List of Tables and Figures

TABLES

2.1	Review of longitudinal studies	30
2.2	Relationship of life experiences to level of moral judgment	36
2.3	Relationship of life experiences to change in moral judgment	38
2.4	Experience codes and moral judgment in the Deemer study	47
2.5	Career fulfillment	53
3.1	Characteristics of intervention studies using the DIT	61
3.2	Overview of intervention studies using the DIT, 1977-1983	64
3.3	Overview of intervention studies using the DIT, 1972-1977	74
3.4	Treatment effects in general	79
3.5	Effects of different types of treatments	81
3.6	Effect of exposure to Kohlberg's theory	82
3.7	Effects of different subject ages	83
3.8	Effect of program duration	84
3.9	Effects of randomized versus nonrandomized studies	84
3.10	Effects of subjective impression of study quality	85
4.1	Summary of cross-cultural studies using the DIT	96
4.2	Reliability and internal consistency (<i>P</i> score)	101
4.3	Correlations of DIT with Kohlberg's Test (MMS) and Law & Order Test (Pearson <i>r</i>)	102
4.4	Cultural (ethnic background) effect	104
4.5	Age-education trends of the DIT <i>P</i> % score	107
4.6	Summary of the meta-analyses	114
4.7	Descriptive statistics for the major age/educational levels	115
4.8	Studies on the relation of moral judgment and religion categorized by type of religious variable	120

5.1	Studies relating DIT scores to a measure of behavior	136
5.2	Summary of studies of moral judgment and political attitudes	143
5.3	DIT and general social attitudes	146
5.4	Comparison of mean Stage 4, A, and P scores by self-defined political view from Emler et al. and the present study	156
5.5	Means and standard deviations for "Self" and "Radical" DIT scores by political view	158
5.6	Means and standard deviations for accuracy ratings of "Self" and "Radical" decision-making strategies	160
5.7	Distribution of "hits"	170
5.8	Behavioral and attitudinal measures	173
5.9	Increases in predictability of behavior/attitudes	174

FIGURES

2.1	Longitudinal mean DIT by education	33
4.1	Cross-cultural age-educational trends in DIT scores	108
