

CONTENTS

| | |
|---|-----------|
| 1 Risk Behavior in Adolescence | 1 |
| 1.1 Adolescents and Adolescence | 1 |
| 1.2 Development as Action in Context..... | 6 |
| 1.3 Developmental Tasks..... | 13 |
| <i>Box 1.1 Developmental Tasks in Adolescence</i> | 14 |
| 1.4 Risk and Well-Being | 16 |
| <i>Box 1.2 Adolescence as a Conflict and Problem:</i> <i>An Adult Projection</i> | 20 |
| 1.5 Functions of Risk Behavior..... | 22 |
| <i>Box 1.3 Identity Development:</i> <i>Continuity and Change</i> | 24 |
| 2 The Study | 33 |
| 2.1 Theoretical Framework and Objectives..... | 33 |
| 2.2 The Instrument | 36 |
| 2.3 The Sample | 37 |
| 2.4 Presentation of Results and Statistical Analysis | 39 |
| 3 Psychoactive Substance Use | 41 |
| 3.1 Psychoactive Substance Use: Tobacco, Alcohol, and Marijuana..... | 41 |
| 3.1.1 Cigarette Smoking | 43 |
| 3.1.2 Alcohol Consumption | 46 |
| 3.1.3 Marijuana Smoking..... | 50 |
| 3.1.4 The use of Different Substances..... | 53 |
| 3.2 Age and Context of Initiation | 56 |
| 3.2.1 Precociousness, Contexts of Use, and Risk | 57 |
| 3.3 Homogeneity within Peer Groups | 59 |
| 3.4 Parents: Models and Attitudes | 61 |
| 3.5 Functions of Psychoactive Substance Use | 64 |

| | | |
|----------|--|------------|
| 3.5.1 | All Grown Up..... | 66 |
| 3.5.2 | Cigarettes, Marijuana, and Transgression | 68 |
| | <i>Box 3.1 Moderate Drinkers.....</i> | 72 |
| 3.5.3 | What Is It Like? Experimentation | 73 |
| 3.5.4 | The Ritual Function..... | 74 |
| 3.5.5 | Marijuana Use as an Escape..... | 77 |
| | <i>Box 3.2 High-Risk Adolescents</i> | 78 |
| 3.6 | Protective Factors | 81 |
| 3.6.1 | What Type of Knowledge Is Most Useful?..... | 82 |
| 3.6.2 | The School Experience | 84 |
| 3.6.3 | Use of Free Time..... | 87 |
| 3.6.4 | External Regulation, Support, and Control..... | 89 |
| 4 | Risk-Taking Behavior and Risky Driving..... | 99 |
| 4.1 | Risk-Taking Behavior | 99 |
| 4.1.1 | Males and Risk | 101 |
| 4.2 | Functions of Risk-Taking Behavior | 107 |
| 4.2.1 | Self-Affirmation and Experimentation..... | 108 |
| 4.2.2 | Identification and Social Acceptance..... | 110 |
| 4.2.3 | Escape Through Action and Excitement | 110 |
| 4.3 | Driving in Adolescence: A Step Toward Independence..... | 114 |
| 4.3.1 | Adolescents at the Wheel..... | 114 |
| 4.4 | Risky Driving | 117 |
| 4.4.1 | Offenses, Risks, and Accidents | 120 |
| 4.4.2 | Driving Under the Influence of Psychoactive Substances | 125 |
| | <i>Box 4.1 Road Accidents and Heuristic Reasoning</i> | 126 |
| | <i>Box 4.2 Driving Ability, Driving Style, and the Consumption of Psychoactive Substances in Adolescence</i> | 127 |
| 4.4.3 | Fines..... | 128 |
| 4.5 | Functions of Risky Driving..... | 129 |
| 4.5.1 | Adulthood, Self-Affirmation, and Experimentation..... | 130 |
| 4.5.2 | Identification and Peer Emulation..... | 133 |
| 4.5.3 | Adolescent Escape | 134 |
| 4.6 | Protective Factors..... | 137 |
| 5 | Antisocial Behavior..... | 143 |
| 5.1. | Antisocial Behavior in Adolescence | 143 |
| 5.2 | Multiple Forms of Antisocial Behavior..... | 146 |
| 5.2.1 | Gender Differences..... | 148 |
| 5.2.2 | School Differences | 149 |
| 5.2.3 | Age Differences | 150 |
| 5.3 | Functions of Antisocial Behavior..... | 151 |
| 5.3.1 | Experimentation and Identity Affirmation..... | 151 |
| 5.3.2 | Social Visibility, Acceptance, and Desirability | 155 |

| | | |
|----------|--|------------|
| | <i>Box 5.1 Self-Exoneration, Self, and External Regulation</i> | 160 |
| 5.3.3 | Transgression and Relations with Authority | 162 |
| 5.4 | Antisocial Behavior in Context | 166 |
| 5.4.1 | The Family | 166 |
| 5.4.2 | The School Experience | 171 |
| 5.4.3 | Peers | 174 |
| 5.4.4 | Free Time | 177 |
| 6 | Sexual Behavior, Contraception, and AIDS | 183 |
| 6.1 | Sexual Activity in Adolescence: A Transition Toward Adulthood | 183 |
| 6.2 | Experimenting with Affection and Sex: Age and School Differences | 186 |
| 6.3 | Sexuality in Boys and Girls | 191 |
| 6.4 | Contraception and the Prevention of Sexually Transmitted Diseases. Behavior, Relational Conditions, Attitudes, and Knowledge: Which Is Most Important? | 194 |
| 6.4.1 | Contraceptive Behavior | 194 |
| 6.4.2 | Information and Attitudes Toward Contraception | 197 |
| 6.4.3 | Knowledge on the Prevention of Sexually Transmitted Diseases such as AIDS | 198 |
| 6.4.4 | Knowing Is Essential, but Is It Enough? | 200 |
| 6.5 | Functions of Sexual Behavior in Adolescence | 202 |
| 6.5.1 | Adulthood: Realization, Anticipation, and Exasperation | 203 |
| 6.5.2 | Adolescent Sexual Activity as Transgression, Experimentation, and Exploration | 207 |
| 6.5.3 | Ritual and Emulation Functions | 212 |
| 6.5.4 | One or More Partners: What Is the Difference? | 216 |
| 6.5.5 | Different Functions of Sexual Activity in Relation to the Way It Is Carried Out | 217 |
| 6.6 | Adolescents and Pregnancy | 219 |
| 6.7 | Family, School Experience, and Friends as Protective and Risk Factors | 220 |
| 7 | Disturbed Eating | 227 |
| 7.1 | Self-Perception, Social Relationships, and Eating in Adolescence | 227 |
| 7.2 | Body and Body Image: Gender Differences | 230 |
| 7.3 | Knowledge of the Risks Involved in an Unhealthy Lifestyle | 232 |
| 7.4 | Healthiness and Regularity of Eating Habits: A Controversial Relationship | 235 |

| | | |
|-------|---|-----|
| 7.4.1 | Daily Eating Habits of Adolescents, Their Parents, and Their Friends | 235 |
| 7.4.2 | Eating, Body Image, Knowledge, and Models | 238 |
| 7.5 | Disturbed Eating: A Gender Phenomenon | 240 |
| 7.5.1 | Dieting, Comfort Eating, and Purging Behavior: Many Sides of the Same Coin | 240 |
| 7.5.2 | Different Patterns of Disturbed Eating | 242 |
| 7.5.3 | Disturbed Eating and Distorted Body Image: A Female Risk | 242 |
| 7.6 | Functions of Disturbed Eating | 246 |
| 7.6.1 | Disturbed Eating as an Emotional Strategy for Problem Resolution and a Way to Affirm Independence and Competence..... | 247 |
| 7.6.2 | Disturbed Eating as Transgression, Experimentation, and a Way of Exercising Control | 250 |
| 7.6.3 | Disturbed Eating as Communication, Emulation, and Surpassing | 252 |
| 7.6.4 | The Highest Risk Group | 255 |
| 7.7 | Main Protective and Risk Factors | 257 |

8 Prevention: What Can We Do? 263

| | | |
|-----|---|-----|
| 8.1 | The Health and Well-Being Myth | 263 |
| 8.2 | Prevention Methods | 267 |
| 8.3 | Risk Behavior: The Main Protective Factors | 269 |
| 8.4 | Prevention Based on Functions: Direct and Indirect Action | 273 |
| 8.5 | Which Type of Knowledge: What to Avoid | 278 |
| 8.6 | Conclusion | 280 |

Appendix 283
