Preface	9
Chapter 1: Attribution Processes in Social Perception	
H. H. KELLEY	
The Two Major Facets of Attribution Research: An Overview of the Field	11
R. M. FARR	
On Going Beyond the Information Given: Attributional Artifacts in the Research Process	15
A. W. KRUGLANSKI	
The Consistency Principle in Dissonance and Attribution	22
D. BIERHOFF-ALFERMANN and H. W. BIERHOFF	
The Importance of Sex and Outcome in Causal Attribution	27
M. ROSS and A. LUMSDEN	
Attribution of Responsibility in Sports Setting: Its not How You Play the Game But Whether You Win or Lose	34
U. KALBERMATTEN and M. VON CRANACH	
Attribution of Action-Related Cognitions	38
M. OHASHI	
A Cross-Cultural Investigation of Trait Attribution—Comparison Between Japanese and American Students —	48
G. M. ANDREYEVA	
Common Activity as a Factor of Causal Attribution in a Small Group	56
S. PREISER and W. WANNENMACHER	
Causal and Goal-Directed Attributions and their Relevance to Pro-Social and Political Behavior	60

M. L. SNYDER	
A Sketch of Attribute Ambiguity	65
V. L. ALLEN and D. B. GREENBERGER	
The Effect of Destruction on Perceived Control	69
Chapter 2: Decision Processes in Groups	
H. BRANDSTÄTTER and V. KLEIN-MODDENBORG	
Short and Long Term Effects of Verbal Aggression on Observers and Participants in Group Discussions	73
M. KAUKE and H. BLUDSZUWEIT	
Decision Principles in Solving Dyadic Problem Situations	85
M. DOMS	
Moscovici's Innovation Effect: Towards an Integration with the Con- formity Effect	89
J. Misumi	
Action Research on Group Decision Making and Organizational Develop- ment	94
J. M. RABBIE and M. HORWITZ	
Conflict and Aggression Among Individuals and Groups	99
M. ZALESKA	
Affective and Motivational Components of Group Induced Opinion or Attitude Change	107
B. BREHMER	
Cognitive Conflict in Small Decision Making Groups	114
Chapter 3: Interpersonal Perception and Cognition	
H. HIEBSCH	
Interpersonal Perception and Cognition: Introduction Remarks	120
J. B. PRYOR and TH. M. OSTROM	
Perception of Persons in Groups	124
L. LÖSCHNER	
Information Processing in Person Perception	132
M. KORIKAKANGAS and K. ORAVAINEN	
The Role of Language in Interpersonal Cognition in Children	137

K. SCHERER and U. SCHERER Nonverbal Behavior and Impression Formation in Naturalistic Situations	144
D. PAPADOPOULOU Interpersonal Perception and Reduction of Cognitive Conflict	151
A. A. BODALYEV and L. N. IVANSKAYA On the Recreation of the Human Face Based on Memory	157
O. G. KUKOSYAN Professional Peculiarities of People's Cognizing one Another	159
L. A. PETROVSKAYA Feedback in Interpersonal Perception	164
G. VORWERG Perceptual Judgments in Intergroup Relations	168
W. BIEN Cognitive Social Network Structures	172
M. ROSCH Information Preserving or Information Deformation?—An Experimental Study of Non-Veridical Effects in "Functional Perception"	176
Chapter 4: Social Interaction, Groups, and Personality	
Z. ZABOROWSKI Theory of Internal and External Justice	181
I. DAIBO The Role of Anxiety Trait and Communication Medium in Dyadic Conversation	188
N. VIDMAR and D. T. MILLER Social Psychological Motives Underlying Punishment Reactions	195
G. PEETERS The Attribution of Similarities and Differences to the Members of Dyads	203
J. P. FORGAS Cognitive Representations of Interaction Episodes	208

J. T. KUNCE and H. W. KUNCE	
Robots, Simulation Theory, and Human Interpersonal Interaction . . .	215
H. KRETSCHMER	
An Empirical Test of a Complex Measure of Structure for Social Groups .	222
References	230
List of Contributors	249
