## Preface

## PART I HISTORICAL PERSPECTIVE

### 1. Personality and Cognition: Something Borrowed, Something New? 3

*Walter Mischel*

Searching for Traits 3

Limitations of the Classical Approach 5

The Psychodynamic Search for Underlying  
Dispositions 7

Contemporary Cognitive Social-Learning  
Approaches 9

Cognitive Economics 13

The Return of the Self and Personal  
Constructs 16

Personality, Cognition, and Social  
Interaction 17

References 17

## PART II COGNITIVE PROCESSES IN PERSONALITY

### 2. A Cognitive-Social Approach to Personality 23

*Nancy Cantor*

Figure-Ground Model of Social Behavior 24

Cognitive Structure 26

Social Stimuli in the Interaction Setting 32

Cognitive Processes 33

References 42

### 3. **Goals and Schemata in Person Perception: Making Sense From the Stream of Behavior** 45

*Claudia E. Cohen*

Observational Goals in Person Perception 45

A Person Perception Framework 48

Observational Goals and Encoding the Stream of Behavior 51

Observational Goals, Storage and Retrieval of Behavioral Information 54

A Person Perception Framework: Some Implications and Speculations 60

Observational Goals, Social Interaction and Personality 62

Summary 65

References 65

### 4. **Accessibility of Social Constructs: Information-Processing Consequences of Individual and Contextual Variability** 69

*E. Tory Higgins and Gillian King*

Introduction 70

A Preliminary Model of Construct Accessibility 71

Consequences of Contextual Variability in Construct Accessibility 83

Consequences of Individual Variability in Construct Accessibility 105

General Discussion 110

References 115

### 5. **On Personality and Memory** 123

*John F. Kihlstrom*

On Personality and Memory 123

A Perspective on Personality and Memory 124

Approaches to the Study of Personality and Memory 128

Some Questions About Personality and Memory 140

References 143

**PART III SOCIAL JUDGMENT****6. Social Stereotypes and Social Judgment 153**  
*Eugene Borgida, Anne Locksley, and Nancy Brekke*

Summary	166
References	167

**7. Involvement, Expertise, and Schema Use:  
Evidence from Political Cognition 171**  
*Susan T. Fiske and Donald R. Kinder*

Schema-Based Information Processing: Definitions, Principles, and Illustrations	172
Schematic Understanding of Politics	176
Involvement and Political Cognition	182
Implications	185
References	187

**PART IV THE SELF: STRUCTURE AND PROCESS****8. A Model of the Self as an Aspect of the Human  
Information Processing System 193**  
*T. B. Rogers*

A Cognitive View of the Self	194
Processes Involving Accessing the Self: Some Possible Models	200
Some Concluding Remarks	210
References	211

**9. The Self as a Cognitive Prototype: An  
Application to Person Perception and  
Depression 215**  
*Nicholas A. Kuiper and Paul A. Derry*

Person Perception and Self-Involvement	217
Psychopathology and a Cognitive Model of Self	222
Concluding Remarks	228
References	229

**10. The Influence of Self-Schema on the Perception of Others 233**

*Hazel Markus and Jeanne Smith*

Introduction	233
Background	236
A Cognitive View of the Self	240
Empirical Evidence	247
Discussion and Conclusions	256
References	259

**11. Considerations for a Theory of Self-Inference Processes 263**

*Anne Locksley and Michael Lenauer*

References	275
------------	-----

**PART V PERSONALITY IN SOCIAL INTERACTION**

**12. Toward an Interaction-Centered Theory of Personality 281**

*Michael Athay and John M. Darley*

Introduction	281
The Strategic Structure of Ordinary Interaction	283
Personality Dispositions as Interaction	
Competencies	298
References	307

**13. On the Influence of Individuals on Situations 309**

*Mark Snyder*

Investigating the Impact of Individuals on their Situations	310
Understanding Individuals in Terms of their Situations	313
Strategies for Assessment: Individuals and Situations	317
Strategies for Research: Charting the Structure of Social Worlds	320
Conclusions	323
References	327

**PART VI DISCUSSION**

- 14. General Discussion of Issues: Relationships  
Between Cognitive Psychology and the Psychology  
of Personality 333**

*Sam Glucksberg*

- 15. Cognition and Personality 339**

*Michael I. Posner*

**Author Index 349**

**Subject Index 359**
