.1. Introduction 99
6.2. The expression of semantic relations 99
6.2.1. Si 'if' 100
6.2.2. Y 'and' 104
6.2.3. Porque 'because' 108
6.2.4. O sea 'that is' 112
6.3. The expression of pragmatic relations 119
6.3.1. Pero 'but' 119
6.3.2. Entonces 'then' 128
6.3.3. Pues 'so' 134
6.3.4. Es que 'is that' 144
6.4. The expression of textual relations 154
6.4.1. Bueno 'well' 154
6.5. Conclusions 160

7. Conclusions

7.1. Summary 162
7.2. Conclusions from the empirical study and implications for a theory of DFUs. 165
