

CONTENTS

PART I. EMERGING THEORIES OF HUMAN AGGRESSION

Chapter 1

Theories of Aggression: From Drives to Cognitions	3
---	---

Leonard D. Eron

Frustration and Aggression	3
Social Learning Theory	4
Longitudinal Data	5
Social Cognitive Theory	7
Conclusions	9

Chapter 2

Moral Cognition and Childhood Aggression	13
--	----

Nancy G. Guerra, Larry Nucci, and L. Rowell Huesmann

The Role of Cognition in Children's Aggressive Behavior	14
The Relation between Moral Development and Children's Aggressive Behavior	19
The Domain Model of the Development of Social Reasoning	21
An Integrative Model of the Relation between Moral Cognition and Aggression	25

Contextualized Judgments and Aggressive Behavior	26
Summary	29

Chapter 3

Is Something Missing? Some Observations Prompted by the Cognitive–Neoassociationist View of Anger and Emotional Aggression	35
--	----

Leonard Berkowitz

Findings Usually Left Unexplained	36
The Conventional Account	36
Neglected Observations	37
Why the Neglect of These Findings?	40
An Integrating Perspective: The Cognitive- Neoassociationistic Approach	41
Negative Affect-Anger/Aggression Associations	42
Self-Regulation of the Affect-Activated Syndrome	50
Construction of the More Elaborate Emotional Experience	52
Conclusion	54

PART II. PEERS, SEX ROLES, AND AGGRESSION

Chapter 4

Peer Adaptations in the Development of Antisocial Behavior: A Confluence Model	61
---	----

Thomas J. Dishion, Gerald R. Patterson, and Pamela C. Griesler

Introduction	61
Overview	61
The Coercion Model	63
Peer Confluence	63
Peer Reactions	64
Peer Selection	66
Friendship Interaction	68
Summary	69

Methods	70
Sample	70
Subsample Selection	71
Construct Development	71
Child Antisocial at Ages 10, 12, 14	72
Antisocial Trajectories	72
Results	73
Coercion Hypothesis	73
Deviancy Training	76
Parallel Continuity	77
Conclusions and Implications	82
Friendship and Deviancy	82
Applied Implications	84
Appendix: Scoring and Scaling Procedures	86
Sociometric Status (Age 10)	86
Social Preference at Age 14	86
Peer Antisocial Behavior at Age 10	87
Peer Antisocial Behavior at Age 14	87
Peer Interaction Task	88
Delinquent Talk at Age 14	90

Chapter 5

Bullying at School: Long-Term Outcomes for the Victims and an Effective School-Based Intervention Program	97
---	----

Dan Olweus

Introduction	97
A Definition of Bullying	98
Prevalence of Bullying	99
Characteristics of Typical Victims and Bullies	99
Study 1: Long-Term Outcomes of Bullying by Peers in School	101
Methodology	101
Results and Discussion	103
Summary of Study 1 and Major Implications	109
Study 2: Effects of a School-Based Intervention Program Against Bullying	113
Subjects and Design	115
Statistical Analyses	115

Results	116
Quality of Data and Possible Alternative Interpretations	119
Brief Comments	121
Basic Principles	121
Some Possible Reasons for Program Effectiveness	123
Conclusion	127
 <i>Chapter 6</i>	
Indirect Aggression in Boys and Girls	131
<i>Kirsti M.J. Lagerspetz and Kaj Björkqvist</i>	
Introduction	131
Research on Aggression in Females	131
Indirect Aggression	133
Friendship Patterns	135
An Investigation of Indirect Aggression among Girls	135
Results	137
The Questionnaires and the Interviews	137
Summed Variables of Direct and Indirect Aggression	139
Discussion	146
 PART III. ENVIRONMENTAL INSTIGATION AND MITIGATION OF AGGRESSION	
 <i>Chapter 7</i>	
Long-Term Effects of Repeated Exposure to Media Violence in Childhood	153
<i>L. Rowell Huesmann and Laurie S. Miller</i>	
Introduction	153
Aggressive Behavior	155
Multiple Causes and Early Onset	155
The Socialization Process for Children	158
Cognitive Processes and the Learning of Aggression	159
Script Theory and Learning from Media Violence	161

Experimental Studies of TV Violence and Aggression	162
Static Observational Studies of TV Violence and Aggression	163
Longitudinal Observational Studies of TV Violence	164
The 10- and 22-Year New York State Studies	166
A Cross-National Longitudinal Study	170
A Netherlands Study	176
An NBC Study	177
A South African Study	179
Meta-Analytic Reviews	180
Summary	180

Chapter 8

Risk and Resource Variables in Children's Aggressive Behavior: A Two-Year Longitudinal Study	187
---	-----

Eric F. Dubow and Graham J. Reid

Introduction	187
Risk Factors and Aggression	188
Resource Variables and Aggression	189
Method	192
Subjects	192
Procedures	193
Measures	193
Results	197
Relation between Specific Risk for Aggression Index and Later Aggression	197
Cross-Sectional Correlations among Risk, Resource, and Aggression Variables	199
Correlations of Time 1 Risk and Resource Variables with Time 2 Aggression	199
Hierarchical Regressions: Time 1 and Time 2 Risk and Resource Variables as Predictors of Aggression	201
Discussion	203
Risk Factors for Aggression	203
Resource Variables: Compensatory and Protective Effects of Social Support and Social Problem-Solving Skills	205
Limitations and Conclusions	207

PART IV. DEVELOPMENT OF ADULT AGGRESSION

Chapter 9

Childhood, Adolescent, and Adult Features of Violent Males . . .	215
--	-----

David P. Farrington

Introduction	215
The Cambridge Study	218
Previous Analyses of Aggression and Violence	220
AFG: Aggressive Frequent Group Fighters	220
Measures of Violence	222
Soccer Hooligans	222
Spouse Assaulters	222
Case Histories of Soccer Hooliganism	223
Predictors of Violence	226
Correlates of Violence	230
Independent Explanatory Predictors	234
Conclusions	236

Chapter 10

Aggression in Two Generations	241
---	-----

Joan McCord

Introduction	241
Person-Environment Interactions	242
Two Hypotheses	243
Method	244
Results	246
Discussion	247

PART V. GROUP AGGRESSION IN ADOLESCENTS AND ADULTS

Chapter 11

Delinquent Gangs	255
----------------------------	-----

Arnold P. Goldstein

What is a Gang?	255
Delinquent Gang Theory	257

Strain Theory	258
Subcultural Theory	258
Control Theory	258
Labeling Theory	259
Radical Theory	259
Current Gang Demographics	259
Interventions	262
Detached Workers	262
Opportunities Provision	265
Opportunity Withdrawal and the Rise of Deterrence/Incarceration	266
Comprehensive Programming	267
Summary	270
 <i>Chapter 12</i>	
Nationalism, Patriotism, and Aggression: A Clarification of Functional Differences	275
 <i>Seymour Feshbach</i>	
Introduction	275
Wars and Aggression	276
Individual Differences in Support for War	277
Patriotism and Nationalism	278
Militant Music, Patriotism, and Nationalism	281
Methods	284
Results	284
Discussion and Conclusions	288
 <i>Index</i>	 289
