

# Table of Contents

Preface . . . . . XII

## A. Basic Conceptual Issues

Psychophysiological and Cognitive-Clinical Perspectives on Emotion: Introduction and Overview  
Arne Öhman and Niels Birbaumer . . . . . 3

The Three-System Approach to Emotion  
Peter J. Lang . . . . . 18

Three-Systems Assessment and the Construct of Emotion  
Gregory A. Miller and Michael J. Kozak . . . . . 31

Affective Picture Processing  
Margaret M. Bradley, Mark K. Greenwald and Alfons O. Hamm . . . . . 48

## B. Organization of Emotion in Memory: Applications to Imagery, Clinical Problems and Experimental Esthetics

From Emotional Imagery to the Organization of Emotion in Memory  
Peter J. Lang . . . . . 69

Anxiety and Clinical Psychophysiology: Three Decades of Research on Three Response Systems in Three Anxiety Disorders  
Bruce N. Cuthbert and Barbara G. Melamed . . . . . 93

Pathological Anxiety: The Meaning and the Structure of Fear  
Edna B. Foa and Michael J. Kozak . . . . . 110

Imagery and Brain Processes  
N. Birbaumer, W. Lutzenberger, T. Elbert, H. Flor and B. Rockstroh . . . . . 122

The Information Processing Approach to Human Sexuality  
James H. Geer, Kevin J. Lapour, and Sheryl R. Jackson . . . . . 139

Physiology, Perceived Emotion and Memory: Responding to Film Sequences Daniela Palomba and Luciano Stegagno . . . . .	156
Prompts – Leitmotif – Emotion: Play it again, Richard Wagner! D. Vaitl, W. Vehrs and S. Sternagel . . . . .	169

### **C. Acquisition of Fear**

The Associative Network of Fear: How Does it Come About? Gudrun Sartory . . . . .	193
Affective Associations: The Conditioning Model and the Organization of Emotions Alfons O. Hamm and Dieter Vaitl . . . . .	205
Stimulus Prepotency and Fear Learning: Data and Theory Arne Öhman . . . . .	218

### **D. Emotion and Reflex Modification: Clinical Implications**

Emotion, Arousal, Valence and the Startle Reflex Peter J. Lang, Margaret M. Bradley and Bruce N. Cuthbert . . . . .	243
Reflexes as Probes for Studying Cognitive Processes Jean Requin and Michel Bonnet . . . . .	252
The Startle Probe in the Study of Emotion and Emotional Disorders Margaret M. Bradley and Scott R. Vrana . . . . .	270
Emotion-Processing in Anhedonia Robert F. Simons, Lee Fitzgibbons and Evelyn Fiorito . . . . .	288
Subject Index . . . . .	307
List of Contributors . . . . .	311
