

# CONTENTS

<i>List of Contributors</i> .....	xi
<i>Preface</i> .....	xiii
<i>Acknowledgments</i> .....	xv

## Part 1. INTRODUCTION

### 1. Emotion and Behavior Theory: Current Research in Historical Perspective

DALBIR BINDRA

Introduction .....	3
The Preexperimental Period .....	4
The Experimental Study of Emotion .....	5
Emotion and Behavior Theory .....	13
Summary .....	16
References .....	18

## Part 2. GENETIC AND DEVELOPMENTAL CORRELATES

### 2. Heritability of Emotional Behavior

JAN H. BRUELL

Introduction .....	23
Heritability .....	24

Illustrative Research .....	30
Conclusions .....	33
Summary .....	34
References .....	35

### **3. Developmental Aspects of Emotional Behavior**

HARRY F. HARLOW AND MARGARET K. HARLOW

Maturation of Social-Emotional Patterns .....	37
Effects of Social Isolation .....	46
Summary and Conclusion .....	57
References .....	57

## **Part 3. NEUROCHEMICAL AND ENDOCRINE CORRELATES**

### **4. Neurochemical Aspects of Emotional Behavior**

SEYMOUR S. KETY

Localization of Biogenic Amines in the Brain .....	61
Biogenic Amines and Emotional State .....	62
Summary .....	69
References .....	69

### **5. Modification of Emotional Behavior by Intracranial Administration of Chemicals**

SEBASTIAN P. GROSSMAN

Introduction .....	73
Regional Sites of Study .....	74
Summary .....	88
References .....	89

### **6. Endocrine and Autonomic Correlates of Emotional Behavior**

JOSEPH V. BRADY

Introduction .....	95
Review of Recent Past Studies .....	96

Some Current Psychophysiological Experiments .....	98
Summary and Conclusions .....	120
References .....	122

## Part 4. NEUROPHYSIOLOGICAL CORRELATES

### 7. The Limbic Brain in Relation to the Psychoses

PAUL D. MACLEAN

Man's Cerebral Inheritance .....	130
Summary of Limbic Anatomy and Functions .....	133
Neurochemical Distinctions .....	135
Psychotic Manifestations of Limbic Dysfunction in Man .....	137
Relevant Experimental Findings .....	138
Summary .....	143
References .....	144

### 8. The Role of Nonspecific Reticulo-Thalamo-Cortical Systems in Emotion

DONALD B. LINDSLEY

Introduction: Neural Mechanisms in Emotion and Motivation .....	147
The Reticular Formation: Descending and Ascending Aspects .....	155
Effect of Blockade of Reticulo-Thalamo-Orbitofrontal Cortex System .....	169
Experiments on Vigilance, Attention, and Selective Attentiveness .....	175
Differentiation of Specific and Nonspecific Sensory Systems .....	181
Summary .....	183
References .....	184

### 9. Modulation of Emotions by Cerebral Radio Stimulation

JOSÉ M. R. DELGADO

Introduction .....	189
Theoretical Basis for the Study of Emotions .....	190
Experimental Testing .....	191
Methodology for Two-Way Communication with the Brain .....	191
Long-Term Modulation of Brain Functions .....	195
Two-Way Radiocommunication with the Human Brain .....	197
Summary .....	200
References .....	201

## Part 5. PSYCHOPHYSIOLOGICAL CORRELATES

### 10. Some Autonomic-Central Nervous System Interrelationships

JOHN I. LACEY AND BEATRICE C. LACEY

Introduction . . . . .	205
Cardiovascular System: A Negative Feedback Pathway to the Brain . . . . .	206
Experimental Evidence for the Behavioral Significance of Bradycardia and Hypotension . . . . .	210
Summary and Conclusions . . . . .	225
References . . . . .	226

### 11. The Perception and Labeling of Bodily Changes as Determinants of Emotional Behavior

STUART VALINS

Introduction . . . . .	229
A Cognitive and Physiological Approach to Emotional Behavior . . . . .	231
The Modification of Established Emotional Behavior . . . . .	235
Individual Differences in the Labeling of Bodily Perceptions . . . . .	239
Summary . . . . .	241
References . . . . .	242

### 12. Conditioned Emotional States

LYNN J. HAMMOND

Introduction . . . . .	245
CES: Mowrer's Approach . . . . .	246
CES: Rescorla and Solomon . . . . .	249
Relationship to Incentive . . . . .	253
Physiological Correlates . . . . .	254
Summary . . . . .	258
References . . . . .	258

### 13. Brain Function in Emotion: A Phenomenological Analysis

MAGDA B. ARNOLD

Theoretical Considerations . . . . .	261
Neural Mediation . . . . .	264

Problems of Experimental Verification .....	272
Experiments on "Affective Memory" .....	275
Summary .....	283
References .....	284
<i>Author Index</i> .....	287
<i>Subject Index</i> .....	295
