

# Contents

Preface ix

Acknowledgments xi

**I Approaches to Cognitive Science 1**

**1 Representation and Computation 3**

**2 Logic 23**

**3 Rules 43**

**4 Concepts 59**

**5 Analogies 77**

**6 Images 93**

**7 Connections 107**

**8 Review and Evaluation 127**

**II Challenges to Cognitive Science 137**

**9 Emotions and Consciousness 139**

**10 Physical and Social Environments 155**

**11 Dynamic Systems and Mathematical Knowledge 169**

**12 The Future of Cognitive Science 183**
