PREFACE

xv

Part One

**HUMAN DEVELOPMENT:
PHILOSOPHICAL, HISTORICAL, SOCIAL SCIENTIFIC,
AND BIOLOGICAL BASES**

1	A LIFE-SPAN APPROACH TO HUMAN DEVELOPMENT	3
	WHAT IS DEVELOPMENT?	5
	ALTERNATIVE VIEWS OF HUMAN DEVELOPMENT	6
	The Psychological View / The Developmental View / The Life-Span View / Developmental Issues / The Role of Chronological Age, Cohort, and Life Transitions / Optimization / The Multidisciplinary Emphasis	
	SCIENTIFIC RESEARCH AND THE STUDY OF HUMAN DEVELOPMENT	18
	The Validity of Research / Internal Validity / External Validity	
	DIMENSIONS OF RESEARCH METHODS IN HUMAN DEVELOPMENT	21
	DESIGNS OF DEVELOPMENTAL RESEARCH	22
	The Longitudinal Design / The Cross-Sectional Design / The Time-Lag Design / Sequential Strategies of Design / A Sequential Study of Adolescent Personality Development / A Sequential Study of Intelligence in Adulthood	
	ETHICAL ISSUES IN RESEARCH	33
	THE PLAN OF THIS BOOK	35
	CHAPTER SUMMARY	36

2	MODELS AND THEORIES OF HUMAN DEVELOPMENT	38
	SCIENCE AND KNOWLEDGE	40
	MODELS OF HUMAN DEVELOPMENT	41
	The Mechanistic World View and the Reactive Organism / The Organismic World View and Active Organism / The Contextual World View and the Changing Organism in a Changing World	
	IMPLICATIONS OF DEVELOPMENTAL MODELS FOR SCIENTIFIC ACTIVITY	43
	HISTORICAL ROOTS OF CONTEMPORARY VIEWS OF HUMAN DEVELOPMENT	44
	The Historical Role of the Nature-Nurture Issue / Charles Darwin (1809–1882) / G. Stanley Hall (1844–1924) / The Contributions of Terman and Gesell / Behaviorism and Learning Theory / World War II / The 1950s and 1960s / The 1970s through Today	
	THEORIES OF HUMAN DEVELOPMENT	58
	NATURE THEORIES OF HUMAN DEVELOPMENT	58
	Hall’s Theory Revisited / The Instinctual Theory of Konrad Lorenz	
	NURTURE THEORIES OF HUMAN DEVELOPMENT	60
	Some Dimensions of Diversity in Nurture Theories / Social Learning Theories of Human Development / The Theory of McCandless	
	INTERACTION THEORIES	64
	Sigmund Freud and Psychoanalysis / A Critique of Freud’s Ideas / Structures of the Personality / Erik Erikson and Psychosocial Development / Jean Piaget and Cognitive Developmental (Structural) Theory / Lawrence Kohlberg and Cognitive Developmental Moral Reasoning Theory / Klaus Riegel and Dialectical Theory	
	CHAPTER SUMMARY	73
3	BIOLOGICAL BASES OF HUMAN DEVELOPMENT	74
	GENES AND HEREDITARY MECHANISMS	76
	Mechanisms of Heredity / Genes	
	THE NATURE-NURTURE ISSUE	80
	Nature Interactions with Nurture / Levels of the Environment / Nurture Interactions with Nature / The Critical Periods of Hypothesis	

BIOLOGICAL MECHANISMS ACROSS THE LIFE SPAN: GROWTH AND AGING	93
Growth / Aging / Biological Theories of Aging	
BIOLOGY-BEHAVIOR-CONTEXT INTERACTIONS	100
Nutrition and Infant and Child Development / Venereal Disease in Adolescence and Young Adulthood / Personality and Cardiovascular Disease in Middle Age / The Eye and Visual Perception in Old Age	
CHAPTER SUMMARY	113

Part Two

PRENATAL AND INFANT DEVELOPMENT

4 PRENATAL DEVELOPMENT AND BIRTH	117
PRENATAL DEVELOPMENT 119	
Conception / The Period of the Ovum (Zygote) / The Period of the Embryo / The Period of the Fetus / Influences on Prenatal Development	
THE BIRTH EXPERIENCE: THE PERINATAL PERIOD	126
Effects of Obstetrical Medication / Effects of Prematurity / Postmaturity	
LABOR AND DELIVERY	131
The Prelude to Labor / The Onset of Labor / First-Stage Labor/ Second-Stage Labor / Third-Stage Labor / Types of Delivery	
CHAPTER SUMMARY	139
5 INFANCY: PHYSICAL GROWTH AND COGNITIVE DEVELOPMENT	141
PHYSICAL GROWTH 144	
SENSORY AND PERCEPTUAL CHANGES 144	
Taste and Touch / Hearing / Vision	
INFANT REFLEXES AND MOTOR DEVELOPMENT	150
COMPLEX BEHAVIORAL SEQUENCES AND INFANT STATES	154

APPROACHES TO THE STUDY OF COGNITION	156
LEARNING	156
What Is Learning? / Types of Learning	
CLASSICAL CONDITIONING	159
Characteristics of Classical Conditioning	
OPERANT CONDITIONING	162
Characteristics of Operant Conditioning / Secondary Reinforcement and Chaining	
CONDITIONING IN INFANCY	165
OBSERVATIONAL LEARNING: MODELING AND IMITATION	169
Observational Learning Process / Developmental Changes in Imitation in Infancy	
PSYCHOMETRIC INTELLIGENCE	173
A Definition of Cognition / Quantitative Dimensions of Cognitive Development / Intelligence Tests / Measures of Infant Intelligence	
THE PIAGETIAN APPROACH TO THE STUDY OF COGNITION	179
PIAGET'S THEORY OF COGNITIVE DEVELOPMENT	179
Stage-Independent Conceptions of Cognitive Development / Stages of Cognitive Development / The Sensorimotor Stage	
CHAPTER SUMMARY	184
6 INFANCY: SOCIAL AND PERSONALITY DEVELOPMENT	186
SOCIALIZATION	189
The Social Nature of Human Functioning / Person-Social Context Interactions	
COMPONENTS OF THE SOCIAL CONTEXT	191
The Role of the Family	
FAMILY INTERACTION: PROCESS AND PRODUCTS OF BIDIRECTIONAL SOCIALIZATION	193
Infant-Caregiver Interactions	

ATTACHMENT IN INFANCY	197
A Definition of Attachment / Contrasting Theories of, and Methods for Studying, Attachment / Description of Attachment Phenomena / Explanation of Attachment Phenomena / Attachment and Optimization of Development in Infancy	
PERSONALITY DEVELOPMENT IN INFANCY	203
Defining "Personality" / The Role of Erikson's Theory / Changes in Adaptive Demands across Life / Erikson's Theory of Psychosocial Development in Infancy	
INVESTIGATING THE IMPLICATIONS OF PERSONALITY DEVELOPMENT IN INFANCY	211
The Kagan and Moss Study of Birth to Maturity / The New York Longitudinal Study	
EFFECTS OF SOCIAL ISOLATION AND DEPRIVATION	217
Social Isolation in Rhesus Monkeys / Social Isolation and Deprivation in Human Children / The Reversibility of Early Deprivation Effects	
CHAPTER SUMMARY	224

Part Three

CHILD AND ADOLESCENT DEVELOPMENT

7 CHILDHOOD: COGNITIVE DEVELOPMENT	229
LEARNING IN CHILDHOOD	232
Developmental Changes in the "Rules" of Learning	
PSYCHOMETRIC INTELLIGENCE IN CHILDHOOD	236
Stability and Change during Childhood / Variables That Moderate Intellectual Change / Improving Cognitive Functioning	
PIAGETIAN IDEAS ABOUT COGNITIVE DEVELOPMENT IN CHILDHOOD	243
The Preoperational Stage / The Concrete Operational Stage	
LANGUAGE DEVELOPMENT	247
Theories of Language Acquisition / Stages of Vocalization / Stages of Linguistic Speech / Functions of Language	

MORAL DEVELOPMENT IN CHILDHOOD	253
DEFINITIONS OF MORAL DEVELOPMENT	253
Freud's Nature-Oriented Theory / Nurture-Oriented Social Learning Theories / Interactionist Cognitive Developmental Theories	
KOHLBERG'S THEORY OF MORAL-REASONING DEVELOPMENT	257
Kohlberg's Method of Assessing Moral Reasoning	
STAGES OF MORAL REASONING IN KOHLBERG'S THEORY: FORMER AND CURRENT LEVEL AND STAGE DESCRIPTIONS	258
The Former Version of the Theory / The Current Version of the Theory	
CHARACTERISTICS OF MORAL-REASONING STAGE DEVELOPMENT	262
A CRITIQUE OF KOHLBERG'S THEORY	263
Methodological Appraisals of Kohlberg's Theory / Empirical Appraisals of Kohlberg's Theory	
VARIABLES RELATING TO MORAL DEVELOPMENT	270
Effects of Models / Family Interactions / Peer Interactions	
THE ROLE OF SCHOOLS	272
Physical Characteristics of Schools / Effects of Early School Programs	
CHAPTER SUMMARY	277

8 CHILDHOOD: SOCIAL AND PERSONALITY DEVELOPMENT	279
ERIKSON'S THEORY OF PERSONALITY DEVELOPMENT IN CHILDHOOD	281
Stage 3. The Genital-Locomotor Stage / Stage 4. Latency	
THE ROLE OF THE FAMILY IN CHILD DEVELOPMENT	282
Parental Childrearing Practices / Child Effects / The Family in Contemporary Context	
PEER RELATIONS IN CHILDHOOD	297
Functions of the Peer Group / Determinants of Peer Acceptance and Popularity / Physical (Facial) Attractiveness / Rate of Maturation	

THE ROLE OF PLAY IN CHILD DEVELOPMENT	303
Functions of Play / The Development of Play	
INFLUENCES OF TELEVISION ON CHILD DEVELOPMENT	307
Variables Related to Television Viewing / Effects of Viewing Televised Aggression / Effects of Viewing Prosocial Television / Effects of Television Commercials / Conclusions	
CHAPTER SUMMARY	314
9 ADOLESCENCE: PHYSICAL AND COGNITIVE DEVELOPMENT	316
A DEFINITION OF ADOLESCENCE	318
AN OVERVIEW OF ADOLESCENT'S TRANSITIONAL EXPERIENCES	318
PHYSICAL AND PHYSIOLOGICAL CHANGES IN ADOLESCENCE	320
Neuroendocrine Mechanisms of Adolescent Bodily Change / Prepubescence / Pubescence / Postpubescence / The Role of Sociocultural Variation / The Role of Historical Variation / Individual, Sociocultural, and Historical Implications of Adolescent Bodily Changes / Problems of Physical Maturation and Functioning	
COGNITIVE DEVELOPMENT IN ADOLESCENCE	348
The Psychometric Study of Adolescent Cognition / The Piagetian Approach to the Study of Adolescent Cognition	
IS THERE A FIFTH STAGE OF COGNITIVE DEVELOPMENT?	356
CHAPTER SUMMARY	357
10 ADOLESCENCE: SOCIAL AND PERSONALITY DEVELOPMENT	359
THE SOCIAL CONTEXT OF ADOLESCENCE	362
Peer Relationships / The Emergence of Peer Groups / Family Relationships	
THE RELATIVE INFLUENCE OF PARENTS AND PEERS	364
THE GENERATION GAP	365
Studies of Intergenerational Relations	

EDUCATION DURING ADOLESCENCE	367
Functions of the Educational System / Adolescents' Views about the Functions of Education / Family and Peer Influences on Education / Sociocultural and Historical Influences on Education	
HIGH SCHOOL DROP OUTS	370
Magnitude of the Problem / Why Students Leave School / Consequence of Dropping Out	
ADOLESCENTS AND THE POLITICAL SYSTEM	374
Legal Conceptions of Adolescence / Law and Adolescents / Adolescents as Voters / Political Socialization in Adolescence	
SEXUALITY IN ADOLESCENCE	380
Sexual Behaviors of Adolescents	
ADOLESCENT SEXUALITY TODAY	382
Incidence of Sexual Activity / The Initiation of Sex / Contraceptive Use / Reasons for Inadequate Protection / Sexual Standards	
SOME CONSEQUENCES OF PREGNANCY OUTSIDE OF MARRIAGE IN ADOLESCENCE	389
Extent of the Problem / Outcome of Premarital Pregnancy / Outcomes for Males	
ERIKSON'S VIEWS OF PERSONALITY DEVELOPMENT IN ADOLESCENCE	393
Stage 5. Puberty and Adolescence / Conclusions	
IDENTITY DEVELOPMENT IN ADOLESCENCE: RESEARCH DIRECTIONS	396
Sequences in Ego Development / The Differentiation of Identity Status / Identity: Psychological Dimensions / Identity: Social Dimensions	
CHAPTER SUMMARY	405
11 SEX DIFFERENCES IN COGNITIVE, PERSONALITY, AND SOCIAL DEVELOPMENT IN CHILDHOOD AND ADOLESCENCE	408
THEORIES OF SEX DIFFERENCES IN PSYCHOSOCIAL FUNCTIONING	410
Nature-Based, Identification Theories / Cognitive Developmental Theories / Nurture Theories / Social Learning Theories / Conclusions	

PERSONALITY DEVELOPMENT IN ADULTHOOD AND AGING	507
Types of Personality Change / The Case for Discontinuity / The Case for Continuity and Stability / Life-Course Analysis	

CHAPTER SUMMARY	525
-----------------	-----

14 ADULTHOOD AND AGING: LIFE EVENTS AND LIFE TRANSITIONS 527

A LIFE-EVENT FRAMEWORK	529
------------------------	-----

Types of Life Events / The Timing, Sequencing, and Clustering of Life Events / Exposure to Life Events	
--	--

ADAPTING TO LIFE EVENTS	542
-------------------------	-----

Mediating Variables / The Adaptive Process	
--	--

CHAPTER SUMMARY	550
-----------------	-----

15 ADULTHOOD AND AGING: THE LIFE CYCLE 551

THE TRANSITION TO YOUNG ADULTHOOD	554
-----------------------------------	-----

Commitment / Dating, Courtship, and Marriage / Parenthood / Divorce / Occupation	
--	--

THE MIDLIFE TRANSITION	565
------------------------	-----

The Case for Crisis / The Case for No Crisis / Conclusion: Crisis or No Crisis? / Physical Decline and Awareness of Death / Menopause / The Empty Nest / Careers	
--	--

THE TRANSITION TO OLD AGE	574
---------------------------	-----

Toward Integrity / Retirement / Grandparenthood / Widowhood / Relocation	
--	--

DEATH AND DYING	585
-----------------	-----

The Meaning of Death / Age Differences in Death Perceptions and Attitudes / The Dying Process / Contexts for Dying / Ethical Issues / Grief and Bereavement	
---	--

CHAPTER SUMMARY	593
-----------------	-----

GLOSSARY	596
