Psychological Characteristics as Bases for Executive Action 51

Executive Values 52*Cognitive Model* 59*Executive Personality* 70*Positive Self-Regard* 76

Conclusion 82

4 Executive Experiences and Organizational Outcomes 83

Executive Tenure 85

Tenure and Executive Psychology 85*Tenure and Organizational Strategy* 90*Tenure and Performance* 93

Functional Background 97

Functional Experiences and Executive Perceptions 97*Links to Strategy and Performance* 101*Future Research on Functional Experiences* 104

Formal Education 106

International Experience 112

Future Directions 113

Promising Avenues of Research 114

A Still-Untapped Perspective: The Factors Affecting the Predictive Strength of Executive Characteristics 116

Which Traits? 117*Which Behaviors?* 118*Which People?* 119*Which Situations?* 119

Conclusion 120

5 Top Management Teams 121

The Conceptual Elements of Top Management Teams 123

How the Conceptual Elements of TMTs Are Related 125

Teams versus Groups 126*Who Is in the Top Group?* 127*Power Dynamics at the Top* 128*Interactions within TMTs* 131*The CEO and Team Process* 137

Determinants of TMT Characteristics	138
<i>Environment</i>	138
<i>Organization</i>	142
CEO	148
Consequences of TMTs' Interaction	152
<i>Consequences of TMTs on Strategic Decision Making</i>	152
<i>Consequences of TMTs on Strategy</i>	154
<i>Consequences of TMTs on Firm Performance</i>	158
Conclusion	162
6 Changes at the Top: The Antecedents of Executive Turnover and Succession	164
Will Succession Occur? Determinants of Top	
Executive Departure	166
<i>Organizational Performance</i>	168
<i>Agency Conditions</i>	171
<i>Other Organizational Characteristics</i>	174
<i>Environment</i>	176
<i>Predecessor (Incumbent) Characteristics</i>	178
What Will Be the Dynamics of the Succession Process?	179
<i>Types of Successions</i>	179
<i>Influence of the Incumbent versus the Board</i>	183
Who Will Be Selected?	185
<i>Insider versus Outsider Selection</i>	186
<i>The Broader Case of Continuity versus Change</i>	194
Conclusion	196
7 Changes at the Top: The Consequences of Executive Turnover and Succession	198
What Are the Consequences of Succession?	199
<i>The New Executive's Behaviors and Organizational Change</i>	200
<i>Implications for Organizational Performance</i>	204
Executive Turnover: Beyond the CEO	213
<i>Other Interesting Issues for Succession</i>	224
Conclusion	225
8 Understanding Board Structure, Composition, and Vigilance	227
Determinants of Board Structure and Composition	229
<i>What Do We Mean by Board Structure and Composition?</i>	229
<i>Critical Contingencies</i>	232
<i>Institutional Forces</i>	234
<i>Agency Conditions</i>	238

Determinants of Board Vigilance	243
<i>Board Vigilance in Monitoring and Disciplining Top Management</i>	243
<i>Competition versus Cooperation in Board-CEO Relations</i>	251
Conclusion	253

9 The Consequences of Board Involvement and Vigilance 255

Board Involvement in Strategy Formation	255
<i>Contextual Conditions Predicting Board Strategic Involvement</i>	263
Boards and Firm Performance	269
Board Effects on Strategy	270
<i>Boards as Supra-Top Management Teams</i>	277
Board Monitoring and Disciplinary Behavior	281
<i>Boards and Executive Compensation</i>	282
<i>Boards and Monitoring Behaviors</i>	284
Conclusion	289

10 The Determinants of Executive Compensation 291

Organizing Dimensions for a Framework of Executive Compensation	291
<i>Direction of Causality</i>	291
<i>Theoretical Perspectives</i>	292
<i>Unit of Analysis</i>	293
Economic Explanations for Executive Compensation	295
<i>Research from the Managerialist and Neoclassical Traditions</i>	295
<i>Moderators of the Pay-Performance Relationship</i>	296
<i>Human Capital</i>	305
<i>Marginal Product and the Managerial Labor Market</i>	309
Social Explanations for Executive Compensation	310
<i>Isomorphism of Executive Compensation</i>	312
<i>Social Comparison Processes in the Setting of Executive Pay</i>	315
<i>Social Capital</i>	318
Political Explanations for Executive Compensation	320
Compensation for Business Unit General Managers: Determinants and Consequences	324
<i>GM Compensation versus CEO Compensation</i>	324
<i>The Determinants of GM Compensation</i>	325
<i>The Consequences of GM Compensation</i>	327
Conclusion	328

11 Executive Compensation: Consequences and Distributions 330

Consequences of Executive Compensation	330
<i>Economic Explanations for the Consequences of Executive Compensation</i>	331

<i>Behavioral Agency Theory</i>	337
<i>Social Explanations for the Consequences of Executive Compensation</i>	344
<i>Political Explanations for the Consequences of Executive Compensation</i>	346
Distribution of Compensation within Top Management Teams	348
