Chapter	
1 Introduction	1
2 Control	8
Control of Space/Territoriality	9
Enclosures	11
Partitions	11
Objects	12
Shape	12
Elevation	12
Light, Color, and Pattern	13
Control of the Ambient Environment	13
Indoor Climate	14
Sound	16
Lighting	17
Furnishings	19
Soft Architecture	19
Underdesigned Space	20
Activities	22
3 Privacy	26
Control of Information about the Self	26
Visual Output	27
Acoustic Output	31
Interference with Activities	35
Visual Distractions	35
Noise	36
Behavioral Planning	37
Signs, Signals, and Symbols	38
Social Withdrawal	39
Physical Separation	40
Psychological Separation	42
Privacy Regulation	44
Functional Separation	45

	Multifunctional Space	45
	A Mix of Separation and Connection	46
4	Identity	47
	Attachment	47
	Distinctiveness	47
	Participation	50
	Self-Definition	53
	Personalization	53
	Opportunities for Privacy	60
	Self-Evaluation	60
	Design Quality	61
	Territoriality	62
	Privacy	62
	Environmental Control	62
5	Security	66
	Nurturance	66
	Family/Child-Oriented Environments	66
	Feeling of Enclosure	71
	Comfortable Furniture	72
	Warmth	72
	Color	73
	Personalization	73
	Permanence	74
	Association with the Past	74
	Substance	76
	Symbols of Home	77
	Safety	77
	Safety Features	77
	Crime-Proofing	79
6	Order	81
	Perceptual Organization	81
	Grouping	82
	Balance	84
	Clarity	85
	Household Maintenance	88
	Cleanliness	88
	Orderly Use of Space	89

	Organization of Activities	93
	Territoriality	93
	Surface Space	94
	Storage and Access	95
	Displays	96
	Privacy	96
	Other Environmental Conditions	97
7	Variety	98
	Stimulation Seeking	99
	Environmental Stimulation	99
	Learning	110
	Creative Thought	111
	Stimulation Reducing	114
	Minimal External Stimulation	114
	Relaxation	115
	Congruence Between Tasks, Exteriors, and Interiors	117
8	Aesthetics	120
	Sensory Experience	121
	Meaning	122
	Stimulus Properties	126
	Distance versus Engagement	128
9	Choice	130
	Behavioral Diversity	130
	Territoriality	132
	Furnishings for Functional Differentiation and Flexibility	133
	Designs for Primary and Secondary Purposes	134
	Usable Space	136
	Alternative Areas	137
	Creative Solutions	137
	Freedom	139
	Spaciousness	139
	Open-Plan Design	141
	High Places	142
	Contact with Nature	143
10	Sociability	145

Family Cohesiveness	145
Family Gathering Areas	146
Preferred Environmental Characteristics	146
Guests	153
Friends of Individual Family Members	154
Group Gatherings	155
Epilogue	162
Bibliography	165
