# List of Tables and Figures

## Tables

3.1	Studies of Wage Discrimination in the NBA	23
3.2	Studies of Hiring and Consumer Discrimination in the NBA	26
3.3	Player Productivity Variables in NBA Salary Studies	30
3.4	Player Productivity in Other NBA Studies	33
3.5	Summary of Player Productivity Studies	34
3.6	Estimated Coefficients for Equation (3.2)	35
3.7	Estimated Coefficients for Equation (3.3)	36
4.1	Summary of NHL Research	73
8.1	Reward Structure in the 2004 Boston Marathon for Finish Positions 1 Through 5	157
9.1	Different Definitions of Real Price of MLB Seats, 1991–93	178
9.2	Descriptive Statistics for Demand Analysis	186
9.3	Linear Demand Function: OLS Estimates of Equation (9.1)	187
9.4	Log-Linear Demand Function: OLS Estimates of Equation (9.2)	187
10.1	Measures of Game Uncertainty (GU)	192
10.2	Measures of Playoff Uncertainty (PU)	194
10.3	Measures of Consecutive-Season Uncertainty (CSU)	195
10.4	Analysis of Competitive Balance and Game Uncertainty (Variable 1, Table 10.1)	197
10.5	Analysis of Competitive Balance and Playoff Uncertainty (Variable 4, Table 10.2)	200
10.6	Analysis of Competitive Balance and Consecutive-Season Uncertainty in MLB (Variable 1, Table 10.3)	202
10.7	The Uncertainty of Outcome Hypothesis Line of Inquiry	204

**Figures**

6.1	Major League Baseball (MLB) vs. Soccer (FA) Attendance	119
8.1	Effort, MC, and MR	152
8.2	Finish Position and Prize	153
9.1	Upward-Sloping Demand Due to Misspecification	181
10.1	Time-Series Approach Schematic	199
