PART I Children in a Changing World 2

1 Children and Social Change 4

- Why Study Children? 6
- A Brief History of Child Development 6
 - The Influence of Locke, Rousseau, and Darwin 6
 - Early Observational Studies: Baby Biographies 8
 - G. Stanley Hall and Early Experimental Studies 8
- Why Focus on Social Policy? 9
 - Development of Interest in Social Policy 9
 - Childhood Social Indicators 10
- Growing Up in the 1990s 12
 - Changes in Family Life 12
- A Closer Look:
 - Not All Poor Families Are Alike 17

Changes in Demography 23

□ Feature:

Societal Changes in Other Countries 24

Learning from Other Cultures:

Chinese Population Policies in China 26

Technological Advances 29

From Problem to Solution: Addressing Children's Needs 32

Family Support Programs 32

The Role of Government 34

The Role of Business and Industry 36

The School of the 21st Century 37

The Role of Advocates 38

Summary 39

2 The Study of Child Development

40

The Goal of Child Development Research 42

□ A Closer Look:

The Concept of Childhood 42

Historical Highlights 44

The Testing Movement 44

The Increased Popularity of Child Study 45

Theories of Child Development 47

What Is a Theory? 47

The Psychoanalytic Theory 48

The Psychosocial Theory 50

The Learning Theories 52

Theories of Cognitive Development 55

□ A Closer Look:

Lev Vygotsky 56

Sources of Ideas and Evidence 58

The Cross-Cultural Approach 58

The Behavioral-Genetic Approach 61

The Comparative Approach 61

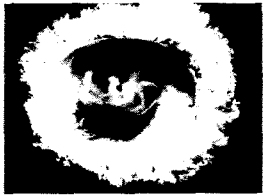

The Ethological Approach 62

The Ecological Approach 63

Dimensions of Child Development Research 63

Research Evidence versus Personal Knowledge 63

Types of Research	64
Methods for Research with Children	64
Ethical Considerations	70
The Application of Research to Practice	71
Summary	72

PART II

The Beginning of Life

74

3 Our Biological Heritage

76

Gene/Environment Transactions	78
Canalization	80
Transmission of Genetic Information	81
Complex Gene Activity	84
Genes and Chromosomes	85
The Beginning of Life and Cell Division	87
Genetic Variability	89
Sex Chromosomes	90
Do You Know Your Genes?	95
☐ A Closer Look:	
The Human Genome Project	95
Discussion of Social Issues:	
Detecting Genetic Disorders and Genetic Engineering	98
Heredity and Behavior	102
Methods of Studying Heredity and Behavior	102
☐ A Closer Look:	
Alcoholism Is Linked to Genetic Abnormality	102
Heredity and Intelligence	105
Inheritance of Personality Traits	109

A Closer Look:
Mental Disorders: A Genetic Link 110
Summary 112

4 Prenatal Development and Birth

114

Prenatal Development 116
Conception 116

A Closer Look:
Infertility 117
Stages of Prenatal Development 118
Sensory Capabilities 124
Environmental Influences 124

A Closer Look:
Learning in the Womb 124
Influence of Teratogens 127

A Closer Look:
Crack Babies 130

Feature:
The Father's Role in Birth Defects 132
Legal Implications: Protecting the Fetus 135
Diseases of the Mother 136
The Mother's Age 137
Genetic Problems: Rh Factor 137
The Mother's Emotions 138
Nutrition 138

Discussion of Social Issues:
Poverty, Pregnancy, and Child Development 140
The WIC Program 141

Birth 143
The Birth Process 143
Evaluating the Newborn 144
Birthing Options 144
Risks to Infants During Delivery 146

Prematurity and Low Birth Weight 147
Mothers of Premature Infants 148
Fathers of Premature Infants 148
Early Intervention Programs 149

Social Aspects of Pregnancy and Birth	150
Attitudes Toward Pregnancy and Childrearing	151
Learning from Other Cultures:	
The Desire to Have Children	151
Learning to Be Parents	153
Summary	155

PART III

Infancy

156

5 Physical Development During Infancy

158

The Newborn	160
Characteristics of the Newborn	161
Appearance	162
Individuality	162
<input type="checkbox"/> A Closer Look:	
Sudden Infant Death Syndrome	168
Dependence and Competence	169
<input type="checkbox"/> A Closer Look:	
Breast-Feeding	172
<input type="checkbox"/> Feature:	
Understanding Colic	176
Sensory and Perceptual Capabilities	178
Hearing	179
Vision	180
Touch, Smell, and Taste	183
<input type="checkbox"/> Feature:	
A Quest for Superbabies	184
Interconnectedness Among the Senses	185
Physical Growth and Motor Development	186
Physical Growth	186

The Brain	189
Discussion of Social Issues:	
Babies with AIDS	191
Motor Development	192
The Role of Maturation and the Environment	194
Learning from Other Cultures:	
Motor Development and Childrearing Practices	195
Atypical Development	196
The Birth of Severely Disabled Infants	196
Identifying the Disabled Infant	198
Early Intervention Programs	202
Summary	203

6 Cognitive and Language Development During Infancy

204

Cognitive Development	206
Learning in Early Life	206
□ A Closer Look:	
Learning Through Imitation	208
Memory	209
Forming Categories	211
Approaches to Studying Cognitive Development	213
The Information-Processing Approach	214
The Piagetian Approach	215
□ A Closer Look:	
Piaget's Sensorimotor Period	216
The Sensorimotor Period	218
Language Development	221
Theories of Language Acquisition	221
□ Feature:	
Genie: A Modern-Day Wild Child	223
Milestones in Language Development	224
□ A Closer Look:	
The Role of Motherese in Language Acquisition	226
The First Words	228
Combining Words	230

New Ways Infants Are Growing Up Today	231
Teaching Babies to Read	231
The Role of Parents in Cognitive Development	234
Discussion of Social Issues:	
Infants in Out-of-Home Group Care	235
Research Findings	236
What Is Quality Care?	237
The Reality of U.S. Child Care	237
Summary	238

7 Social and Emotional Development During Infancy

240

Early Social Development: Becoming Acquainted	242
Research on Mother/Infant Interactions	243
The Baby's Social Predisposition	246
The Infant's Emotional Life	249
Smiling	249
Fear	252
□ A Closer Look:	
Social Referencing	254
Establishing Relationships: Attachment	256
Individual Differences in Attachment	256
Theories of Attachment	258
Influences on Attachment	259
Learning from Other Cultures:	
Cultural Influences on Attachment	260
Importance of Attachment	260
□ A Closer Look:	
Reversing the Negative Effects of Early Deprivation	263
Discussion of Social Issues:	
Foster Care	265
Infants of Working Mothers	266
□ Feature:	
Black Children in Foster Care	267
Relationships with Others	274
Infants and Their Fathers	274
Peer Relationships	276
Summary	277

PART IV The Preschool Years

278

8 Physical Development During the Preschool Years

280

- Progress in Physical Growth and Motor Development 282
 - Physical Growth 282
 - Brain Development 286
 - Development of Motor Skills 288
 - Increased Competence in Self-Help Skills 293
- Learning from Other Cultures:
 - Toilet Training 294
- Influences on Growth 296
 - Malnutrition 296
- Discussion of Social Issues:
 - Child Maltreatment 298
 - Obesity 302
 - Health Care 303
- Feature:
 - Immunizing Children 304
 - Childhood Injuries 307
- Summary 311

9 Cognitive and Language Development During the Preschool Years

312

- Cognitive Development 315
 - Piaget's Theory: The Preoperational Period 315
 - Alternative Explanations of Cognition 323
- Language Development 324
 - Language Acquisition 324
 - Learning the Rules of Grammar 325
 - Overregularization 327

- A Closer Look:
 - Learning the Meaning of Words 327
 - Articulation 328
 - Egocentric and Socialized Speech 328
 - Learning to Communicate 329
- Getting Ready for School: Learning Environments 331
 - The Family 331
 - Child Care 332
- A Closer Look:
 - Training Child Care Providers 334
 - Television: Its Educational Value 336
 - Preschool 336
- Learning from Other Cultures:
 - Preschools in the United States, Japan, and China 337
- Discussion of Social Issues:
 - Preschool Intervention Programs 339
 - School Readiness: What Does It Mean? 344
- Summary 344

10 Social and Emotional Development During the Preschool Years

346

- The Social World 348
- A Closer Look:
 - The Preschool Child: A Theoretical Perspective 348
 - Expanding Family Relations 349
- Discussion of Social Issues:
 - Children of Divorce 351
 - Relations with Siblings 353
 - Peer Relations 354
 - Play 356
- Personality and Emotional Development 360
 - Relating to Others 360
 - Emergence of the Self-Concept 364
 - Explaining Sex Differences in Behavior 367
 - Theoretical Perspectives 370
- Socialization 372

Socialization in the Family	372
Parental Care-Giving Practices	373
<input type="checkbox"/> Learning from Other Cultures:	
Influences on Socialization	377
Minority-Group Children in the United States	377
The Role of Television	378
Effects of Child Care on Socialization	381
Summary	382

PART V

The Middle Childhood Years 384

11 Physical Development 386

During Middle Childhood

Progress in Physical Growth and Motor Development	388
Motor Skills	389
<input type="checkbox"/> A Closer Look:	
Poor Physical Fitness:	
An Unhealthy Trend Among School-Age Children	391
Physical Growth	392
<input type="checkbox"/> Feature:	
Cultural Variations in Activity Levels:	
The Hispanic Child in School	396
Health Issues	401
Obesity	401
Stress	402
Injuries	403
Health Care	404
<input type="checkbox"/> Discussion of Social Issues:	
Homeless Children	406
Summary	408

Cognitive Development During Middle Childhood

- Cognitive Development 412
 - Information-Processing Approach 412
 - Piaget's Theory: The Concrete Operations Period 415
 - Piaget and Education 426
- Language Development 427
 - Metalinguistic Awareness 427
- A Closer Look:
 - Literacy and Metalinguistic Awareness 428
 - Humor 430
 - Language-Minority Children 431
- The Child in School 435
 - The School as a Learning Environment 435
- A Closer Look:
 - Children's Cognitive Style 436
 - Learning from Other Cultures:
 - The Effects of Schooling on Cognitive Development 437
 - Learning Problems 438
- Feature:
 - Testing Young Children: Concerns and Precautions 439
 - Discussion of Social Issues:
 - Mainstreaming 446
- Summary 449

Social and Emotional Development During Middle Childhood

- Progress in Social and Emotional Development 452
 - Advances in Social Cognition: Role-Taking 452
 - Moral Development 456
 - Advances in the Self-Concept 462
 - Influences on Self-Esteem 464
- A Closer Look:
 - Self-Esteem in Minority-Group Children 465

The Social World of the School-Age Child	466
The School	467
The Influence of Teachers	467
A Society of Children	469
□ A Closer Look:	
Corporal Punishment	470
□ Feature:	
Social Skills Training	475
The Family	476
□ A Closer Look:	
Corporate Support of Family Life	478
Discussion of Social Issues:	
Children in Self-Care	480
Single-Parent Families	483
Poverty	483
Helping Children Cope with Stress	484
Summary	487

PART VI Adolescence

488

14 Physical Development During Adolescence

490

What Is Adolescence?	492
Adolescence as a Cultural Invention	492
The Passage to Adulthood	493
Learning from Other Cultures:	
Sexual Scripts	494
Storm and Stress or Cultural Expectations?	496
Physical Changes During Adolescence	497
Puberty	497
The Growth Spurt	499
Changes in Body Proportions	500

Increased Nutritional Needs 501

Eating Disorders 502

Sexual Maturation 503

☞ Discussion of Social Issues:

 Teenage Pregnancy and Childbearing 507

The Impact of Physical Changes on Psychological Development 511

 The Timing of Puberty 511

 Depression During Adolescence 513

 Adolescent Suicide 514

Summary 517

15 Cognitive Development During Adolescence

518

Intellectual Development 520

 Research on Adolescent Thought 520

☐ A Closer Look:

 Adolescent Egocentrism 521

 Piaget's Theory 522

 The Inadequacy of Piagetian Tests 525

 Information-Processing 526

Intellectual Performance 527

☐ A Closer Look:

 Children with Mental Retardation 527

 What Is Intelligence? 528

 Measuring Intelligence 531

☐ A Closer Look:

 Socioeconomic Status and IQ 535

The Adolescent in School 536

☞ Discussion of Social Issues:

 High School Compensatory Education 539

 Preventing Truancy and School Dropout 541

 Do Schools Make a Difference? 542

Summary 543

16 Social and Emotional Development During Adolescence

544

- The Search for a Personal Identity 546
 - Theoretical Perspectives 547
 - The Social Context 549
 - Peers 556
- A Closer Look:
 - Friendship Patterns Among Black and White Adolescents 558
- Feature:
 - Drug and Alcohol Abuse 563
 - The Family 564
- Discussion of Social Issues:
 - Runaway, Homeless, and Delinquent Youths 568
 - Facilitating the Transition from Childhood to Adulthood 571
- Summary 572
