CONTENTS

Preface			vii
Acknowledgmen	ts		xi
Introduction 1	to the Theoretical Foundations		1
	Visuomotor Coordination	2	
	Three Categories of Gaze Control	10	
	The Quiet Eye	10	
	Summary of Theoretical Orientation	11	
PART I	Visual Perception, Cognition, and Action		15
CHAPTER 1	Visual System, Motor Control, and the Changing	Brain	17
	Visual System	18	
	Properties of the Gaze in Space	21	
	Neural Centers of the Brain	21	
	Changes in the Brain	28	
CHAPTER 2	Measuring What Athletes See		33
	What Do Athletes See?	34	
	Eye-Tracking Technology Today	34	
	Visual-Search Paradigm	35	
	Vision-in-Action Paradigm	37	
	Interpreting Vision-in-Action Data	41	
CHAPTER 3	Visual Attention and Gaze Control		47
	Information-Processing Time	48	
	What Is Visual Attention?	53	
	Control of the Gaze and Overt and Covert Attention	5 <i>7</i>	
	Visual Attention and Representation of the World	60	

PART II	Gaze Control and the Quiet Eye in Sport		65
CHAPTER 4	Gaze Control Framework		67
	Three Categories of Gaze Control	68	
	Four Factors That Affect Gaze Control	70	
CHAPTER 5	Gaze Control to a Single Fixed Target		<i>7</i> 5
	Has Targeting Contributed to a Bigger Brain?	76	
	Gaze Control in the Basketball Free Throw	76	
	Gaze Control in the Jump Shot	78	
	Quiet Eye in the Free Throw and Jump Shot	80	
	Quiet-Eye Training in Basketball Shooting	84	
	Quiet Eye and EEG in Rifle Shooting	88	
	Quiet Eye in Biathlon Shooting Under Pressure	89	
CHAPTER 6	Gaze Control in Abstract-Target and Moving-Target Tasks		97
	Gaze Control in Golf Putting	98	
	Quiet-Eye Training in Golf	102	
	Quiet Eye in Billiards	104	
	Gaze Control in Moving-Target Tasks	105	
	Interpreting the Quiet-Eye Period in Targeting Tasks	106	
CHAPTER 7	Gaze Control in Interceptive Timing Tasks		111
	Interceptive Timing Tasks Defined	112	
	Object Recognition: Anticipating Object Flight	113	
	Object Tracking: Reading a Moving Object	115	
	Object Tracking and Object Control: Hitting Targets in Table Tennis	117	
	Object Recognition, Object Tracking, and Object Control	120	
	Quiet-Eye Training in Volleyball	123	
	Relationship Between Gaze Control and Verbal Reports	125	
	Gaze Control in Ice Hockey Goaltending	127	
CHAPTER 8	Gaze Control in Tactical Tasks		135
	What Are Tactical Tasks?	136	
	Visual-Spatial Intelligence	136	
	Context and Target Gaze Control	137	
	Klein's Recognition-Primed Model of Decision Making	139	
	Gaze Control During Locomotion	144	
	Gaze Control During Offensive and Defensive Plays	152	

CHAPTER 9 Decision-Training Model Four Scientific Foundations of Decision Training 162 Paradox of Modern Motor Learning Research 162 Three-Step Decision-Training Model 166 Evidence Showing the Effectiveness of Decision Training 169 CHAPTER 10 Designing Practices With a Decision-Training Focus DT Tool 1: Variable Practice (Smart Variations) 180 DT Tool 2: Random Practice (Smart Combinations) 180 Research Support for Variable and Random Practice 180 Variable and Random Practice in the Sport Setting 182 Example 1: Decision Training in Badminton Tactics 185 Example 2: Decision Training in Freestyle Ski Jumping 187 Example 3: Decision Training in Golf Putting 190 CHAPTER 11 Providing Feedback With a Decision-Training Focus 196 DT Tool 3: Bandwidth Feedback 196 DT Tool 3: Questioning 202 Research Support for Bandwidth Feedback and Questioning 204 DT Tool 4: Questioning 202 Research Support for Bandwidth Feedback and Questioning 204 DT Tool 5: Video Feedback and Self-Regulation 206 Example 1: Decision Training in Biathlon Skiing 206 Example 2: Decision Training in Biathlon Skiing 206 Example 2: Decision Training in Counseling 208 CHAPTER 12 Providing Instruction With a Decision-Training Focus 216 DT Tool 7: External Focus of Instruction 217 Example 1: Decision Training in Cycle Racing 219 Example 2: Decision Training in Speed Skating 220 Glossary References 235 Additional Quiet-Eye and Decision-Training Resources 255 Index 256	PART III	Decision Training in Sport		159
Four Scientific Foundations of Decision Training 162 Paradox of Modern Motor Learning Research 162 Three-Step Decision-Training Model 166 Evidence Showing the Effectiveness of Decision Training 169 CHAPTER 10 Designing Practices With a Decision-Training Focus DT Tool 1: Variable Practice (Smart Variations) 180 DT Tool 2: Random Practice (Smart Combinations) 180 Research Support for Variable and Random Practice 180 Variable and Random Practice in the Sport Setting 182 Example 1: Decision Training in Badminton Tactics 185 Example 2: Decision Training in Freestyle Ski Jumping 187 Example 3: Decision Training in Freestyle Ski Jumping 190 CHAPTER 11 Providing Feedback With a Decision-Training Focus 196 DT Tool 3: Bandwidth Feedback 196 DT Tool 4: Questioning 202 Research Support for Bandwidth Feedback and Questioning 204 DT Tool 5: Video Feedback and Self-Regulation 206 Example 1: Decision Training in Biathlon Skiing 206 Example 2: Decision Training in Counseling 208 CHAPTER 12 Providing Instruction With a Decision-Training Focus 213 DT Tool 6: Hard-First Instruction and Modeling 214 Does Modeling Improve Performance? 216 DT Tool 7: External Focus of Instruction 217 Example 1: Decision Training in Cycle Racing 219 Example 2: Decision Training in Speed Skating 220 Glossary References 233 Additional Quiet-Eye and Decision-Training Resources 255 Index	CHAPTER 9	Decision-Training Model		161
Paradox of Modern Motor Learning Research Three-Step Decision-Training Model Evidence Showing the Effectiveness of Decision Training To Designing Practices With a Decision-Training Focus DT Tool 1: Variable Practice (Smart Variations) DT Tool 2: Random Practice (Smart Combinations) Research Support for Variable and Random Practice 180 Variable and Random Practice in the Sport Setting Example 1: Decision Training in Badminton Tactics Example 2: Decision Training in Freestyle Ski Jumping Example 3: Decision Training in Freestyle Ski Jumping Example 3: Decision Training in Golf Putting CHAPTER 11 Providing Feedback With a Decision-Training Focus Feedback Defined DT Tool 3: Bandwidth Feedback DT Tool 4: Questioning Research Support for Bandwidth Feedback and Questioning DT Tool 5: Video Feedback and Self-Regulation Example 1: Decision Training in Biathlon Skiing Example 2: Decision Training in Biathlon Skiing Example 2: Decision Training in Counseling CHAPTER 12 Providing Instruction With a Decision-Training Focus DT Tool 6: Hard-First Instruction and Modeling DD Tool 6: Hard-First Instruction and Modeling DD Tool 6: Example 1: Decision Training in Counseling CHAPTER 12 Providing Instruction With a Decision-Training Focus DT Tool 6: Decision Training in Counseling CHAPTER 12 Providing Instruction With a Decision-Training Focus DT Tool 6: Decision Training in Counseling CHAPTER 12 Providing Instruction With a Decision-Training Focus DT Tool 6: Decision Training in Cycle Racing Example 1: Decision Training in Cycle Racing Example 2: Decision Training in Speed Skating 2227 References Additional Quiet-Eye and Decision-Training Resources DT Tool 5: Setternal Focus of Instruction Example 2: Decision Training Resources DT Tool 5: External Focus of Instruction Example 2: Decision Training Resources DT Tool 5: External Focus of Instruction Example 2: Decision Training Resources DT Tool 5: External Focus of Instruction DT Tool 5: External Focus of Instruction DT Tool 5: External Focus of Instruction DT Tool 5: Decision		· ·	162	
Three-Step Decision-Training Model Evidence Showing the Effectiveness of Decision Training Tolar Designing Practices With a Decision-Training Focus DT Tool 1: Variable Practice (Smart Variations) DT Tool 2: Random Practice (Smart Combinations) Research Support for Variable and Random Practice 180 Variable and Random Practice in the Sport Setting Example 1: Decision Training in Badminton Tactics Example 2: Decision Training in Freestyle Ski Jumping Example 3: Decision Training in Golf Putting CHAPTER 11 Providing Feedback With a Decision-Training Focus Feedback Defined DT Tool 3: Bandwidth Feedback DT Tool 4: Questioning CHAPTER 1: Decision Training in Biathlon Skiing Example 1: Decision Training in Biathlon Skiing Example 2: Decision Training in Counseling CHAPTER 12 Providing Instruction With a Decision-Training Focus DT Tool 6: Hard-First Instruction and Modeling DT Tool 7: External Focus of Instruction Example 1: Decision Training in Cycle Racing Example 2: Decision Training in Speed Skating Clossary References Additional Quiet-Eye and Decision-Training Resources Index Tool Besigning Procuse IT99 180 180 180 180 180 180 180 1		•
