<b>4 Late Adulthood</b>	<b>53</b>
Demographics	53
Attitudes toward Aging and the Aged	57
Growing Old in America	64
Social-Psychological Theories of Aging	71
Developmental Tasks of Late Adulthood	77
Summary	80

<b>5</b>	<b>Biological Aging: Theories and Bodily Changes</b>	<b>85</b>
	Senescence	85
	Theories of Biological Aging	86
	Changes in Bodily Systems	88
	Changes in Sensory Perception	98
	Summary	102
<b>6</b>	<b>Physical Attractiveness, Abilities, and Fitness</b>	<b>105</b>
	Growth and Aging	105
	Physical Attractiveness and the Body Image	106
	Physical Fitness and Health	109
	Nutrition	112
	Physical Abilities	119
	Summary	122
<b>7</b>	<b>Sexual Functioning, Behavior, and Reproduction</b>	<b>125</b>
	Human Sexual Response	125
	Sexual Interest and Activity	128
	Sexual Dysfunction	130
	Reproduction	136
	Menopause and Male Climacteric	138
	Sex and the Elderly	142
	Summary	145
<b>8</b>	<b>Drug Abuse, Alcohol Abuse, and Smoking</b>	<b>149</b>
	Drug Abuse	149
	Drugs and the Elderly	151
	Alcohol Abuse	154
	Smoking	159
	Summary	161
<b>9</b>	<b>Death and Dying</b>	<b>163</b>
	Prolongevity	163
	Death Rates	168
	Attitudes toward Death and Dying	169
	Aspects of Death	171
	Varying Circumstances of Death	173
	Euthanasia	176
	Bereavement	177
	Summary	178

**10 Mental Health 183**  
Positive Mental Health 183  
Stress 184  
Mental Illness 190  
Suicide 200  
Summary 202

*IV INTELLECTUAL AND COGNITIVE DEVELOPMENT 205*

**11 Intelligence: Meaning, Measurement, and Change 207**  
The Meaning of Intelligence 207  
Tests, Testing, and Age Changes 208  
Physical Factors and Cognition 216  
Personality, Behavior, and Mental Impairment 221  
Socioenvironmental Effects 222  
Terminal Decline 226  
Summary 227

**12 Memory and Learning 231**  
Memory 231  
Learning 238  
Summary 242

**13 Thinking, Problem Solving, Problem Finding, Comprehension,  
and Creativity 245**  
Thinking 245  
Problem-Solving Abilities 251  
Problem-Finding Abilities 253  
Comprehension 254  
Creativity 255  
Summary 258

*V INDIVIDUAL AND FAMILY LIVING 261*

**14 Never-Married Adults 263**  
Never-Married versus Delayed Marriage 263  
Why Some People Remain Single 266  
Singles and Their Parents 268  
Living Arrangements 269  
Social Life and Leisure Time 271  
Loneliness and Friendships 272  
Affluence and Money 274

The Older Never-Married Adult 276  
Summary 277

**15 Marriage, Family Living, and Widowhood 279**

Motives for Marriage 279  
Adults View Marriage 281  
The Family Life Cycle 283  
The Early Years 286  
Parenthood 290  
The Postparental Years 292  
The Later Years 293  
Widowhood 295  
Summary 297

**16 Divorce and the Reconstituted Family 299**

Divorce and the Human Life Cycle 299  
Facts and Figures on Divorce 300  
Divorce and the Law 302  
The High Cost of Divorce 304  
Children and Divorce 305  
Adult Adjustments after Divorce 307  
Remarriage 310  
Summary 313

**VI VOCATIONAL AND CAREER DEVELOPMENT 315**

**17 Career Establishment 317**

Identity and Vocation 317  
Vocational Development 319  
The World of Work 321  
Education and Vocation 323  
Ethnic and Racial Considerations 325  
Income and Life-Styles 327  
Women and Vocations 328  
Summary 331

**18 Mid-life Careers and Employment 333**

A Time of Fruition 333  
Unemployment 335  
Second Careers 336  
Occupationally Related Stress 338  
Summary 341

**19 The Older Worker and Retirement 343**

The Older Worker 343  
The Retirement Process 346

Timing of Retirement	348
Financial Planning and Management	352
Summary	354

**VII THE FUTURE 357**

**20 Adults and the Future 359**

Aging of the Population	359
Some Positive Developments	362
Some Challenges	363
Psychology of Adulthood	364
