Contents

Foreword by Larry Cuban xi

Preface xv

CHAPTER 1 **From Instruction to Construction** 1

The Apple Classrooms of Tomorrow (ACOT) Project 3
ACOT's Research Program 7
What We Learned: A Historical Overview 8
ACOT's Changing Mission 10
Real School 11
Shifting From Instruction to Construction 12

CHAPTER 2 **The Challenge of Instructional Change: Two Teachers' Stories** 16

Elizabeth Bennett: Fifth Grade 18
Christine Lee: Ninth- and Tenth-Grade Math 24
The Influence of Context on Instructional Change 30

CHAPTER 3 **The Evolution of Instruction in Technology-Rich Classrooms** 33

The Promise of Technology for Education 34
The Importance of Personal Beliefs to Instructional Evolution 36
Stages of Instructional Evolution 37
Building Support for Instructional Change 47

CHAPTER 4 **Managing a Technology-Rich Classroom** 55

Stages of Concern 56
Stage 1: Entry 56
Stage 2: Adoption 62
Stage 3: Adaptation 67
Classroom Management Revisited 72

CHAPTER 5 **Redefining Student and Teacher Roles 76**

Using Student Experts in the Classroom 77
Expanding the Role of Student Experts 83
Considerations in Redefining Classroom Roles 86

CHAPTER 6 **Maintaining Student Engagement 89**

Positive Changes in Student Engagement 90
Challenges Associated with Changes in Student Engagement 96
Toward a Broader View of Student Engagement 101
Conditions for Creating Enduring Student Engagement 102

CHAPTER 7 **Enhancing Innovation and Promoting Collegial Sharing: A Reciprocal Relationship 104**

Changes in Collegial Sharing 105
Instructional Change and Collegial Sharing in ACOT Classrooms 114
The Link Between Technological Innovation and Collegial Sharing 116
Creating Collaborative Environments 118

CHAPTER 8 **Integrating Technology into the Curriculum: An Exemplary Unit of Practice 120**

The ACOT and National Alliance Partnership 121
An Exemplary UOP: "Journey Through the Twentieth Century" 124
Reflecting on the Unit as a Whole 133

CHAPTER 9 **Creating an Alternative Context for Teacher Learning 137**

A New Model for Teacher Development 139
Program Participants 141
Teachers' Experiences at the Teacher Development Centers 142
The Need for New Forms of Staff Development 151

CHAPTER 10 Back to the Real World: Opportunities and Obstacles in Staff Development 153

Barriers to Change 154
The Potential of Staff Development 156
Supports for Change 163

CHAPTER 11 Technology: One Tool Among Many 169

Changing Teacher's Beliefs 171
Using Technology Within the Curricular Framework 174
The Importance of a Supportive Context 178
Taking a Long-Term Perspective 181
Teachers as the Gateway to Change 183

Methodological Appendix 187
