

CONTENTS

Foreword:	i
------------------------	----------

Part 1: The Business Case

Chapter 1: The Business Needs	1
Content-Based Applications	5
Inter-Departmental Requirements	9
Industry Requirements	10
Productivity Gains	12
User Story: DaimlerChrysler	7
User Story: Roche	11
User Story: Siemens/OSRAM	13
User Story: Airbus	15
Chapter 2: ECM Technologies	17
Structured vs. Unstructured Information	20
Basic Principles of ECM	22
Bringing All the Technologies Together	30
ECM Architecture	33
User Story: BT	23
User Story: Dow Chemical	25
User Story: HBO	29
User Story: Air Liquide	35
Chapter 3: Compliance and Corporate Governance	37
Compliance and Corporate Governance Defined	39
Financial Services Applications	50
Pharmaceutical Applications	52
Government Applications	54
User Story: Equal Employment Opportunity Commission (EEOC)	42
User Story: Federal Ministry of the Interior	47
User Story: Mitsubishi Automotive Engineering (MAE)	49
User Story: Office of the Superintendent of Financial Institutions (OSFI)	53

Part 2: ECM Content Technologies

Chapter 4: Search	55
Search Fundamentals	59
Making Sense of Search Results	60
Improving Search	66
User Story: National Economic Research Associates (NERA)	58
User Story: Northrop Grumman	65
User Story: U.S. Patent and Trademark Office (USPTO)	68
Chapter 5: Knowledge Management (KM)	71
Information in Context	76
Communities of Practice	79
Collaborative Knowledge Management	80
User Story: Turner	75
User Story: Sinclair Knight Merz	78
User Story: Kerr-McGee	81
User Story: Audi	85
Chapter 6: Document Management (DM)	87
Document Creation	90
Workflow Integration	93
Security and Permissions	96
Image Management	98
User Story: U.S. Air Force	91
User Story: National Institute on Drug Abuse (NIDA)	97
User Story: Samsonite	101
User Story: Oral-B	103
Chapter 7: Archiving and Document Lifecycle Management (DLM)	105
Active Processing	108
Archiving, Retention and Destruction	112
Records Management	114
User Story: U.S. Army Reserve	111
User Story: UBS AG	113

User Story: Sasol	115
User Story: TransLink	119
Chapter 8: Web Content Management (WCM)	121
Web Publishing	125
WCM System Functionality	126
Distributed Team-Based Collaboration	130
User Story: BMW	124
User Story: British Council	127
User Story: Sultex Limited	129
User Story: International Organization for Standardization (ISO)	133
Chapter 9: Transactions and Enterprise Application Extensions (EAE)	135
Unlocking Business Content	139
From Transactions to Processes	142
The Business Value of EAE	144
User Story: Owens Corning	145
User Story: Barclays Bank	148
User Story: General Motors (GM)	151
User Story: Siemens A&D	153

Part 3: ECM Collaboration Technologies

Chapter 10: Teams and Collaboration	159
Team Collaborative Applications	162
Intranets as a Collaborative Platform	165
Contextual Collaboration	174
User Story: Lockheed Martin	164
User Story: Miller Group	167
User Story: CARE International	175
User Story: M+W Zander	177

Chapter 11: Portals	179
Portal Components	183
Aggregation	186
Personalization.....	186
Integration.....	188
User Story: Krispy Kreme.....	182
User Story: Alte Leipziger.....	185
User Story: St. John’s Hospital.....	187
User Story: U.S. Army	189
Chapter 12: Rich Media and Digital Asset Management (DAM)	193
The Emergence of Rich Content	195
Rich Media Content as Business Assets	197
Digital Asset Management.....	198
User Story: Electronic Arts (EA).....	201
User Story: General Motors (GM)	203
User Story: Whirlpool	205
User Story: Time Warner	209
Chapter 13: Messaging and Email Management	211
The Components of Messaging	214
The Unmanaged Messaging Environment.....	214
Improving the Managed Messaging Environment	217
User Story: Alaska Airlines.....	218
User Story: The Open University.....	220
User Story: Standard Radio	223
User Story: School Board of Broward County.....	225

Part 4: ECM Solutions and Implementation

Chapter 14: Workflow and Business Process Management (BPM)	229
From BPR to BPM	235
From Documents to Processes	236
Bringing Together People, Process and Content	239
The Bridge Between Assets and Advantage	242
User Story: Shenandoah Life	233
User Story: Genzyme	238
User Story: U.S. Air Force	240
User Story: Shell	243
 Chapter 15: Enterprise Adoption	 247
Enterprise Deployments by Early Adopters of ECM	250
ECM Enterprise Architecture	259
Scaling to the Enterprise	260
User Story: Siemens	251
User Story: Motorola	262
User Story: European Investment Bank (EIB)	265
User Story: Sprint	269
User Story: Unilever	270
 Chapter 16: ECM and the Future	 271
Future Trends	274
A Better Way to Work	277

User Stories

Air Liquide	35
Airbus	15
Alaska Airlines	218
Alte Leipziger	185
Audi	85
Barclays Bank	148
BMW	124
British Council	127
