<i>Foreword by J.P. Negi</i>	5
<i>Messages</i>	7
<i>Preface</i>	13
<i>List of Contributors</i>	19

## I. FRUIT CROP IMPROVEMENT

1. Issues and Strategies in the Improvement of Temperate Fruits <i>T.R. Chadha</i>	25
2. Gene Bank of Stone Fruits for Mid-Hills and Warmer Areas <i>H.S. Bist and S.D. Sharma</i>	30
3. Improvement of Nut Fruit Crops in Changing Climatic Scenario <i>S.D. Sharma</i>	34

## II. QUALITY PLANTING MATERIAL: KEY TO SUSTAINABLE PRODUCTION

4. New Rootstocks for Temperate Fruits and their Propagation Techniques <i>S.A. Ananda</i>	39
5. Micropropagation in Temperate Fruits <i>D.R. Sharma</i>	47
6. Production of Virus-Free Plants of Temperate Fruit Varieties and Rootstocks <i>S.V. Bhardwaj, Anil Handa and Bunty Shylla</i>	52

### III. CLIMATIC CHANGES AND THEIR ADVERSE EFFECTS

- |  |    |
|--|----|
| 7. An Overview of Low Productivity in Apple<br><i>R.P. Awasthi</i>   | 61 |
| 8. Apple Production in Changing Climate Scenario:<br>Issues and Constraints<br><i>K.K. Jindal, P.S. Chauhan and M.S. Mankotia</i>  | 67 |
| 9. Effect of Spring Frost and Hails on Productivity<br>of Temperate Fruits and Strategies for their<br>Mid-Season Correction<br><i>D.R. Gautam, K.K. Jindal and Ramesh Verma</i> | 72 |
| 10. Winter Chilling of Temperate Fruits:<br>Implications in Fruit Productivity<br><i>M.S. Mankotia and P.S. Chauhan</i>  | 78 |

### IV. STATE OF FRUIT FARMING IN HIMALAYAN REGION

- |  |     |
|--|-----|
| 11. Apple<br><i>K.K. Jindal and D.R. Gautam</i>          | 85  |
| 12. Pear<br><i>D.R. Gautam</i>                           | 99  |
| 13. Peach<br><i>H.S. Rana and L.K. Sharma</i>            | 108 |
| 14. Apricot<br><i>C.S. Tomar and A.S. Rehalia</i>        | 117 |
| 15. Plum and Prune<br><i>A.S. Rehalia and C.S. Tomar</i> | 127 |
| 16. Cherry<br><i>Jayant Kumar</i>                        | 134 |
| 17. Pomegranate<br><i>H.L. Farmahan</i>                  | 139 |
| 18. Kiwifruit<br><i>J.S. Chandel and Ramesh Rana</i>     | 147 |
| 19. Persimmon<br><i>A.S. Kashyap and O.C. Sharma</i>     | 154 |

20. Strawberry	161
<i>B.K. Karkara and M.P. Dwivedi</i>	
21. Almond	167
<i>S.A. Ananda</i>	
22. Walnut	173
<i>N.K. Joolka</i>	
23. Chestnut	179
<i>H.S. Bhatia</i>	
24. Hazelnut	186
<i>S.S. Rana</i>	
25. Pistachio	197
<i>B.S. Thakur and Kuldeep Mehta</i>	
26. Pecan Nut	203
<i>Kuldeep Mehta and B.S. Thakur</i>	
27. Olive	210
<i>R.P. Singh and Som D. Sharma</i>	

#### **V. CROP REGULATION: RESEARCH AND TECHNOLOGY ASPECTS**

28. Advances in High Density Planting and Canopy Management of Temperate Fruits	221
<i>R.P. Awasthi</i>	
29. Crop Regulation in Temperate Fruits with Special Reference to Synthetic PGRs	227
<i>K.K. Jindal</i>	
30. Application of Growth Retardants in Fruits	233
<i>N. Sharma</i>	

#### **VI. TEMPERATE FRUITS FOR SUBTROPICAL AREAS**

31. Status and Prospects of Temperate Fruits in Subtropical Areas of Himachal Pradesh	241
<i>Shashi K. Sharma and S.D. Badiyala</i>	
32. Low Chilling Fruits for Subtropical Climate	249
<i>B.K. Karkara and D.R. Gautam</i>	

33. Low Chill Pome Fruits for Warmer Areas 255  
*G. Sharma*

## VII. PLANT PROTECTION PROBLEMS AND CONTROL STRATEGIES

34. Integrated Management of Apple Diseases 261  
*J.N. Sharma and R.C. Sharma*
35. Occurrence of Premature Leaf Fall Problem of Apple in Himachal Pradesh and its Control 270  
*J.N. Sharma and R.C. Sharma*
36. Aging Orchards and Replant Problem: Causes and Management 275  
*S.S. Bhardwaj and I.M. Sharma*
37. Integrated Pest Management in Temperate Fruits 280  
*P.R. Gupta*
38. Red Spider Mite: A Threat to Apple Production 293  
*S.P. Bhardwaj*

## VIII. TEMPERATE HORTICULTURE IN HIMALAYAN STATES: CASE STUDIES

39. New Development Initiatives in Temperate Fruit Production in Himachal Pradesh 303  
*Jagmohan Singh Chauhan*
40. Temperate Horticulture in Jammu and Kashmir: Present Status and Future Strategies 312  
*M. Feza Ahmed and S.A. Simnani*
41. Present Status and Future Strategies of Temperate Fruit Cultivation in Uttaranchal 322  
*P.C. Tripathi, M.K. Verma, S.P. Uniyal, D.C. Dimri and R.N. Singh*
42. Status of Temperate Horticulture in North-Eastern Hill Region with Special Reference to Arunachal Pradesh 329  
*R.K. Dilip Singh*
