

List of Tables and Figures

Tables

	Page
1. Coordinates of the Basic Data Relations Matrix	10
2. Equations for Estimating Variance Components in $P \times S \times R \times T$ Designs	26
3. Formula for Generalizability Coefficients in $P \times S \times R \times T$	31

Figures

1. Six Matrices and Transposes of $P \times S \times R \times T$	35
2. Varieties of Consistency	64
