

CONTENTS

Preface	IX
I. THEORY	
1. Current proposals concerning morphologization	1
1.1. Within transformational generative phonology	1
1.2. Within natural generative phonology	4
1.3. The role of the phoneme	9
2. Kruszewski's <i>Ueber die Lautabwechslung</i>	12
2.1. Background	12
2.2. Synchronic analysis	13
2.3. Diachronic analysis	17
3. A comprehensive theory of morphologization	23
3.1. Data and rules	23
3.2. Theoretical interpretation	29
3.3. Historical (morpho)phonology	35
II. ILLUSTRATIONS	
4. Latin	37
4.1. Rhotacism	37
4.2. Lachmann's Law	42
4.3. Nasal infixation	49
5. French	55
5.1. Linking phenomena	55
5.1.1. Introduction	55
5.1.2. The transformational generative analysis	58
5.1.3. Some current trends	60
5.1.4. A revised analysis	62
5.1.5. Morphologization	65
5.2. The mute /e/	68
5.3. Nasalization	74

6. Romance	84
6.1. Pluralization in Western Romance	84
6.1.1. Old French	84
6.1.2. Catalan	88
6.1.3. Spanish	92
6.1.4. Portuguese	96
6.2. Diphthongization	101
6.2.1. Spanish	101
6.2.2. French	105
6.3. Velar palatalization	108
6.3.1. Italian	108
6.3.2. Old French	113
III. IMPLICATIONS	
A. Dissection of Part II	115
B. Motivation	118
C. What is morphologization?	124
LIST OF TABLES	127
REFERENCES	128
INDEX OF AUTHORS	136

LIST OF TABLES

Table I. Data to illustrate a theory of morphologization	24
Table II. Morphologization	32
Table III. Abductions	33
Table IV. Morphologization within morphophonology	35
Table V. Transformational generative historical phonology	36
Table VI. Historical morphophonology	36
Table VII. Data for rhotacism	38
Table VIII. Rhotacism à la Kruszewski	39
Table IX. History of <i>honor</i>	42
Table X. Data for Lachmann's Law	45
Table XI. Data for nasal infixation	50
Table XII. Some nasal infixing verbs in Romance	51
Table XIII. The Latin imperfective system	53
Table XIV. Data for linking phenomena	56
Table XV. The transformational generative analysis	59
Table XVI. A revised analysis	63
Table XVII. Prenominal cardinal numbers	65
Table XVIII. Data for mute /e/	69
Table XIX. Data for nasalization	75
Table XX. Denasalization and liaison	82
Table XXI. Data for Old French pluralization	85
Table XXII. Data for Catalan pluralization	89
Table XXIII. Data for Spanish pluralization	92
Table XXIV. Data for Portuguese pluralization	96
Table XXV. Data for Spanish diphthongization	102
Table XXVI. Data for French diphthongization	106
Table XXVII. Data for Italian velar palatalization (a): nominal inflect.	109
Table XXVIII. Data for Italian velar palatalization (b): verbal inflect.	111
Table XXIX. Data for Italian velar palatalization (c): derivational morph.	112
Table XXX. Data for Old French velar palatalization	113
Table XXXI. Overview of Part II	116
Table XXXII. Paradigmatic levellings of Part II	122
