| INTRODUCTION TO PART II | 423 |
| SELECT BIBLIOGRAPHY     | 426 |

### A. ROYAL ADMINISTRATION

|                                                                                                                                                                    |     |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|
| 18. "The Laws of William the Conqueror" (1070-87)                                                                                                                  | 431 |
| 19. "The Coronation Charter" of Henry I (5 August 1100)                                                                                                            | 432 |
| 20. charter of Stephen addressed generally (probably 1135)                                                                                                         | 434 |
| 21. charter of Stephen addressed generally (1136)                                                                                                                  | 435 |
| 22. charter of Stephen describing the Treaty of Winchester between the king and Henry, son of the Empress Maud, at the conclusion of the civil war (November 1153) | 436 |
| 23. charter of Henry II addressed generally (19 December 1154)                                                                                                     | 439 |
| 24. The Assize of Clarendon (1166)                                                                                                                                 | 440 |
| 25. The Assize of Northampton (1176)                                                                                                                               | 444 |
| 26. The Treaty of Falaise (December 1174)                                                                                                                          | 446 |
| 27. The Assize of arms (1181)                                                                                                                                      | 449 |
| 28. The Assize of the Forest (1184)                                                                                                                                | 451 |
| 29. ordinance of the "Saladin Tithe" (1188)                                                                                                                        | 453 |

### B. THE KING'S COURT AND HOUSEHOLD

|                                                                                                      |     |
|------------------------------------------------------------------------------------------------------|-----|
| 30. "The Establishment of the King's Household" ( <i>Constitutio Domus Regis</i> ) (c. 1135 or 1136) | 454 |
|------------------------------------------------------------------------------------------------------|-----|

### C. THE SHERIFF AND LOCAL GOVERNMENT

|                                                                                                                         |     |
|-------------------------------------------------------------------------------------------------------------------------|-----|
| 31. writ in Anglo-Saxon of Edward the Confessor to Bishop Grimketel, Earl Ælfgar, and Toli, sheriff of Suffolk (1042-7) | 460 |
|-------------------------------------------------------------------------------------------------------------------------|-----|

|                                                                                                                                                        |     |
|--------------------------------------------------------------------------------------------------------------------------------------------------------|-----|
| 32. writ in Anglo-Saxon of Edward the Confessor to Tofi, sheriff of Somerset, concerning a sale of land (1061-6)                                       | 460 |
| 33. writ in Anglo-Saxon of "William the king and William the earl", to Giso the bishop, Eadnoth the staller and Tofi the sheriff (March-December 1067) | 461 |
| 34. writ in Anglo-Saxon of Edward the Confessor concerning the lands of Regenbald, his priest (1042-66)                                                | 461 |
| 35. writ in Anglo-Saxon of William I concerning the possessions of Regenbald (1067)                                                                    | 461 |
| 36. writ in Anglo-Saxon of William I confirming the possessions of Regenbald (1067)                                                                    | 462 |
| 37. writ of William I to Baldwin, sheriff of Devon (probably 1070-1)                                                                                   | 462 |
| 38. writ of William I setting up a commission to inquire into the conduct of sheriffs and to restore lands they had taken from the Church (1077)       | 463 |
| 39. writ of William I in favour of the abbey of St Augustine, Canterbury (1077)                                                                        | 463 |
| 40. writ of William I in favour of the abbey of Bury St Edmunds (1077)                                                                                 | 464 |
| 41. writ of William II granting a hundred court in fee-farm to the abbey of Thorney (1087-1100)                                                        | 464 |
| 42. writ of Henry I to Gilbert, sheriff of Surrey (1100-7)                                                                                             | 464 |
| 43. charter of Henry I concerning the holding of courts of shire and hundred (26 July 1108-August 1111)                                                | 465 |
| 44. confirmation by Henry I of rights in the wapentake of Well in Lincolnshire to the bishop of Lincoln (1123-33)                                      | 465 |
| 45. Stephen's charter in favour of Geoffrey "de Mandeville", earl of Essex and hereditary sheriff (Christmas 1141)                                     | 466 |
| 46. charter of Maud to William "de Beauchamp", hereditary sheriff of Worcestershire (1141)                                                             | 468 |
| 47. proceedings concerning the inquest of sheriffs (1170) from the "Deeds of King Henry II"                                                            | 469 |
| 48. The inquest of sheriffs (Easter 1170)                                                                                                              | 470 |
| 49. returns for Norfolk and Suffolk to the inquest of sheriffs (1170)                                                                                  | 473 |

#### D. JUDICIAL ORGANISATION

##### (i) Reports of trials

|                                                                                                |     |
|------------------------------------------------------------------------------------------------|-----|
| 50. report of a trial on Pinnenden Heath near Maidstone (1072? or August 1075-July 1076?)      | 481 |
| 51. plea concerning the liberties of the abbey of Ely held at Kentford, Suffolk (2 April 1080) | 484 |

52. record of the judgment by William I in a plea between the abbey of Fécamp and William of Briouze (*c.* 1086) 485
53. charter of Henry I concerning a suit to be held in the court of the abbot of Thorney (1107-11) 487
54. "The Inquisition of David" concerning the lands of the see of Glasgow (*c.* 1124) 487
55. suit of Richard of Anstey against Mabel "de Francheville" (1158-63) 488
56. suit of Baldwin, archbishop of Canterbury, against the abbot of Bury St Edmunds (1185-9) 490

(ii) Legal treatises and statements of procedure

57. "Laws of King Henry I" (*Leges Henrici Primi*) (1100-35) 491
58. The legal treatise known as "Glanville": "Concerning the Laws and Customs of the Kingdom of England": methods of trial in operation during the reign of Henry II (*c.* 1189) 495
59. Ralph de Diceto and the "Deeds of King Henry II" on Henry II's changes in judicial organisation, 1176-9 513
60. account in the "Deeds of King Henry II" of the provision of justices to hear pleas (*clamores hominum*) (1178) 516

| 124. | Herbert of Bosham: the council of Westminster (October 1163)                                      | 762 |
| 125. | "Roger of Pontigny" on the discussions following the council of Westminster (October 1163)        | 764 |
| 126. | The Constitutions of Clarendon (January 1164)                                                     | 766 |
| 127. | Herbert of Bosham on the Constitutions of Clarendon (1164)                                        | 770 |
| 128. | Alan of Tewkesbury on events following the council of Clarendon (1164)                            | 771 |
| 129. | William fitz Stephen: the council of Northampton (October 1164)                                   | 772 |

3. Material relating to the dispute between Henry II and Thomas Becket during the archbishop's exile (November 1164–November 1170)
130. letter of Henry II to Louis VII, king of France (October 1164) 783
131. Herbert of Bosham's account of negotiations with the pope (October–November 1164) 784
132. Alan of Tewkesbury's account of negotiations with the pope (November 1164) 786
133. writ of Henry II addressed to the bishops of England (December 1164) 790
134. writ of Henry II addressed to the sheriffs of England (December 1164) 791
135. letter from Arnulf, bishop of Lisieux, to Thomas Becket (March 1165) 791
136. letter from Pope Alexander III to Thomas Becket (June 1165) 791
137. letter from Pope Alexander III to Thomas Becket (?June 1165) 792
138. letter from Thomas Becket to Henry II (May 1166) 793
139. excommunications pronounced by Thomas, archbishop of Canterbury, at Vézelay (Whit-Sunday, 12 June 1166) as described by John of Salisbury 794
140. The reply of the bishops and clergy of England to the censures of the archbishop of Canterbury (June 1166) 795
141. letter from Gilbert Foliot to Thomas Becket (1166) 798
142. letter from Thomas Becket to William of Pavia (November or December 1167) 799
143. A list of persons excommunicated by Thomas Becket in 1169 800
144. The conference at Montmartre (18 November 1169) as described by Herbert of Bosham 801
145. account of the coronation of the young King Henry (June 1170), by William fitz Stephen 803
146. The reconciliation between Henry II and Thomas Becket at Fréteval (22 July 1170) as described by Herbert of Bosham 805
147. writ of Henry II announcing his reconciliation with the archbishop (15 October 1170) 807
4. The murder of Thomas Becket and its sequel (December 1170–February 1173)
148. The return of Thomas Becket to Canterbury (1 December 1170) as described by William fitz Stephen 807
149. The return of Thomas Becket to Canterbury (1 December 1170) as described by Herbert of Bosham 808
150. The events leading up to the murder of Thomas Becket (December 1170) as described by William fitz Stephen 809

151. The events leading up to the murder of Thomas Becket (December 1170) as described by Herbert of Bosham 811
152. narrative of the murder of Thomas Becket (29 December 1170) by Edward Grim 812
153. description of the scene after the murder of Thomas Becket as given by Benedict of Peterborough (29 December 1170) 820
154. letter from Arnulf, bishop of Lisieux, to Pope Alexander III, written after the murder of Thomas Becket (1171, probably January) 821
155. report from Henry II's envoy at the papal court (April or May 1171) 823
156. account by an anonymous writer of the submission of Henry II to the papal legates at Avranches (May 1172) 825
157. bull of Pope Alexander III, dated 12 March 1173, announcing the canonisation of St Thomas on 21 February 1173 827
158. The penance of Henry II at Canterbury (13 July 1174) as described by Gervase of Canterbury 828

(ii) Henry II, the pope and Ireland

159. The bull *Laudabiliter* (?1155-60) 828
160. letter of Pope Alexander III addressed to the Irish prelates, relating to Henry II's conquest of Ireland (probably 1172) 830
161. letter of Pope Alexander III addressed to the Irish nobles concerning Henry II's conquest of Ireland (probably 1172) 831
162. letter of Pope Alexander III to Henry II concerning the conquest of Ireland (probably 1172) 832

(iii) Select episcopal acts

163. charter of William of Corbeil, archbishop of Canterbury, confirming the restoration of the church of Calk to the canons of Calk Priory (1130-6) 833
164. charter of William Warelwast, bishop of Exeter, confirming a concord between the monks of St Pancras and Robert fitz Martin in respect of the chapel of Combe Martin, Devon (14 June 1133) 834
165. grant by John "de Chesney" to the canons of Rudham with confirmation by William "de Turbe", bishop of Norwich (19 May 1148) 835
166. charter of Robert "de Chesney", bishop of Lincoln, concerning the rights of the church of St Peter at Northampton (1155-8) 835
167. charter of Thomas Becket, archbishop of Canterbury, concerning the amends promised to Ramsey Abbey by Geoffrey "de Mandeville" for his father's misdeeds (6 April 1163) 836
168. charter of Robert "de Chesney", bishop of Lincoln, concerning

- the rights of the church of St Peter at Northampton (before 1166) 836

174. survey of an estate at Tidenham, Gloucestershire (?c. 1060) 879
175. fragments mainly in Anglo-Saxon of surveys from the abbey of Bury St Edmunds (dating from 1045-98) 880
176. twelfth-century surveys from Burton Abbey (1114-18, c. 1126) 884
177. surveys of certain manors of the abbey of Peterborough (1125-8) 892
178. survey of the manor of Stukeley, Hunts., made for the abbot of Ramsey in the time of Henry I (?1130-5) 894
179. survey of the manor of Elton, Hunts., made for the abbot of Ramsey in the time of Henry II (?1160-70) 895
180. select surveys from the Boldon Book (1183) 897

###### (ii) Select charters and "wills"

181. "will" in Anglo-Saxon of Ælfric Modercope (c. 1043) 899
182. writ in Anglo-Saxon of Edward the Confessor for Ælfric Modercope to commend himself to the abbots of Bury St Edmunds and Ely (c. 1048) 900

|                                                                                                                                  |     |
|----------------------------------------------------------------------------------------------------------------------------------|-----|
| 183. A bequest in Anglo-Saxon by Thurstan, son of Wine (1042-3)                                                                  | 900 |
| 184. "will" in Anglo-Saxon of Thurstan, son of Wine (1043-5)                                                                     | 901 |
| 185. lease of land in Anglo-Saxon by Aldred, bishop of Worcester, to Wulfgeat (1046-53, probably 1051-2)                         | 902 |
| 186. writ in Anglo-Saxon of Edward the Confessor concerning a house-carl (1045-58)                                               | 903 |
| 187. "will" in Anglo-Saxon of the Lady Wulfgyth (1042-53, probably 1046)                                                         | 903 |
| 188. "will" in Anglo-Saxon of Edwin the thegn (shortly before 1066)                                                              | 904 |
| 189. "will" in Anglo-Saxon of Ketel the thegn (1052-January 1066)                                                                | 905 |
| 190. charter of Godric the steward relating to Little Melton, Norfolk (1101-16)                                                  | 906 |
| 191. confirmation of Little Melton to Ralph, son of Godric the steward, by Abbot Anselm of St Benet of Holme (1133-40)           | 907 |
| 192. charter of Geoffrey Boterel of Nettlestead, Suffolk (1139)                                                                  | 908 |
| 193. grant by Peter Boterel concerning a peasant in Nettlestead, Suffolk to the monks of St Melaine (1153-64)                    | 908 |
| 194. charter of Reginald "de Craci" confirming land to Bullington Priory (1150-60)                                               | 909 |
| 195. charter of Ketel Dumping in favour of Lincoln Cathedral (1176)                                                              | 910 |
| 196. charter of Ralph, son of Stephen of Holland, Lincs., to Kirkstead Abbey granting land in Snelland (before 1187)             | 910 |
| 197. charter of Walter, son of Ulmar, in favour of Lewes Priory and concerning land at Sherburne, Norfolk (late twelfth century) | 911 |

## B. THE DOMESDAY SURVEY

### (i) The making of Domesday Book

|                                                                                                                          |     |
|--------------------------------------------------------------------------------------------------------------------------|-----|
| 198. addition by Robert Losinga to the chronicle of Marianus Scotus                                                      | 912 |
| 199. charter of William I to Westminster Abbey after the Domesday inquisition (?1087)                                    | 912 |
| 200. writ of William II concerning property of the abbey of St Benet of Holme (1094-5 or 1099-1100, probably the former) | 913 |
| 201. record of a plea relating to the abbey of Abingdon (July 1108-May 1109, or August 1111-summer 1113)                 | 913 |
| 202. account of the Domesday inquisition by an annalist of Worcester early in the twelfth century                        | 914 |
| 203. account of the Domesday inquisition by "Florence of Worcester" (before 1118)                                        | 914 |
| 204. account of the Domesday inquisition by Henry of Huntingdon (before 1129)                                            | 915 |

## (ii) Domesday Book (1086)

|      |                                                                                      |     |
|------|--------------------------------------------------------------------------------------|-----|
| 205. | The survey of Huntingdonshire in Domesday Book                                       | 915 |
| 206. | The knights of Lanfranc in Domesday Book                                             | 926 |
| 207. | The customs of Berkshire in Domesday Book                                            | 929 |
| 208. | The customs of Oxford and Oxfordshire in Domesday Book                               | 930 |
| 209. | account of the city of Chester in Domesday Book                                      | 930 |
| 210. | salt-making in Domesday Book                                                         | 932 |
| 211. | The survey of Lincolnshire in Domesday Book                                          | 935 |
| 212. | lands of the abbey of Bury St Edmunds in Domesday Book:<br>Henstead hundred, Norfolk | 941 |
| 213. | colophon to Domesday Book                                                            | 942 |

## (iii) Surveys connected with Domesday Book II

|      |                                                                                                                                                          |     |
|------|----------------------------------------------------------------------------------------------------------------------------------------------------------|-----|
| 214. | description of part of the hundred of Staploe, Cambs., from the<br>Cambridgeshire survey ( <i>Inquisitio Comitatus Cantabrigiensis</i> )<br>(after 1086) | 943 |
| 215. | The Ely Inquest ( <i>Inquisitio Eliensis</i> ) (post-1086): prologue and select<br>passages                                                              | 946 |
| 216. | description of some of the lands of the abbot of Tavistock in Devon<br>in the "Exon Domesday" (?post-1086)                                               | 950 |
| 217. | The Feudal Book of Baldwin, abbot of Bury St Edmunds (after<br>1086 and probably after 1100)                                                             | 955 |

## C. ANGLO-NORMAN FEUDALISM

## (i) The introduction of tenure by knight-service into England during the reign of William the Conqueror

|      |                                                                                                     |     |
|------|-----------------------------------------------------------------------------------------------------|-----|
| 218. | summons to the feudal host (probably in 1072)                                                       | 960 |
| 219. | An early enfeoffment of a knight by Gilbert, abbot of Westminster<br>(in, or shortly after, 1083)   | 960 |
| 220. | An early enfeoffment on the land of the abbey of Bury St Edmunds<br>(1066-87)                       | 961 |
| 221. | A grant of land to be held by military service made by Robert<br>Losinga, bishop of Hereford (1085) | 962 |
| 222. | The barony of the archbishop of Canterbury (December<br>1093-October 1096)                          | 963 |
| 223. | The abbey of Abingdon and its tenants at the time of the Norman<br>Conquest                         | 964 |

|                                                                                                                                                                                                   |     |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|
| (ii) The <i>Cartae Baronum</i> of 1166: returns by the tenants-in-chief to Henry II                                                                                                               | 968 |
| 224. return ( <i>carta</i> ) of Roger, archbishop of York                                                                                                                                         | 971 |
| 225. return ( <i>carta</i> ) of the bishop of Exeter                                                                                                                                              | 973 |
| 226. return ( <i>carta</i> ) of the abbot of Abingdon                                                                                                                                             | 975 |
| 227. return ( <i>carta</i> ) of the honour of St Edmund                                                                                                                                           | 975 |
| 228. return ( <i>carta</i> ) of the abbey of Evesham                                                                                                                                              | 977 |
| 229. return ( <i>carta</i> ) of William of Ferrières, the earl                                                                                                                                    | 977 |
| 230. return ( <i>carta</i> ) of Walter of Ancourt                                                                                                                                                 | 979 |
| 231. return ( <i>carta</i> ) of Lambert of Etocquigny                                                                                                                                             | 980 |
| 232. return ( <i>carta</i> ) of Hugh of Buckland                                                                                                                                                  | 980 |
| 233. return ( <i>carta</i> ) of Gerard Giffard                                                                                                                                                    | 981 |
| 234. return ( <i>carta</i> ) of William of London                                                                                                                                                 | 981 |
| (iii) Select feudal charters                                                                                                                                                                      |     |
| 235. charter of Roger of Clères in favour of St Ouen of Rouen ( <i>c.</i> 1066)                                                                                                                   | 981 |
| 236. notification of a grant made by Roger, son of Thorold, to Holy Trinity, Rouen (probably in 1066)                                                                                             | 982 |
| 237. notification of a grant made by Roger of Montgomery to Holy Trinity, Rouen (1066)                                                                                                            | 983 |
| 238. writ of William I in Anglo-Saxon to the abbot of Bury St Edmunds concerning the tenants of the abbey who fell in battle against the king (1066–70)                                           | 983 |
| 239. charter of William I granting land in England to Holy Trinity, Rouen (1069)                                                                                                                  | 984 |
| 240. charter in Latin and Anglo-Saxon by Odo, bishop of Bayeux and earl of Kent, for an exchange of land with the monastery of Christ Church, Canterbury (1071–82)                                | 984 |
| 241. grant by Gilbert fitz Richard of Clare to the abbey of Bury St Edmunds of two freemen of Westley, Suffolk, witnessed, as it seems, by the honour courts of Gilbert and of the abbot (1090–8) | 985 |
| 242. writ of Henry I enforcing the feudal service owed by Jocelyn “de la Rivière” to the abbey of Abingdon (1101–2)                                                                               | 986 |
| 243. writ of Henry I concerning the service of castle-guard from the tenants by knight service of the abbey of Abingdon (1100–17, probably <i>c.</i> 1100)                                        | 986 |
| 244. grant by Henry I to Miles of Gloucester of Sibyl, daughter of Bernard of Neufmarché, with her marriage portion and with all the possessions of her father and mother (10 April–29 May 1121)  | 987 |
| 245. charter of Henry I concerning the feudal arrangements for Richard Basset’s marriage with the daughter of Geoffrey Ridel (1120–3)                                                             | 988 |
| 246. charter of Henry I concerning the barony of the bishop of Ely (1127)                                                                                                                         | 988 |

247. charter of Henry I concerning the payment of scutage from the barony of the bishop of Ely (1127) 989
248. charter of Henry I confirming an enfeoffment on the lands of the abbey of Ramsey (1114-30) 990
249. charter of William of Anisy granting a fief to his son with the consent of the court of the honour (?1120-40) 990
250. charter of Anselm, abbot of Bury St Edmunds, granting land in Suffolk to Adam of Cockfield, his military tenant (1121-48) 991
251. An agreement between several holders of fiefs (1124-30) 992
252. charter of Henry I granting to Aubrey "de Vere" the master-chamberlainship of all England (July 1133) 992
253. charter of Walter of Bolbec enfeoffing the abbot of Ramsey with two knight's fees (1133-60) 993
254. grant by Ording, abbot of Bury St Edmunds, to Aubrey, count of Guines, of two military tenancies to be held from the abbey (c. 1140) 994
255. charter of Stephen creating Geoffrey "de Mandeville" earl of Essex (June-December 1140) 995
256. The settlement executed by Roger, earl of Warwick, on the marriage of his daughter Agnes to Geoffrey "de Clinton", sometime chamberlain to Henry I (1123-53) 996
257. treaty between the earls of Chester and Leicester effected towards the close of the civil war in the reign of Stephen (1148-53) 996
