Preface xii

PART I BASIC ISSUES FOR MOTIVATION

- 1 The Nature of Motivation Theory 1
- Introduction 2
 - Mind and Body: One or Two? 3
 - Freedom of Choice: Illusion or Reality 7
 - Philosophy and Language of Science 9
 - Scientific Theory 13
 - Objectivity, Explanation, and Causation 15
 - Definition of Motivation 17
 - Summary 26
- 2 Emotional Foundations of Motivation 28
- Some Historical Background 29
 - The Study of Emotion 34
 - Contemporary Theories of Emotion 37

Relation of Emotion and Motivation 54
Summary 55

PART II BIOLOGICAL ANALYSES OF MOTIVATION

3 Instinct and Species Specific Behavior 57

Introductory Examples 58
The Problems of Instinct Theory 60
The Ethological Approach 64
The Evolution of Behavior 68
Stimulus Control of Species Specific Behavior 75
Summary 79

4 Physiology of Some Consummatory Behaviors 81

Background 82
Central Motive State 82
Hunger 84
Thirst 97
Taste 103
Electrical Stimulation of the Brain (ESB): Reward and Punishment 105
Summary 112

5 Drive Theory: Foundations and Development 114

Background of Drive Theory 115
Hull's Theory 117
Drive Stimulus Theory 131
Summary 141

6 Activation and Arousal 143

Activation Theories and Evidence 144
Arousal and Performance 155
Environment and Arousal 157
Creative Thinking: Humor and Aesthetics 159
Sleep and Arousal 163
Summary 168

PART III BEHAVIOR THEORY ANALYSES OF MOTIVATION

- 7 Rewards as Reinforcers 170**
- The Concept of Reinforcement 171
 - Response Theories 172
 - Motivational Theories 175
 - Stimulus Theories 178
 - Secondary Reinforcement 183
 - Interaction of Extrinsic Rewards with Intrinsic Motivation 186
 - Summary 188
- 8 Rewards as Incentive 190**
- The Concept of Incentive 191
 - Response Theories for Incentive Motivation 196
 - Central Theories for Incentive Motivation 203
 - Summary 216
- 9 Aversive Stimulation: 1. Escape, Fear,
and Frustration 218**
- Instrumental Escape Learning 219
 - Condition Aversion: Fear 222
 - Frustration 231
 - Summary 238
- 10 Aversive Stimulation: 2. Avoidance
and Punishment 240**
- Avoidance Conditioning 241
 - Punishment (Passive Avoidance) 251
 - Further Punishment Phenomena 260
 - Summary 263
- 11 Conflict, Stress, and Anxiety 265**
- Conflict 266
 - Stress 272
 - Anxiety 283
 - Summary 285

PART IV SOCIAL-COGNITIVE ANALYSES OF MOTIVATION

- 12 Coping and Cognitive Consistency 287**
- Coping 288
 - Cognitive Consistency 297
 - Summary 310
- 13 Aggression and Altruism 312**
- What is Aggression? 313
 - The Problem of Defining Aggression 313
 - Animal Aggression 314
 - Human Aggression 317
 - Stimulus-Aroused Human Aggression 318
 - Instrumental Human Aggression 322
 - Control of Aggression 327
 - Altruism 331
 - Summary 337
- 14 Achievement Motivation, Attribution,
and Power 339**
- Achievement Motivation 340
 - Attribution Theory and Motivation 354
 - Power 370
 - Summary 374
- 15 Job Motivation and Job Satisfaction 376**
- Orientation to Job Motivation 377
 - Basic Viewpoints 377
 - Theories of Motivation and Job Behavior 379
 - Job Satisfaction 387
 - Summary 397

16 Interpersonal Attraction and Human
Sexuality 399

Some Distinctions: Affiliation, Liking, and Loving 400

Affiliation 400

Attraction 404

Theories of Interpersonal Attraction 406

Liking and Loving 411

Human Sexuality 415

An Approach to Studying Sex 419

Obscenity and the Law 423

Summary 424
