THEORETICAL AND POLITICAL ISSUES

1. Relationships between Life-Span Developmental Theory, Research, and Intervention: A Revision of Some Stereotypes

Jochen Brandtstädter

I. Introduction	3
II. The Contribution of Developmental Psychological Research and Theory to Decisions about Developmental Goals	4
III. Interfaces between Theory and Technology	12
IV. Intervention Practice as a Touchstone of Developmental Psychological Theory?	16
References	25

2. Models, Methods, and Ethics of Intervention

Hayne W. Reese and Willis F. Overton

I. Boundaries: Relation to "Pure" Science	30
II. The Nature of Intervention	34
III. Concluding Comments	44
References	45

3. Intervention in Life-Span Development and Aging: Issues and Concepts

Paul B. Baltes and Steven J. Danish

I. Introduction	49
II. Intervention and Conceptions of Development	50
III. Basics of Intervention Action	58
IV. Human Gerontology and Intervention	62
V. Promise and Reality: Some Caveats	69
Summary	73
References	74

4. Life-Span Intervention as a Symptom of Conversion Hysteria

Michael J. Chandler

I. Introduction	79
II. Identifying Potential Targets for Intervention	81
III. Ethical Considerations in the Formulation and Acceptance of Intervention Goals	83
IV. Developmental Theory as a Vehicle for Generating Intervention Strategies	85
V. Conclusion	89
References	91

5. The Politics of Public Intervention

George Pickett

I. The Difficulties of Public Intervention	94
II. Life-Span Intervention: When Is It Acceptable?	95
III. The Politics of Public Intervention: Some Guidelines	99
IV. Conclusion	100

ENVIRONMENTAL AND BIOPHYSICAL INTERVENTION

6. The Impact of the Planned Environment on the Elderly

Kermit K. Schooler and Daniel I. Rubenstein

I. Analyzing Planned Impact at the Societal Level	104
II. The Effects of the Planned Environment on Individuals	113
References	122

7. Multiple Impacts and Determinants in Human Service Delivery Systems

Stanley H. Cohen

I. Mobility and Human Service Delivery	126
II. Mobility and the Aged	127
III. Travel Behavior and Transportation Needs of the Elderly	130
IV. Review of Transportation Programs Designed for the Elderly	130
V. Goals and Design of the Transportation Remuneration Incentive Program	133
VI. Evaluation of the Transportation Remuneration Incentive Program	135
VII. Results of the Transportation Remuneration Incentive Program	137
References	147

8. Effects of Nutritional Supplementation and Early Education on Physical and Cognitive Development

M. G. Herrera, J. O. Mora, N. Christiansen, N. Ortiz, J. Clement, L. Vuori, D. Waber, B. De Paredes, and M. Wagner

I. Introduction	149
II. Design of the Bogota Project	154
III. Summary of Current Results of the Bogota Project	162
IV. Summary and Discussion	173
References	178

9. Is Genetic Counseling Intervention?

Stephen S. Amato

I. What Is Genetic Counseling?	185
II. The Setting for Genetic Counseling	186
III. Who Does Genetic Counseling?	187
IV. How Do Patients Get to a Genetic Counseling Unit?	189
V. Problems in the Application of Genetic Counseling	189
VI. How Does One Assess the Effect of Genetic Counseling?	190
VII. Recent Genetic Adventures and Misadventures	192

VIII. West Virginia's Genetic Program: Birth Defects	193
IX. Prenatal Diagnosis	195
X. Conclusion	196
References	196

10. Intervention in the Psychophysiology of Aging: Pitfalls, Progress, and Potential

Diana S. Woodruff

I. Introduction	197
II. Pitfalls of Intervention Research	198
III. Progress of Intervention Research	207
IV. Prospects for the Future: Event Related Potentials	219
References	226

EDUCATIONAL AND DEVELOPMENTAL INTERVENTION

11. Intervention and Its Effects on Early Development: What Model of Development Is Appropriate?

Frances Degen Horowitz

I. A Brief Historical Overview	235
II. Educational Intervention in the 1960s and 1970s	238
III. Some Suggestions for Future Inquiries	244
References	247

12. The Preschool Child or the Family?: Changing Models of Developmental Intervention

Ralph R. Turner, David B. Connell, and Arthur Mathis

I. Head Start: A Retrospective View	250
II. Alternate Models of Intervention	255
III. Dimensions of Intervention Strategies	257
IV. Impact of Models on Intervention Policy Decisions	260
V. The Child and Family Resource Program: Model and Objectives	264
VI. Evaluation of the Demonstration	268
VII. Concluding Comments	271
References	272

13. Intervention for Delinquency: Art or Science?*William J. Fremouw and Andrew L. Reitz*

I. Introduction	275
II. Classification of Juvenile Delinquents	277
III. Treatment for Delinquency	281
IV. Conclusion	299
References	300

14. Training and Education of the Elderly*Harvey L. Sterns and Raymond E. Sanders*

I. Introduction	307
II. Philosophical Presuppositions	308
III. Cognitive Training of the Older Adult	311
IV. Age-Comparison Research	319
V. Implications for Education	325
References	328
