Part I Methodology, Theory, and Context in **Public Policy Research** 1 Chapter 1 Introduction: Why Study Public Policy? 2 Overview of the Book 2 Public Policy Defined 4 Methodological Implications for Studying Public Policy 7 The Policy Cycle Framework: An Applied Problem-Solving Model of the Policy Process 10 Structure of the Book 14 Study Questions 15 Further Readings 16

Chapter 2 Understanding Public Policy: Theoretical Approaches 17

Evolution of the Policy Sciences 17 Approaches to Public Policy Analysis: Positivism and Post-Positivism 20 Approaches to Public Policy Studies: Multi-Level, Multi-Disciplinary 31 Conclusion 48 Study Questions 49 Further Readings 49

## Chapter 3 The Policy Context 50

Introduction: Institutions, Ideas, and Actors 50 The Political-Economic Context 52 Policy-Making in the Liberal-Democratic Capitalist State 57 The International System and Public Policy 75 Policy Subsystems and Policy Regimes: Integrating Institutions, Ideas, and Actors 81 Conclusion 87 Study Questions 88 Further Readings 88

## Part II The Five Stages of the Policy Cycle 91

## Chapter 4 Agenda-Setting 92

The Objective Construction of Policy Problems: The Role of Social Conditions and Structures 93 The Subjective Construction of Policy Problems: The Role of Policy Actors and Paradigms 96 Combining Ideas, Actors, and Structures in Multi-Variable Models of Agenda-Setting 99 Modes of Agenda-Setting 101 Linking Agenda-Setting Modes to Content: Policy Windows and Policy Monopolies 103 Conclusion: Revisiting Agenda-Setting Modes through a Policy Subsystem Lens 107 Study Questions 108 Further Readings 108

Chapter 5	Policy Formulation: Policy Instruments and Policy Design 110
	What Is Policy Formulation? 110
	The Phases of Policy Formulation 111
	The General Content of Policy Formulation 112
	The Substance of Policy Formulation: Policy Instruments 114
	Common Policy Tools by Category 117
	The Nature of Policy Alternatives 135
	Conclusion: Understanding Policy Formulation Styles as a Function of Policy Regimes 137
	Study Questions 138
	Further Readings 138
Chapter 6	Public Policy Decision-Making 139
	Actors in the Decision-Making Process 140

Choices: Negative, Positive, and Non-Decisions 141
Early Models of Decision-Making: Rationalism and Incrementalism 142
Efforts to Move beyond Rationalism and Incrementalism 149
Conclusion: Revisiting Public Policy Decision-Making Modes 154
Study Questions 158
Further Readings 159
