<i>List of Contributors</i>	ix
<i>Preface</i>	xi
<i>Contents of Volume 1</i>	xiii

## **Life Events and Life-Span Development**

*David F. Hultsch and Judy K. Plemons*

I. Introduction	1
II. Metamodels of Development	3
III. Current Approaches to Life Events	5
IV. Life Events: A Life-Span Developmental Perspective	14
V. Overview	30
References	31

## **Problem Solving in Later Adulthood: Intervention Research**

*Nancy W. Denney*

I. Introduction	38
II. Descriptive Research	38
III. Intervention Research	45
IV. Theoretical Implications	53
V. Practical Implications	59
VI. Suggestions for Future Research	61
References	63

## **The Primary Mental Abilities in Adulthood: An Exploration in the Development of Psychometric Intelligence**

*K. Warner Schaie*

I. Introduction	68
II. The Primary Mental Abilities: Description of the Measurement Variables	73

III.	Age Differences in Intelligence: Patterns for Different Abilities	76
IV.	Development of Sequential Studies	78
V.	Stability of Findings on the Generational versus Ontogenetic Differences Issue	84
VI.	The Magnitude of Differences in Adult PMA Performance Across Age and Cohorts	93
VII.	Adult PMA Performance Related to Health and Environmental Factors	97
VIII.	Further Explorations of Adult Development on the Primary Mental Abilities	101
IX.	Summary	111
	References	111

### **Historical Change in Life Patterns and Personality**

*Glen H. Elder, Jr.*

I.	Introduction	118
II.	Approaches to Historical Change in Lives	118
III.	Objective and Hypotheses	121
IV.	The Cohorts: Archival Resources and Measurements	123
V.	Depression Hardship in Adolescent Personality: Berkeley Cohort	127
VI.	Intercohort (Oakland, Berkeley) Comparisons in Adolescence	140
VII.	The Depression Children Grown Up	145
VIII.	Overview and Conclusions	153
	References	157

### **Family Development Theory and Life-Span Development**

*Reuben Hill and Paul Mattessich*

I.	Introduction: Statement of Gains from Interfacing Family Development and Life-Span Development	162
II.	The Nature of Development: Personality, Family, and Society	171
III.	The Interface between Life-Span Developmental Psychology and Family Development on Major Issues of Development	175
IV.	Implications of the Age Stratification and Life-Course Literatures for Family Development	189

V. New Dimensions Requiring Attention for the Improvement of the Family Development Perspective in Order to Describe and Explain Family Phenomena	197
References	200

### **Prolegomena to a History of Life-Span Developmental Psychology**

*Guenther Reinert*

I. Objective and Background	205
II. The Preliminary Period: Up to the Late Eighteenth Century	207
III. The Formative Period: Up to the Late Nineteenth Century	212
IV. The Period of Foundation and Specialization	225
V. Summary	240
References	243

### **Life-Span Developmental Psychology: Some Converging Observations on History and Theory**

*Paul B. Baltes*

I. Introduction	256
II. Notes on the History of Life-Span Developmental Psychology	258
III. Recurrent Themes in Life-Span Developmental Theory	261
IV. Conclusions	272
References	274

### **The Concept of Development and Life-Span Developmental Psychology**

*Hans Thomae*

I. Introduction	282
II. Consistency versus Change in Early Life	285
III. Consistency versus Change in Adulthood	288
IV. Interindividual Variability Across the Life-Span: Overview	297
V. Conclusions	303
References	306

**Dialectics, History, and Development: The Historical Roots of the Individual–Society Dialectic***Allan R. Buss*

I. Introduction	313
II. The Historical Problem	314
III. Proposed Solutions	319
IV. Conclusions: Rethinking the Individual–Society Dialectic	329
V. Summary	331
References	332
