## I. THE EMERGENT LEXICON

### 1. The Sound Shape of Early Lexical Representations

*John L. Locke*

|   |    |
|---|----|
| Introduction                                      | 3  |
| Internal Representations                          | 4  |
| Lexical Shapes                                    | 13 |
| From Sound Shapes to Phonological Representations | 17 |
| Notes   | 18 |
| References  | 18 |

### 2. The Meaning of Reference in Emergent Lexicons

*Michael D. Smith*

|                                   |    |
|-----------------------------------|----|
| Introduction                      | 23 |
| Brownian Motion                   | 24 |
| The Child's World of Reference    | 27 |
| Pure Reference or Child Reference | 34 |
| Conclusion                        | 44 |
| References                        | 45 |

## II. CHILDREN'S KNOWLEDGE OF PHONETIC WORD FORMS AND THEIR ABILITY TO IMPLEMENT THEM

### 3. Filling the Gap between Speech and Language

*Kristine S. MacKain*

|  |    |
|--|----|
| Introduction   | 51 |
| Infant Speech Discrimination and Lexical Development         | 52 |
| Categorization of Speech according to Perceived Similarities | 60 |
| Perceptuomotor Capacities for Speech                         | 64 |
| Conclusions  | 70 |
| References   | 71 |

### 4. The Emergent Lexicon from a Phonetic Perspective

*Bruce L. Smith*

|  |     |
|--|-----|
| Introduction   | 75  |
| The Role of Phonetics in Studying Lexical Development  | 78  |
| Speech Production Compared with a Nonspeech Skill  | 79  |
| Characteristics of Children's Speech-Production Systems                                      | 80  |
| Phonetic Characteristics of Premeaningful and Meaningful Utterances                          | 81  |
| Examining Physical and Biological Effects on the Sound Patterns of Early Lexical Development | 90  |
| Intra- and Interchild Variability  | 97  |
| Summary and Conclusions  | 99  |
| Notes  | 101 |
| References   | 102 |

## III. THE CHILD'S FIRST STEPS IN THE CONSTRUCTION OF A LEXICON

### 5. Vocal-Verbal Interaction and the Construction of Early Lexical Knowledge

*Edy Veneziano*

|  |     |
|--|-----|
| Introduction   | 110 |
| The Present Research: Sample and Methodology   | 114 |
| Descriptive Analysis of Child-Mother Vocal-Verbal Interaction                        | 116 |
| Sonorice and Nonsonoric Relations of Content   | 117 |
| Quantitative Analysis of Child-Mother Vocal-Verbal Interaction                       | 124 |
| Three Successive Periods in the Development of Child-Mother Vocal-Verbal Interaction | 132 |

|  |     |
|--|-----|
| CRTs and the Establishment of Joint Attention and Action on Vocal-Verbal Elements                  | 133 |
| CRTs and Semantic Relationships  | 140 |
| Concluding Remarks   | 142 |
| Notes  | 144 |
| References   | 145 |
| <br>   |     |
| <b>IV. THE CHILD'S COURSE FROM PHONETIC TO SYSTEMIC</b>  |     |
| <br>   |     |
| <b>6. Words and Babble at the Threshold of Language Acquisition</b>                                |     |
| <i>Marilyn May Vihman and Ruth Miller</i>  |     |
| Introduction   | 151 |
| Phenomena Characteristic of the Transition Period  | 157 |
| Words, Phonological Shapes, and Social Interaction   | 171 |
| Conclusion   | 179 |
| Notes  | 180 |
| References   | 181 |
| <br>   |     |
| <b>7. Phonological Factors in Early Lexical Acquisition</b>  |     |
| <i>Richard G. Schwartz</i>   |     |
| Introduction   | 185 |
| Phonological Selectivity   | 186 |
| Variability  | 200 |
| Lexical Categories   | 208 |
| Homonymy   | 212 |
| Conclusions and Future Directions  | 216 |
| References   | 218 |
| <br>   |     |
| <b>V. THE INTENT TO CONVEY</b>   |     |
| <br>   |     |
| <b>8. How to Do Things with One Word: The Ontogenesis of Intentional Message Making in Infancy</b> |     |
| <i>Inge Bretherton</i>   |     |
| Introduction   | 225 |
| Intentional Communication before First Words   | 226 |
| Intentional Communication during the One-Word Stage  | 230 |

|  |     |
|--|-----|
| One-Word Speech: What Is in the Mind of the Speaker? | 243 |
| Concluding Remarks                                   | 245 |
| Appendix   | 248 |
| References   | 257 |

## VI. VARIATIONS IN LINGUISTIC CODE AND SENSORY MODE

### 9. Early Sign Language Acquisition

*Michael D. Orlansky and John D. Bonvillian*

|   |     |
|---|-----|
| Introduction                                      | 263 |
| Theoretical Perspectives on Lexical Development   | 264 |
| Sign Language Acquisition                         | 268 |
| A Longitudinal Investigation of Sign Acquisition  | 271 |
| Early Sign Language Production                    | 273 |
| Early Sign Vocabulary Development                 | 275 |
| Children's Cognitive and Sensorimotor Development | 278 |
| Children's Nonsign Gestural Development           | 281 |
| Children's Symbolic Play                          | 282 |
| Cherological Development                          | 284 |
| Concluding Comments                               | 287 |
| References  | 288 |

### 10. First Words of the Blind Child

*Randa Mulford*

|  |     |
|--|-----|
| Introduction: A Framework for Considering Language Acquisition         | 293 |
| Data on Blind Children's First Words                                   | 297 |
| Quantitative Issues: The Attainment of Language Acquisition Milestones | 301 |
| Qualitative Issues   | 303 |
| Discussion: Wherein Lie the Differences?                               | 330 |
| Epilogue: A Glimpse beyond the First 50 Words                          | 333 |
| Notes  | 334 |
| References   | 336 |

## VII. SOCIAL INTERACTION

### 11. The Last Word: Questions about the Emerging Lexicon

*Catherine E. Snow*

|                 |     |
|-----------------|-----|
| Introduction    | 341 |
| New Discoveries | 342 |

## Contents

|                                 |     |
|---------------------------------|-----|
| Rediscoveries                   | 344 |
| What Don't We Know?             | 347 |
| Mysteries Remaining             | 349 |
| Conclusion: Mysteries Postponed | 352 |
| Note                            | 352 |
| References                      | 353 |
