

CONTENTS

INTRODUCTION

- S1 **Interventional Pain Therapies: Complications, Preventive Strategies, and Risk-Management**
B. Todd Sitzman, MD, MPH
- S2 **Challenges in Establishing the Epidemiology of Adverse Events Associated with Interventional Therapies for Chronic Pain**
Timothy R. Deer, MD
- S5 **Indications for Spinal Injections in the Chronic Pain Patient**
Milton H. Landers, DO, PhD
- S11 **Complications of Spinal Diagnostic and Treatment Procedures**
Nikolai Bogduk, MD, PhD, DSc, Paul Dreyfuss, MD, Ray Baker, MD, Way Yin, MD,
Milton Landers, DO, PhD, Michael Hammer, MD, and Charles Aprill, MD
- S35 **Cervical Spine: Case Presentation, Complications, and Their Prevention**
Marc A. Huntoon, MD, Associate Professor
- S41 **Neurological Deficits after Epidural Steroid Injection: Time Course, Differential Diagnoses, Management, and Prognosis Suggested by Review of Case Reports**
Donna M. Bloodworth, MD, Marco R. Perez-Toro, MD, and Kent H. Nouri, MD
- S58 **Vertebroplasty and Kyphoplasty: Case Presentation, Complications, and Their Prevention**
Allen W. Burton, MD
- S65 **Indications for Minimally Invasive Disk and Vertebral Procedures**
Leonardo Kapural, MD, PhD
- S73 **Discography, IDET, Percutaneous Discectomy, and Nucleoplasty: Complications and Their Prevention**
James P. Rathmell, MD, Joel S. Saal, MD, and Jeffrey Saal, MD
- S82 **Selection of Spinal Cord Stimulation Candidates for the Treatment of Chronic Pain**
Timothy Deer, MD, and Robert J. Masone, MD
- S93 **Complications of Spinal Cord Stimulation: Identification, Treatment, and Prevention**
Timothy R. Deer, MD, and C. Douglas Stewart, PA/C, MBA
- S102 **Complications of Intrathecal Therapy**
Peter S. Staats, MD, MBA
- S108 **Adverse Event Protocol for Interventional Pain Medicine: The Importance of an Organized Response**
B. Todd Sitzman, MD, MPH
- S113 **Pain Clinic Emergencies**
Gagan Mahajan, MD
- S121 **Complications Related to Sedation and Anesthesia for Interventional Pain Therapies**
Joshua P. Prager, MD, MS, and Charles Aprill, MD

- S128 **How to Keep a Bad Outcome from Becoming a Lawsuit**
Marc A. Huntoon, MD, and Robert M. Levy, MD, PhD
- S133 **Bad Results or Medical Malpractice in Pain Medicine: Ways to Prevent a Suit and What to Do Once a Suit Is Inevitable**
Salem Smith, JD, and Timothy Deer, MD
- S137 **Malpractice and the Practice of Pain Medicine: An Attorney's Perspective**
Robert Warner, JD, and Timothy R. Deer, MD
