**Preface** xiii

**Acknowledgments** xv

- 1 The context of justification:  
The whys and hows of observing adults** 3
  - Introduction 3
  - Historical, social, and economic forces 7
  - Methodology 18
  - Subjects and measures 32
  - Summary 37
  
- 2 The context of discovery:  
The assumptions and explanations researchers use** 41
  - Stability versus change 42
  - The differential approach 44
  - Models and theories of development 48
  - Theoretical families 52
  - Biological theories of aging 66
  - Summary 75

## **Part I**

### **Young adulthood**

- 3 The inner context of development:  
Biology and cognition in young adulthood 83**
- Physical functioning 86
  - Sensation, perception, and psychomotor skills 94
  - Learning 98
  - Intelligence and cognition 99
  - The tasks of young adulthood 111
  - Summary 114
- 4 The personal context of development:  
Intimacy, marriage, and alternatives to marriage 117**
- Intimacy, fidelity, and commitment 118
  - Marriage 124
  - Sexuality and responsiveness 135
  - Divorce and remarriage 142
  - Alternatives to traditional marriage 147
  - Summary 156
- 5 The expanded context:  
Work, family, and friends 159**
- Work, occupation, and career 159
  - Parenthood 183
  - Friends 200
  - Summary 203

## **Part II**

### **Middle age**

- 6 The inner context:  
Biology and cognition in middle age 213**
- The biology of middle age 215

- Sensation, perception, and psychomotor performance 230  
Cognition 241  
Developmental tasks 245  
Summary 246
- 7 The personal context:  
Stability, challenge, and change at midlife 251**
- Midlife: crisis, challenge, or consolidation? 252  
Personality: change and sameness 266  
Summary 285
- 8 The expanded context:  
Family, work, and leisure 289**
- Love and marriage 290  
Family 299  
Work 305  
Leisure 312  
Summary 319
- Part III  
Later life**
- 9 The inner context:  
Biology and cognition in later life 327**
- Biological and physiological change 328  
Mental and physical health 337  
Sensation and perception 342  
Learning and memory 349  
Problem-solving and creativity 358  
Summary 363
- 10 The personal context:  
Personality and the social network 367**
- Attitudes and tasks 368

The social network	380
Friends and family	395
Summary	399

**11 The expanded context:  
The ecology of aging 403**

The demography of aging	404
Retirement	407
The physical environment	422
Summary	434

**12 Dying and death:  
A final context for development 439**

Death as a social and psychological construct	440
The inner context: biological, cognitive, and personality processes	444
The personal context: helpers and survivors	454
The expanded context: ritual, custom, and the cycle of generations	465
Summary	474
