The valency of experiential and evaluative adjectives <i>Ilka Mindt</i>	101
Valency rules? The case of verbs with propositional complements <i>Michael Klotz</i>	117
Valency issues in FrameNet <i>Charles J. Fillmore</i>	129

**Section 2: Cognitive issues and valency phenomena**

Valency and cognition – a notion in transition 163  
*Gert Rickheit and Lorenz Sichelschmidt*

Valency grammar in mind 183  
*Rudolf Emons*

The acquisition of argument structure 193  
*Heike Behrens*

**Section 3: Contrastive aspects of valency**

Valency and the errors of learners of English and German 217  
*Ian Roe*

Temporary ambiguity of German and English term complements 229  
*Klaus Fischer*

Sentence patterns and perspective in English and German 253  
*Irene Ickler*

Contrasting valency in English and German 271  
*Brigitta Mittmann*

Valency in a contrastive perspective: Structure and use 287  
*Stig Johansson*

**Section 4: Computational aspects of valency analysis**

Valency and automatic syntactic and semantic analysis 309  
*Dieter Götz*

Handling valency and coordination in Database Semantics 321  
*Roland Hausser*

Pronominal clitics and valency in Albanian: A computational linguistics perspective and modelling within the LAG-Framework <i>Besim Kabashi</i>	339
The practical use of valencies in the Erlangen speech dialogue system CONALD <i>Günther Görz and Bernd Ludwig</i>	353
Valency data for Natural Language Processing: What can the <i>Valency Dictionary of English</i> provide? <i>Ulrich Heid</i>	365
Subject index	383
Author index	391
