

# Contents

<i>Preface</i> .....	v
<b>PART ONE: PSYCHOBIOLOGICAL AND ETHOLOGICAL APPROACHES TO NONVERBAL BEHAVIOR</b> .....	1
<b>Chapter One: Ethological Approaches to Nonverbal Communication</b> .....	3
<i>Linda A. Camras</i>	
General Characteristics of the Ethological Approach .....	3
A Representative Review of Facial Expression Studies .....	5
Facial Expressions Used by Children in Conflict Situations .....	9
Conclusion .....	22
<b>Chapter Two: Spontaneous and Symbolic Nonverbal Behavior and the Ontogeny of Communication</b> .....	29
<i>Ross Buck</i>	
The Problem of Intention .....	30
Defining Spontaneous and Symbolic Communication .....	33
Signs versus Symbols .....	35
A Model of Spontaneous vs. Symbolic Communication .....	38
Cerebral Lateralization and Communication .....	41
A Typology of Voluntary Communication .....	46
Implications for the Ontogeny of Emotion Expression .....	48
Summary .....	56
<b>Chapter Three: Watching the Sands Shift: Conceptualizing Development of Nonverbal Mastery</b> .....	63
<i>Gail Zivin</i>	
The Concept of Display .....	65
The Plus and Minus Faces: Basic Data and Early Assumptions .....	67
Types of Hard and Soft Signals .....	71
The Plus and Minus Faces: Uncovering Signal Complexity and Developmental Discontinuities.....	79
Conclusion .....	92

<b>PART TWO: SOCIAL DEVELOPMENTAL APPROACHES TO NONVERBAL BEHAVIOR</b> .....	99
<b>Chapter Four: The Development of Control over Affective Expression in Nonverbal Behavior</b> .....	101
<i>William A. Shennum and Daphne B. Bugental</i>	
Adult Self-Management of Affective Expression .....	102
Child Self-Management of Affective Expression .....	104
The Present Study .....	105
Method .....	107
Results and Discussion .....	109
Expressive Control of Negative Affect .....	109
Expressive Control of Positive Affect .....	113
Sex Differences in Expressive Control .....	116
Mediators of Expressive Control Development .....	116
Summary and Conclusions .....	118
<b>Chapter Five: Social and Affective Functions of Nonverbal Behavior: Developmental Concerns</b> .....	123
<i>Carolyn Saarni</i>	
Introduction .....	123
Report and Command in Nonverbal Behavior .....	127
Display Rules and Dissimulation in Expressive Behavior .....	134
Forms of Dissimulation .....	137
Research on Display Rule Acquisition .....	138
Conclusion .....	143
<b>PART THREE: COGNITIVE DEVELOPMENT AND ENCODING AND DECODING SKILL APPROACHES TO NONVERBAL BEHAVIOR</b> .....	149
<b>Chapter Six: Age Changes in Deceiving and Detecting Deceit</b> .....	151
<i>Bella M. DePaulo and Audrey Jordan</i>	
Lies Told to Children .....	151
Children's Evaluations of Deception .....	152
Children's Detection of Deception from Facial Expressions .....	155
Adding Words: Children's Detection of Deception from Verbal and Nonverbal Cues .....	157
Lies That Children Tell .....	164
Lie-Telling Skills .....	167
Children's Use of Nonverbal Cues in Deceiving: Previous Research .....	171
Personal and Interpersonal Consequences of Skill at Deceit .....	174
Summary .....	177
<b>Chapter Seven: Children's Nonverbal Encoding and Decoding of Affect</b> .....	181
<i>Nancy Lee Morency and Robert M. Krauss</i>	
Experimental Methodology and Findings .....	185
Implications .....	193
Future Work .....	197

<b>PART FOUR: DISCREPANT COMMUNICATION APPROACHES TO NONVERBAL BEHAVIOR</b> .....	201
<b>Chapter Eight: Developing Strategies for Decoding "Leaky" Messages: On Learning How and When to Decode Discrepant and Consistent Social Communications</b> .....	203
<i>Peter D. Blanck and Robert Rosenthal</i>	
Introduction .....	203
Learning How to Decode Discrepant Social Messages .....	204
Learning When to Decode Discrepant Social Messages .....	208
Measuring the Development of Sensitivity to Discrepant and Consistent Verbal and Nonverbal Social Messages:	
The MOVANS Test .....	212
Conclusion .....	224
<b>Chapter Nine: Responses to Consistent and Discrepant Social Communications</b> .....	231
<i>Fred R. Volkmar and Alberta E. Siegel</i>	
Two Experiments .....	235
An Experiment with Adults .....	247
Discussion .....	248
Summary .....	252
<b>PART FIVE: PERSONALITY DEVELOPMENT AND INDIVIDUAL DIFFERENCE APPROACHES TO NONVERBAL BEHAVIOR</b> .....	257
<b>Chapter Ten: Social Skills and Nonverbal Behavior</b> .....	259
<i>Robert S. Feldman, John B. White, and Debra Lobato</i>	
Introduction .....	259
Children's Encoding and Decoding Ability and Role-Taking Skills .....	261
Encoding and Decoding in Normal and Emotionally Disturbed Adolescents .....	270
Summary and Conclusions .....	274
<b>Chapter Eleven: Individual Differences in the Expressivity of Neonates and Young Infants</b> .....	279
<i>Tiffany Field</i>	
Evidence for Early Individual Differences .....	279
A Study on Neonatal Differences in Facial Expressivity .....	283
A Study on Differences in Expressivity Among Young Infants .....	292
The Significance of Detecting Early Individual Differences in Expressivity .....	295
<b>Author Index</b> .....	299
<b>Subject Index</b> .....	307
