PREFACE *ix*

**Chapter 1 THEORY AND RESEARCH IN DEVELOPMENTAL
PSYCHOLOGY** *1*

Some Historical Perspectives	<i>4</i>
Developmental Psychology as a Scientific Discipline	<i>11</i>
Theory in Developmental Psychology	<i>17</i>
Basic Conditions of Learning	<i>34</i>
Concerns of Developmental Psychology	<i>38</i>
Summary	<i>39</i>

Chapter 2 BIOLOGICAL FACTORS IN EARLY DEVELOPMENT *42*

Hereditary Transmission	<i>44</i>
Biological Influences During Pregnancy and Childbirth	<i>53</i>
Biological Factors in Infancy	<i>64</i>
Summary	<i>82</i>

Chapter 3 COGNITIVE AND SOCIAL DEVELOPMENT IN INFANCY *88*

Perceptual Development	<i>89</i>
Mental Development: Piaget's Theory	<i>95</i>

Social Development	98
Summary	120

Chapter 4 LANGUAGE AND COGNITION 124

Theories of Language Development	125
The Beginnings of Speech	129
The Relationship Between Language and Cognition	143
Language and Social Class	146
Basic Cognitive Activities	151
Summary	165

Chapter 5 INTELLIGENCE 171

Piaget's Stages of Intelligence	173
Intelligence Tests	178
Environmental and Genetic Factors in Intelligence	187
Summary	199

Chapter 6 PRESCHOOL PERSONALITY DEVELOPMENT 202

Sex	204
Aggression	204
Dependency	211
Fear and Anxiety	215
Mastery and Achievement	220
Identification	222
The Home Environment	230
Summary	234

Chapter 7 MIDDLE CHILDHOOD 239

Influence of the Family in Middle Childhood	240
Relations with Peers	247
Adjustment to School	249
Family, Peers, and School Achievement	256
Development of Conscience	259
Psychological Problems of Middle Childhood	262
Problems of Minority-Group Membership	267
Summary	270

Chapter 8 ADOLESCENCE: BASIC DEVELOPMENT 279

Personality Development in Adolescence	281
Psychological Effects of Mental Growth	288

Biological Development in Adolescence	291
The Development of Independence	298
Adolescents and Their Peers	303
Moral Development and Values	309
Summary	316
Chapter 9 ADOLESCENCE: SOCIAL ISSUES	322
Sexual Attitudes and Behavior	324
Alienation and Commitment	333
Adolescents and Drugs	343
Juvenile Delinquency	350
Summary	359
Chapter 10 YOUNG ADULTS	366
Personality Development in Young Adulthood	367
Marriage	373
Parenthood	384
Careers	389
Summary	401
Chapter 11 THE MIDDLE YEARS	407
Personality Development in the Middle Years	410
Intellectual Development	419
Biological Concerns in Middle Adulthood	428
The Family in the Middle Years	434
Summary	440
Chapter 12 OLD AGE	446
Personalities, Ordered and Disordered	448
Social Factors in Aging	454
The Family in Old Age	461
Intellectual Development	466
Biological Concerns in Old Age	472
Death and Dying	478
Summary	480
INDEX	487
