Contents

1 An Introduction to Media Space ................................................. 1
   Steve Harrison

2 A Brief History of Media Space Research and Mediated Life .......... 9
   Steve Harrison

3 Section 1: The Social Space .................................................. 17
   Paul M. Aoki and John C. Tang

4 Creating Assemblies in Media Space: Recent Developments in Enhancing Access to Workspaces ................................................. 27
   Paul Luff, Hideaki Kuzuoka, Christian Heath, Keiichi Yamazaki, and Jun Yamashita

5 From Media Spaces to Emplaced Media:
   Digital Poster Boards and Community Connectedness .................. 57
   Elizabeth F. Churchill and Les Nelson

6 Social Catalysts for Creating Sociable Media Spaces .................. 75
   Karrie G. Karahalios

7 Privacy Factors in Video-Based Media Spaces ............................ 97
   Michael Boyle, Carman Neustaedter, and Saul Greenberg

8 Affect and Dyads: Conflict Across Different Technological Media ................................................................. 123
   Jamika D. Burge and Deborah Tatar

9 The Watcher and the Watched: Social Judgments about Privacy in a Public Place ................................................................. 145
   Batya Friedman, Peter H. Kahn Jr., Jennifer Hagman, Rachel L. Severson, and Brian Gill
10 (Dis)connecting Cultures: The Diary of a Short Lived Media Space ................................................................. 177
Sara Bly and Steve Harrison

11 Section 2: The Space of Media Space ................................................................. 199
Steve Harrison

12 Constructing Space ............................................................................................. 205
Austin Henderson

13 Mediaspace – Meaningspace – Meetingspace .................................................. 217
Bill Buxton

14 Media Space, After 20 Years ............................................................................... 233
Robert Stults

15 From Analog to Digital, from the Office to the Living Room: Why I Happily Worked in a Media Space but Don’t Live in One ................................................................. 261
N. Roussel

16 The Video Window: My Life with a Ludic System ........................................... 269
William W. Gaver

17 Section 3: Communications ............................................................................... 281
Steve Harrison

18 Bringing Media Spaces Back to the Streets: Notes on the Interplay of Research on Media Space and Mobile Communication ................................................................. 287
Paul M. Aoki, Margaret H. Szymanski, and Allison Woodruff

19 Media Spaces and Mobile Video Telephony ..................................................... 303
Kenton O’Hara, Alison Black, and Matthew Lipson

20 Media Spaces, Emergency Response and Palpable Technologies ................. 325
Margit Kristensen and Morten Kyng

21 Videoconferencing and Connected Rooms ..................................................... 351
Austin Henderson and Lynne Henderson

22 The Halo B2B Studio ......................................................................................... 357
Mark Gorzynski, Mike Derocher, and April Slayden Mitchell
