PART ONE **CONCEPTS**

Introduction to Part 1	1
1 Introduction	3
1 The approach	3
1.1 The central argument	3
1.2 Organization of the book	5
2 The welfare state and its objectives	6
2.1 Defining the welfare state	6
2.2 The objectives of the welfare state	10
3 A changing world: Challenges and responses	13
Questions for further discussion	15
Further reading	15
2 The historical background	16
1 Early days	17
1.1 Poor relief	17
1.2 Other early social legislation	18
2 The Liberal reforms	20
2.1 The origins of the reforms	20
2.2 The new measures	21
3 The First World War and the inter-war period in the UK	23
3.1 Housing	23
3.2 Unemployment insurance	24
4 Inter-war poverty relief in the USA	26
4.1 The roots of the 'New Deal'	26
4.2 The Social Security Act 1935	28
5 The Second World War and its aftermath	30
5.1 Wartime activity	30
5.2 Policies 1946–1948	32
6 Post-war developments in the UK and USA	33
6.1 The UK	33
6.2 The USA	35
6.3 Comparative issues	37

7	Concluding issues: From the past to the present	38
7.1	Interpreting the forces creating the welfare state	38
7.2	What was created?	40
	Questions for further discussion	40
	Further reading	41
3	Political theory: Social justice and the state	42
1	Theories of society	42
2	Libertarian views	44
3	Liberal theories of society	45
3.1	Utilitarianism	46
3.2	Rawls on social justice	47
4	Collectivist views	51
4.1	Democratic socialism	51
4.2	Marxists	53
5	Implications for the role of the state	55
5.1	Theoretical issues	55
5.2	Policy implications	56
5.3	Attitudes towards the welfare state	58
	Questions for further discussion	60
	Further reading	60
	Appendix: Non-technical summary of Chapter 3	61
4	Economic theory 1: State intervention	64
1	The formal structure of the problem	64
2	Why economic efficiency is one of the aims of policy	66
2.1	The concept of economic efficiency	66
2.2	The relevance of efficiency to different theories of society	69
3	Intervention for reasons of efficiency	72
3.1	Types of intervention	72
3.2	The assumptions under which markets are efficient	73
3.3	Policy implications	80
4	Intervention for reasons of social justice	81
4.1	Why does redistribution occur?	82
4.2	Redistribution in cash or kind?	84
4.3	Horizontal equity	87
4.4	Is there enough redistribution?	87
5	Public choice and government failure	88
6	From theory towards policy: The issue of privatization	89
7	Conclusion: Economic and political theory	93
7.1	Drawing the borderlines between government and markets	93
7.2	Achieving policy aims: A liberal view	94
7.3	The debate with libertarians	95
	Questions for further discussion	96
	Further reading	97
	Appendix: Non-technical summary of Chapter 4	98

5	Economic theory 2: Insurance	102
1	Introduction	102
2	The demand for insurance	103
2.1	Individual demand	103
2.2	The nature of the product: Insurance as a mechanism for pooling risk	105
2.3	An example: Annuities	105
3	The supply side	107
3.1	The supply of insurance	107
3.2	Asymmetric information	109
4	The insurance market as a whole: Private and social insurance	113
4.1	The existence and efficiency of private insurance markets	113
4.2	Social insurance	116
	Questions for further discussion	117
	Further reading	118
	Appendix: Non-technical summary of Chapter 5	119
6	Problems of definition and measurement	121
1	Measuring welfare	121
1.1	Individual welfare	121
1.2	Social welfare	125
2	Poverty	127
2.1	Defining poverty	127
2.2	Poverty and inequality	130
2.3	Measuring poverty	131
3	Inequality 1: Individuals and families	134
3.1	Defining equality and inequality	134
3.2	Measuring inequality between individuals	136
3.3	Measuring inequality between families	137
4	Inequality 2: Aggregate measures	139
4.1	The descriptive approach	139
4.2	Inequality measures based on a social-welfare function	143
4.3	Inequality: Some empirical results	145
5	Conclusion	147
	Questions for further discussion	148
	Further reading	148
	Appendix: Non-technical summary of Chapter 6	150

PART TWO CASH BENEFITS

	Introduction to Part 2	153
7	Financing the welfare state	155
1	The structure of the UK government accounts	155
1.1	Conceptual issues	155
1.2	Government revenue and expenditure	157

2	Cash benefits	159
2.1	Individual national-insurance contributions	159
2.2	The National Insurance Fund	160
3	Benefits in kind	163
4	Assessing the welfare state	163
4.1	Incidence considerations	163
4.2	Redistribution: Preliminary discussion	165
	Questions for further discussion	167
	Further reading	167
8	Insurance: Unemployment, sickness, and disability	168
1	Introduction and institutions	168
1.1	The issues	168
1.2	Institutions	170
2	Theoretical arguments for state intervention	173
2.1	Efficiency 1: Regulation	173
2.2	Efficiency 2: Public provision	174
2.3	A view to the future: Long-term-care insurance	177
2.4	Social justice	179
3	Assessment of insurance benefits	179
3.1	Efficiency and incentives	179
3.2	Equity issues	183
	Questions for further discussion	184
	Further reading	184
9	Consumption smoothing: Old-age pensions	186
1	Introduction and institutions	186
2	Methods of organizing pensions	188
3	Efficiency arguments for state intervention	192
3.1	Public-versus-private provision	193
3.2	Funding versus Pay-As-You-Go: Theoretical arguments	194
4	Social justice	199
4.1	Public-versus-private provision	199
4.2	The redistributive effects of pensions	199
5	Assessment of old-age pensions	201
5.1	Efficiency and incentives	201
5.2	Equity issues	210
5.3	Conclusion	211
	Questions for further discussion	212
	Further reading	212
10	Poverty relief	213
1	Introduction and institutions	213
2	Theoretical arguments for state intervention	215
2.1	Arguments for intervention	215
2.2	The simple analytics of targeting	217

3	Assessment of poverty relief	219
3.1	Income-tested benefits	219
3.2	Working tax credits	222
3.3	Family support	224
3.4	The poverty and unemployment traps	225
3.5	Empirical issues and evidence	226
3.6	Conclusion	230
	Questions for further discussion	231
	Further reading	231
11	Strategies for reform	232
1	Approaches to income support	232
2	Income-testing: The negative income-tax approach	233
2.1	The idea	233
2.2	An assessment of large-scale negative income-tax schemes	234
2.3	The role of a small-scale negative income tax	241
3	Indicator-targeting: The 'Back-to-Beveridge' approach	242
3.1	The idea	242
3.2	An example	244
4	Mixed strategies	244
5	Conclusion: Cash benefits	246
	Questions for further discussion	249
	Further reading	249

PART THREE BENEFITS IN KIND

Introduction to Part 3	251	
12 Health and health care	253	
1	Introduction	253
2	Aims	254
2.1	Concepts	254
2.2	Measuring costs and benefits	256
3	Methods	257
3.1	Theoretical arguments for intervention 1: Efficiency	257
3.2	Theoretical arguments for intervention 2: Equity	264
3.3	Types of intervention	266
4	Assessment of the UK system of health care	270
4.1	Institutions	270
4.2	Assessment 1: Efficiency	276
4.3	Assessment 2: Equity	279
5	Reform	282
5.1	Mainly private approaches	282
5.2	Systems with public funding and private production	285
5.3	NHS reforms	286

6	Conclusion	289
	Questions for further discussion	291
	Further reading	291
13	School education	293
1	Introduction	293
2	Aims	293
	2.1 Concepts	293
	2.2 Measuring costs and benefits	295
3	Methods	299
	3.1 Theoretical arguments for intervention 1: Efficiency	299
	3.2 Theoretical arguments for intervention 2: Equity	301
	3.3 Types of intervention	302
4	Assessment of UK school education	305
	4.1 Institutions	305
	4.2 Assessment 1: Efficiency	309
	4.3 Assessment 2: Equity	311
5	Reform	314
	5.1 Mainly private approaches	314
	5.2 Reforms in the UK	316
6	Conclusion	318
	Questions for further discussion	319
	Further reading	319
14	Higher education	321
1	Introduction	321
2	Aims	321
3	Methods	322
	3.1 Theoretical arguments for intervention 1: Efficiency	322
	3.2 Theoretical arguments for intervention 2: Equity	327
	3.3 Types of intervention	328
4	Assessment of UK higher education	332
	4.1 Institutions	332
	4.2 Assessment 1: The organization of higher education	334
	4.3 Assessment 2: Outcomes	336
5	Reform	340
	5.1 A strategy for reform	340
	5.2 Proposed reforms: The 2003 White Paper	340
	5.3 An emerging international consensus?	343
6	Conclusion	344
	Questions for further discussion	344
	Further reading	344

PART FOUR EPILOGUE

15	Conclusion	349
1	Arguments for a welfare state	349
1.1	Theory	349
1.2	Policy	350
1.3	Why have a welfare state?	353
2	A changing world: Debates	355
2.1	Is the welfare state desirable?	355
2.2	Is the welfare state sustainable?	357
	Questions for further discussion	360
	Further reading	361
