

Contents

Editor's Preface	xi
I. <i>On the Nature of Hypnosis</i>	1
1. Initial experiments investigating the nature of hypnosis	3
2. Further experimental investigation of hypnosis: Hypnotic and nonhypnotic realities	18
3. A special inquiry with Aldous Huxley into the nature and character of various states of consciousness	83
4. Autohypnotic experiences of Milton H. Erickson (written with E. L. Rossi)	108
II. <i>Approaches to Trance Induction</i>	133
5. Historical note on the hand levitation and other ideomotor techniques	135
6. Deep hypnosis and its induction	139
7. Naturalistic techniques of hypnosis	168
8. Further clinical techniques of hypnosis: utilization techniques	177
9. A transcript of a trance induction with commentary (written with J. Haley and J. H. Weakland)	206
10. The confusion technique in hypnosis	258
11. The dynamics of visualization, levitation and confusion in trance induction	292
12. Another example of confusion in trance induction	297
13. An hypnotic technique for resistant patients: The patient, the technique, and its rationale and field experiments	299
14. Pantomime techniques in hypnosis and the implications	331
15. The "surprise" and "my-friend-John" techniques of hypnosis: Minimal cues and natural field experimentation	340
16. Respiratory rhythm in trance induction: The role of minimal sensory cues in normal and trance behavior	360
17. An indirect induction of trance: Simulation and the role of indirect suggestion and minimal cues	366
18. Notes on minimal cues in vocal dynamics and memory	373
III. <i>On the Nature of Suggestion</i>	379
19. Concerning the nature and character of posthypnotic behavior (written with E.M. Erickson)	381
20. Varieties of double bind (written with E. L. Rossi)	412
21. Two-level communication and the microdynamics of trance and suggestion (written with E. L. Rossi)	430
22. The indirect forms of suggestion (written with E. L. Rossi)	452

23. Indirect forms of suggestion in hand levitation (written with E. L. Rossi)	478
IV. <i>On the Possible Dangers of Hypnosis</i>	491
24. Possible detrimental effects of experimental hypnosis	493
25. An experimental investigation of the possible antisocial use of hypnosis	498
26. An instance of potentially harmful misinterpretation of hypnosis	531
27. Stage hypnotist back syndrome	533
28. Editorial	536
29. Editorial	540
Appendix 1: Contents of future volumes in this series.	543
Appendix 2: Bibliography of writings not included in this series.	553
Bibliography of Volume I	556
Subject Index	561
Name Index	569
