PREFACE

Alessandro Antonietti, Olga Liverta-Sempio, Antonella Marchetti

1. **MENTAL LANGUAGE AND UNDERSTANDING OF EPISTEMIC AND EMOTIONAL MENTAL STATES: Contextual Aspects**
Alessandro Antonietti, Olga Liverta-Sempio, Antonella Marchetti, Janet W. Astington 1
 1. Mental Vocabulary and Understanding of Epistemic Mental States: Context as Task Content..... 5
 2. Possible Variables Affecting Mental Vocabulary and False-Belief Understanding: Context as Socio-Cultural Dimensions..... 14
 3. False-Belief Understanding, Belief-Desire Understanding and Metacognitive Vocabulary..... 18
 4. Conclusions..... 23

2. **THE MENTAL VERBS IN DIFFERENT CONCEPTUAL DOMAINS AND IN DIFFERENT CULTURES**
David R. Olson, Alessandro Antonietti, Olga Liverta-Sempio, Antonella Marchetti..... 31
 1. Culture, Literacy, School, and Metarepresentation 31
 2. A Test to Assess the Understanding of Metarepresentational Verbs..... 35
 3. Mental Verbs in Different Domains 37
 4. A Cross-Cultural Comparison between two Western Countries 41
 5. A Cross-Cultural Comparison between three Countries: Italy, Serbia, Tanzania..... 49
 6. Conclusions..... 52

3. **THE SOCIALIZATION OF THEORY OF MIND: Cultural and Social Class Differences in Behavior Explanation**
Angeline Lillard 65

1.	Attribution Across Cultures.....	67
2.	Development of Attribution Across Cultures	68
3.	Experiment 1	69
4.	Experiment 2	72
5.	Discussion	73
4.	RELATIONS AMONG THEORY OF MIND, METACOGNITIVE LANGUAGE, READING SKILLS AND STORY COMPREHENSION IN L1 AND L2 LEARNERS	
	Janette Pelletier.....	77
1.	Background to Study 1 and Study 2.....	78
2.	Study 1.....	80
3.	Study 2.....	86
4.	Summary and Conclusions.....	89
5.	CULTURE AND MENTAL STATES: A Comparison of English and Italian Versions of Children's Books	
	Marilyn Shatz, Jennifer Dyer, Antonella Marchetti, Davide Massaro.....	93
1.	Introduction.....	93
2.	Books as a Source of Mental State Information	94
3.	Comparing Japanese and U.S. Books	94
4.	Japanese Translations of Books in English	95
5.	Universal and Culture-Specific Factors in Understanding of Mind.....	97
6.	Exploring the Generality of Cultural Influences	98
7.	The Present Study.....	99
8.	Summary and Discussion.....	104
9.	Conclusions.....	105
6.	MIND OVER GRAMMAR: Reasoning in Aphasia and Development	
	Michael Siegal, Rosemary Varley, Stephen C. Want.....	107
1.	Reasoning in Agrammatic Aphasia	108
2.	Reasoning beyond Grammar: Evidence from Native and Non Native Signing Deaf Children.....	110
3.	Referential Intent in Naming and Categorization.....	113
4.	Goal-Directed Reasoning before Language.....	114
5.	Conclusion.....	115

7.	THE SILENT UNDERSTANDING OF THE MIND: The Deaf Child	
	Antonella Marchetti, Olga Liverta-Sempio, Flavia Lecciso.....	121
	1. The Deaf Child and His Development.....	121
	2. Theory of Mind in Atypical and Pathological Developmental Conditions	125
	3. Theory of Mind in Deaf Children	127
	4. Theory of Mind and Affects in Deaf Children.....	134
	5. Methodology.....	134
	6. Results.....	137
	7. "Getting Past the Wall of Silence".....	141
8.	SOCIAL AND INTRAPERSONAL THEORIES OF MIND: "I Interact Therefore I Am"	
	Joan Lucariello, Mary Le Donne, Tina Durand, Lisa Yarnell.....	149
	1. The "Integrated" View of ToM	152
	2. Differentiated ToM: Development from Self to Other	153
	3. The FMS Model: Differentiated ToM and Development from Other to Self.....	154
	4. Local Culture and Individual Differences: Even Greater Tilt Toward Social ToM.....	155
	5. Claims of FMS Model of ToM	157
	6. Empirical Support for the FMS Model.....	158
	7. General Conclusions.....	167
9.	DISCURSIVE PRACTICES AND MENTALIZATION ABILITY IN ADULTS AT WORK	
	Silvia Gilardi, Andreina Bruno, Cristina Pezzotta.....	173
	1. Listening to Adults at Work	173
	2. Reflexivity and Working Practice: Individual and Organizational Epistemological Premises.....	177
	3. Professional Autobiographies and Theory of Mind: the Sense of Personal Continuity in the Adult at Work.....	183
	4. People in Reflective Organization: Training and Language...	187
	AUTHORS.....	193
	INDEX.....	195
