Introduction	1
1 An industry in crisis	5
2 Ruhr coal enters the Third Reich	32
3 Ruhr coal and the coming of the war	49
4 Ruhr coal and the energy business	68
5 Towards the unification of west European heavy industry	90
6 Ruhr coal and the war	112
7 West European heavy industry in the New Order	139
Conclusion	163
Selected Bibliography	168
Index	177

LIST OF TABLES

1 Apparent consumption of primary sources of energy in Europe, 1913–1949	page 6
2 Percentage of mechanical and manual methods in Ruhr coal-getting, 1913–1938	9
3 Members and tonnage quotas, 1939	14
4 Daily man–shift productivity and annual output in the Ruhr, 1932–1944	57
5 German coal output, 1928–1944	58
6 1939 coal production plans	64
7 The financing of expansion undertaken on behalf of the Four Year Plan, March 1937	70
8 German wholesale coal prices	72
9 Consolidation of working points in the Ruhr, 1927–1939	72
10 Subsurface machines in operation, 1926–1938	72
11 Gasoline supply, 1934–1938	73
12 Outputs of coke oven gas in the Ruhr, 1934–1938	77
13 Coal-generated electric power, 1928–1943	84
14 Depreciation (RM/ton): selected mines, 1933, 1937	85
15 Tonnage yields, 1929–1938	86
16 Wage costs, syndicate prices and the wholesale price index, 1913–1938	87
17 German coal imports from Great Britain, 1930–1939	96
18 Percentages of European coal exports, 1913–1938	96
19 Anglo-German trade, 1929–1938	100
20 Franco-German trade, 1929–1938	107
21 German coal exports to France, 1930–1938	108
22 Conscripted Ruhr miners (net number and as percentage of mine labour force), 1939–1944	115
23 Non-conscripted miner employment levels, 1939–1944	117
24 Foreign mine labour recruitment as of 31 December 1941	119
25 Wage table for Soviet PoWs	127
26 Coal outputs in western Europe, 1938–1943	156

LIST OF FIGURES

- | | |
|---|----------------|
| 1 Principal hard-coal tar derivatives and their chief industrial uses | <i>page</i> 18 |
| 2 Sales of coke oven gas by Ruhrgas AG, 1927–1938 | 80 |
| 3 Comparative development of daily average production, size of labour force and productivity, 1939–1944 | 113 |
| 4 Age structure in the Ruhr mining industry, June 1939 and June 1944 | 116 |
