

CONTENTS

I. INTRODUCTION

1. The Person–Environment Duet 3

II. PHYSICAL ECOLOGY

2. Microlevel: The Site 15
- The Home 15
 - The Street 20
 - The Bar 23
 - The Car 26
 - The Store 31
 - The School 34
 - Aggression toward Persons 34
 - Aggression toward Property 36
 - Causes and Correlates 37
3. Mesolevel: The Neighborhood 41
- Taxonomies of Neighborhood 42
 - Neighborhood Social Ecology 44
 - Neighborhood Physical Ecology 45
 - Incivilities 46
 - Density 48

| | |
|--|-----|
| Neighborhood as Criminal Opportunity | 53 |
| Routine Activity Theory | 53 |
| The Journey to Crime | 56 |
| Neighborhood as Support Network | 57 |
| Social Networks | 58 |
| Network Characteristics | 58 |
| Social Support | 60 |
| | |
| 4. Macrolevel: The Region | 65 |
| Regional Comparisons | 65 |
| National Comparisons | 70 |
| A Historical Perspective | 72 |
| Internation Comparisons | 75 |
| City Comparisons | 77 |
| Temperature | 79 |
| | |
| III. SOCIAL ECOLOGY | |
| | |
| 5. Microlevel: The Victim | 85 |
| Child Abuse | 87 |
| Demographic Characteristics | 88 |
| Physical Characteristics | 89 |
| Behavioral Characteristics | 90 |
| Rape | 91 |
| Assault and Murder | 93 |
| Other Contributory Victimizations | 96 |
| | |
| 6. Mesolevel: The Group | 97 |
| Realistic-Group-Conflict Theory | 97 |
| Social Identity Theory | 101 |
| Information Processing | 105 |
| | |
| 7. Macrolevel: The Mob | 109 |
| Theories of Mob Behavior | 110 |
| Contagion Theory | 110 |
| Convergence Theory | 111 |

| | |
|------------------------------|-----|
| Emergent-Norm Theory | 112 |
| Deindividuation Theory | 113 |
| Sociocultural Theories | 114 |

IV. INTERVENTION

| | |
|--|-----|
| 8. Physical Ecological Intervention: Environmental Design | 121 |
| 9. Social Ecological Intervention: Interpersonal Contact | 131 |
| Introduction | 131 |
| Facilitative and Inhibitory Conditions of Contact | 133 |
| Equal Status | 133 |
| Casual versus Intimate Contact | 134 |
| Multiple Contacts | 135 |
| Institutional Support | 135 |
| Cooperative Contact | 136 |
| Individual Characteristics | 137 |
| A Case History: Contact plus Facilitative Conditions | 139 |
| Generalization of Contact-Induced Change | 140 |

V. CONCLUSION

| | |
|--|-----|
| 10. Future Directions | 147 |
| Prediction of Crime and Aggression | 147 |
| Audience Effects | 149 |
| Other Ecological Antecedents | 150 |
| References | 153 |
| Index | 187 |
