## PART I: GENERAL PROPERTIES OF TEXT GRAMMARS

1. Towards a Theory of Text Grammars	
1. Some arguments for text grammars . . . . .	1
1.1. Introduction . . . . .	1
1.2. Empirical arguments . . . . .	2
1.3. Grammatical arguments . . . . .	7
2. S-grammars and T-grammars. . . . .	12
2.1. S-grammars and linear recursion . . . . .	12
2.2. Sentences and sequences . . . . .	13
2.3. The form of T-grammars . . . . .	16
2.4. "On the natural domain of grammar" . . . . .	21
3. Textual linguistics: some classical approaches. . . . .	23
3.1. Introduction . . . . .	23
3.2. Ancient rhetorics . . . . .	24
3.3. The structural analysis of discourse . . . . .	25
3.4. Generative-transformational approaches to text structure. . . . .	31
2. Textual Surface Structures: Relations Between Sentences	
1. Introduction: methodological procedures. . . . .	34
2. Terminological issues . . . . .	38
3. Relations between sentences . . . . .	39
4. Surface relations between sentences . . . . .	41
4.1. Introduction . . . . .	41
4.2. Noun phrases and (in)definite descriptions . . . . .	42
4.3. Pronominalization . . . . .	59
4.4. Concluding remarks. . . . .	79
4.5. Verb phrases/predicates, tense/time . . . . .	81

4.6. Place adverbials and the topological logic of texts . . . . .	88
4.7. Final remarks . . . . .	89
5. Semantic relations between sentences . . . . .	91
5.1. Introduction . . . . .	91
5.2. Properties of relations . . . . .	93
5.3. Relations between lexical elements . . . . .	94
5.4. Relations between sentences: presupposition and entailment . . . . .	96
5.5. Other semantic relations between sentences . . . . .	106
5.6. Topic and comment . . . . .	109
6. A specimen of description . . . . .	120
7. Conclusions and speculations on the form of the surface grammar . . . . .	124
3. Textual Deep Structure: Macro-Structures	
1. Introduction: why textual deep structure? . . . . .	130
2. Some informal models for macro-structures . . . . .	134
3. Towards a model for macro-derivation . . . . .	139
4. A specimen of description . . . . .	157
5. Conclusion and final remarks . . . . .	159
<b>PART II: ASPECTS OF LITERARY TEXT GRAMMARS</b>	
4. The Foundations of Poetics. Methodological Preliminaries	
1. Introduction. About a discipline . . . . .	165
2. Terminology, scope and tasks . . . . .	169
3. Poetics and the philosophy of science . . . . .	174
3.1. Poetics as an empirical science . . . . .	174
3.2. Poetics as a theoretical science . . . . .	177
3.3. Poetics as a social science . . . . .	182
4. Foundations of a theory of literary text structures . . . . .	184
5. Linguistics and Poetics	
1. Grammars of natural language and their empirical scope . . . . .	189
2. Language, literature and grammar . . . . .	191
3. Linguistics and poetics . . . . .	201
6. Surface Operations	
1. Introduction . . . . .	210
2. Phonological operations . . . . .	212
2.1 Introduction . . . . .	212
2.2 Non-metrical structures . . . . .	214
2.3 Metrical structures . . . . .	219
2.4 Morphematic structures . . . . .	223

3. Syntactic operations . . . . .	224
3.1 Introduction . . . . .	225
3.2 Some syntactic rules for modern poetry . . . . .	228
4. Concluding remarks . . . . .	238
7. Semantic Operations. Processes of Metaphorization	
1. Introduction . . . . .	240
2. The structure of semantic representations . . . . .	242
3. Metaphorical structures in literature: preliminary observations . . . . .	249
4. Transformational processes of metaphorization . . . . .	257
5. Some further examples . . . . .	262
6. Some theoretical conclusions . . . . .	268
8. Semantic Macro-Operations. Narrative Structures	
1. Macro-structures and literary texts . . . . .	273
2. The linear coherence of literary texts . . . . .	277
3. Structural analysis of narrative . . . . .	283
4. Aspects of a generative grammar of narrative . . . . .	288
5. Narrative transformations and literary operations . . . . .	297
5.4. Deletion transformations . . . . .	299
5.5. Addition transformations . . . . .	303
5.6. Permutative transformations . . . . .	303
5.7. Some final remarks . . . . .	305
<b>PART III: TOWARDS A THEORY OF TEXTUAL COMMUNICATION</b>	
9. Context. Performance. Pragmatics	
1. Linguistic theory and the status of pragmatics . . . . .	313
2. Psychological implications of text grammars . . . . .	324
3. Sociological implications of text grammars . . . . .	330
4. Aspects of a theory of literary performance . . . . .	333
5. Some final remarks . . . . .	341
