Introduction 339

The Functions of School 339

The Characteristics of Schools 343

How Good a Job Do Schools Do? 349

Factors Influencing School Success 353

The School Dropout 362

Summary 365

Glossary	366
Suggested Readings	367

13 Deviant Behavior during Adolescence 368

Introduction	370
Definition of Deviancy	370
Juvenile Delinquency	371
Treating and Preventing Delinquency	385
Eating Disorders	387
Suicide	390
Drug Use	393
Other Disorders	394
Summary	396
Glossary	398
Suggested Readings	398

Appendix: Methods of Research in the Study of Adolescence 399

Introduction	401
The Function of Research	401
Research on Adolescent Development	401
Statistical Concepts	408
Problems in Evaluating and Conducting Research	412
Summary	416
