Preface: On Not Growing Old Gracefully xv
About the Authors xx
Acknowledgements xxi

Chapter One ■ *The Field of Social Psychology: How We Think About and Interact with Others* 2

Social Psychology: A Working Definition 7
Social Psychology Is Scientific in Nature 8
Social Psychology Focuses on the Behavior of Individuals 8
Social Psychology Seeks to Understand the Causes of Social Behavior and Thought 9
Social Psychology: Summing Up 13
Social Psychology: A Capsule Memoir 13
The Early Years: Social Psychology Emerges 13
Social Psychology's Youth: The 1940s, 1950s, and 1960s 14
The 1970s and 1980s: A Maturing Field 15
Where Do We Go from Here? The 1990s and Beyond 18
**Answering Questions about Social Behavior and Social Thought: Research Methods
in Social Psychology** 20
The Experimental Method: Knowledge through Intervention 21
The Correlational Method: Knowledge through Systematic Observation 25
Social Psychologists As Perennial Skeptics: The Importance of Replication and
Multiple Methods in Social Research 27
The Role of Theory in Social Psychology 30
The Quest for Knowledge and the Rights of Individuals: Seeking a
Defensible Balance 31
Using This Book: A Readers' Road Map 33
Summary and Review 35
Key Terms 36
For More Information 37

Special Sections

SOCIAL PSYCHOLOGY: ON THE APPLIED SIDE 17
Is Justice Really Blind? Defendants' Attractiveness and the Legal Process

Chapter Two ■ *Social Perception: Understanding Others* 38

Nonverbal Communication: The Unspoken Language 42
Nonverbal Communication: The Basic Channels 42
Nonverbal Behavior and Social Interaction: Self-Presentation and the Detection
of Deception 50
Attribution: Understanding the Causes of Others' Behavior 51
Theories of Attribution: Frameworks for Understanding How We Attempt to
Make Sense out of the Social World
Attribution: Some Basic Sources of Bias 63

**Impression Formation and Impression Management: Combining—and Managing—
Social Information** 69

Impression Formation: Some Basic Facts 71

Impression Management: The Fine Art of Looking Good 72

SOCIAL DIVERSITY: A CRITICAL ANALYSIS

Cultural and Ethnic Differences in Nonverbal Communication:

On the Universality of Facial Expressions 76

Summary and Review 78

Key Terms 79

For More Information 80

Special Sections

INDIVIDUAL DIVERSITY

Showing Less Than We Really Feel: Self-Monitoring and the Suppression of Gloating in Public 52

WORK IN PROGRESS: *Countering the Effects of Attentional Load: Automatizing the
Correction Stage of Trait Inferences* 57

FOCUS ON RESEARCH: THE CUTTING EDGE

*Augmenting, Discounting, and Affirmative Action: Attributions about the Causes of Women's
Promotions* 61

WORK IN PROGRESS: *Where Politics and the Fundamental Attribution Error Meet: Shifts
in Our Explanations for Why the Winner Won* 64

SOCIAL PSYCHOLOGY: ON THE APPLIED SIDE

Attribution Theory to the Rescue: Overcoming Depression and Defeating Learned Helplessness 67

**Chapter Three ■ Social Cognition: Thinking about Others
and the Social World** 82

Heuristics: Mental Shortcuts in Social Cognition 86

Representativeness: Judging by Resemblance 87

Availability: What Comes to Mind First 89

Basic Aspects of Social Thought: Tilts, Tendencies, and Potential Errors 94

Dealing with Inconsistent Information: Paying Attention to What Doesn't Fit 95

Automatic Vigilance: Noticing the Negative 97

Motivated Skepticism: In Reaching Conclusions, How Much Information Is Enough? 99

Counterfactual Thinking: The Effects of Considering "What Might Have Been" 104

What's Mine is Good: The Mere Ownership Effect 106

Affect and Cognition: How Thought Shapes Feelings and Feelings Shape Thought 110

The Nature of Emotion: Contrasting Views and Some Recent Advances 111

How Affect Influences Cognition 115

How Cognition Influences Affect 118

SOCIAL DIVERSITY: A CRITICAL ANALYSIS

How Culture Shapes Thought: Effects of Cultural Schemas 121

Summary and Review 123

Key Terms 124

For More Information 125

Special Sections

WORK IN PROGRESS: *The Upside of Motivated Skepticism: Thinking More Deeply about
Preference-Inconsistent Than Preference-Consistent Information*

FOCUS ON RESEARCH: THE CUTTING EDGE

*The Potential Costs of Thinking Too Much: Justification for Our Tendency to Act Like
Cognitive Misers* 101

INDIVIDUAL DIVERSITY

Need for Cognition and the Nature of Social Thought 108

WORK IN PROGRESS: *The Retrospective Impact of Expectations: Remembering What We Expected to Experience. . . but Didn't* 119

Chapter Four ■ Attitudes: Evaluating the Social World

126

- Forming Attitudes: Learning, Experience, and . . . Genes?** 131
- Social Learning: Acquiring Attitudes from Others 131
 - Direct Experience: Acquiring Attitudes from Life 136
 - Genetic Factors: Some Surprising Recent Findings 136
- Attitudes and Behavior: The Essential Link** 137
- Attitude Specificity 138
 - Attitude Components 138
 - Attitude Strength, Vested Interest, and the Role of Self-Awareness 139
 - Attitude Accessibility: The Force That Binds 140
- Persuasion: The Process of Changing Attitudes** 142
- Persuasion: The Traditional Approach 142
 - Persuasion: The Cognitive Approach 144
 - The Reciprocity of Persuasion: When Attitude Change Is a Two-Way Street 152
- When Attitude Change Fails: Resistance to Persuasion** 153
- Reactance: Protecting Our Personal Freedom 154
 - Forewarning: Prior Knowledge of Persuasive Intent 155
 - Selective Avoidance 155
- Cognitive Dissonance: How We Sometimes Change Our Own Attitudes** 157
- Dissonance and Attitude Change: The Effects of Forced Compliance 159
 - Dissonance and the Less-Leads-to-More Effect 162
 - Dissonance: Does It Really Stem from Inconsistency? 165

SOCIAL DIVERSITY: A CRITICAL ANALYSIS

Sexual Attitudes: Some Cultural and Ethnic Differences 166

Summary and Review 169

Key Terms 170

For More Information 171

Special Sections

WORK IN PROGRESS: *Subliminal Conditioning of Attitudes: Conscious Thought or Unconscious Association?* 134

INDIVIDUAL DIVERSITY

Individual Differences and the Elaboration Likelihood Model: Self-Monitoring and Self-Awareness 148

WORK IN PROGRESS: *Attitude Functions and the Processing of Persuasive Appeals: When Communicator Attractiveness Does, and Does Not, Matter* 151

FOCUS ON RESEARCH: THE CUTTING EDGE

Age and Attitude Change: Are We Open to Experience throughout Life? 156

SOCIAL PSYCHOLOGY: ON THE APPLIED SIDE

Putting Dissonance to Use: Hypocrisy and the Alteration of Societally Important Attitudes 160

Chapter Five ■ Social Identity: Self and Gender

172

The Self: Multiple Components of One's Identity 174

Self-Concept: The Central Schema 175

Self-Esteem: Attitudes about Oneself 179

Self-Efficacy: Differential Expectations of Competence 185

Self-Monitoring Behavior: Emphasis on Internal versus External Factors 189

Self-Focusing: The Relative Importance of Self 192

Gender: Maleness or Femaleness As a Crucial Aspect of Identity 196

Biological Determinants of Sex 196

Gender Identity and Stereotypes Based on Gender 197

Behaving in Ways Consistent with Gender Roles 201

Differences between Males and Females: Sex, Gender, or Both? 105

SOCIAL DIVERSITY: A CRITICAL ANALYSIS

Divergent Female Gender Roles in Singapore and Mexico and Among Native Americans 210

Summary and Review 211

Key Terms 212

For More Information 213

Special Sections

FOCUS ON RESEARCH: CLASSIC CONTRIBUTIONS

The Role of Self-Efficacy in Snake Phobia 187

WORK IN PROGRESS: *Compartmentalizing Self-Information: Warding Off Depression in Times of Stress* 193

INDIVIDUAL DIVERSITY

Bem's Sex Role Inventory: Differences in Adherence to Typical Masculine or Feminine Roles 199

WORK IN PROGRESS: *Testosterone Level and Male Behavior* 206

WORK IN PROGRESS: *Justification, Control, and Self-Blame* 207

FOCUS ON RESEARCH: THE CUTTING EDGE

Explaining Sex Differences in Personality 209

Chapter Six ■ Prejudice and Discrimination, Understanding Their Nature, Countering Their Effects 214

Prejudice and Discrimination: What They Are and How They Differ 218

Prejudice: Choosing Whom to Hate 218

Discrimination: Prejudice in Action 220

The Origins of Prejudice: Contrasting Perspectives 225

Direct Intergroup Conflict: Competition As a Source of Prejudice 225

Social Categorization As a Basis for Prejudice: The Us-versus-Them Effect and the "Ultimate" Attribution Error 228

Early Experience: The Role of Social Learning 230

Cognitive Sources of Prejudice: Stereotype, Illusory Correlations, and Outgroup Homogeneity 231

Challenging Prejudice: Potentially Beneficial Steps 239

Breaking the Cycle of Prejudice: On Learning *Not* to Hate 239

Direct Intergroup Contact: The Potential Benefits of Acquaintance 241

Recategorization: Redrawing the Boundary between "Us" and "Them" 243

Cognitive Interventions: When Stereotypes Shatter—or at Least Become Less Compelling 246

Prejudice Based on Gender: Its Nature and Effects 249

Gender Stereotypes: The Cognitive Core of Prejudice toward Females 249

Discrimination against Females: Subtle but Often Deadly 252

Sexual Harassment: When Discrimination Takes a Sleazy Turn 254

SOCIAL DIVERSITY: A CRITICAL ANALYSIS

The Effects of Prejudice: Racial Identification among African-Americans 256

Summary and Review 258

Key Terms 259

Special Sections

INDIVIDUAL DIVERSITY

Discrimination with—and without—Compunction: Contrasting Reactions of Low- and High-Prejudiced Persons to Discrepancies between Their Internal Standards and Their Overt Behavior 223

FOCUS ON RESEARCH: CLASSIC CONTRIBUTIONS

Conflict and Prejudice in a Summer Camp: The Robber's Cave Experiment 227

WORK IN PROGRESS: *Prejudice in a Multicultural High School: Testing the Common Ingroup Group Identity Model in a Field Setting* 245

WORK IN PROGRESS: *Countering the Benefits of Outcome-Biased Inferences: Why Affirmative Action Programs Often Fail to Weaken Prevailing Stereotypes* 248

SOCIAL PSYCHOLOGY: ON THE APPLIED SIDE

Negative Effects of Gender Stereotypes: Why, Often, Men Get the Jobs 251

Chapter Seven ■ Interpersonal Attraction: Getting Acquainted, Becoming Friends 262

When Strangers Meet: Proximity and Emotions 266

Physical Factors Control Contact, and Contact Leads to Liking 266

Affect: Emotions and Attraction 271

Becoming Acquainted: The Need to Affiliate and Reactions to Observable Characteristics 276

Affiliation Need: Individual Differences and External Events 276

Responding to Observable Characteristics 280

Becoming Friends: Similarity and Reciprocity 292

Similarity: We Like Those Most Like Ourselves 292

Reciprocity: Mutual Liking 298

SOCIAL DIVERSITY: A CRITICAL ANALYSIS

Status and Attraction in Japan and the United States 299

WORK IN PROGRESS: Dating As a Unique Relationship	
331	
SOCIAL PSYCHOLOGY: ON THE APPLIED SIDE	
<i>Positive versus Negative Communications between Partners</i>	338
WORK IN PROGRESS: Sometimes Offspring “Break Up” with Their Parents	
343	

Chapter Nine ■ Social Influence: Changing Others' Behavior 348

Conformity: Group Influence in Action	352
Factors Affecting Conformity: Cohesiveness, Group Size, and Social Support	356
The Bases of Conformity: Why We Often Choose to “Go Along”	359
The Need for Individuation and the Need for Control: Why, Sometimes, We Choose <i>Not</i> to Go Along	361
Minority Influences: One More Reason Why the Majority Doesn't Always Rule	364
Compliance: To Ask—Sometimes—Is to Receive	365
Ingratiation: Liking As a Basis for Influence	365
Multiple Requests: Two Steps to Compliance	367
Sweetening the Deal: The “That’s Not All!” Technique	371
Complaining: Gripping One’s Way to Compliance	373
Obedience: Social Influence by Demand	378
Destructive Obedience: Some Basic Findings	378
Destructive Obedience: Why Does It Occur?	382
Destructive Obedience: Resisting Its Effects	383

SOCIAL DIVERSITY: A CRITICAL ANALYSIS	
<i>Gender Differences and Conformity: The Vanishing Myth of Female Submissiveness</i>	385
Summary and Review	387
Key Terms	388
For More Information	389

Special Sections	
FOCUS ON RESEARCH: CLASSIC CONTRIBUTIONS	
<i>Group Pressure: The Irresistible Social Force?</i>	354
