

CONTENTS

CHAPTER ONE

INTRODUCING SOCIAL PSYCHOLOGY 2

WHAT IS SOCIAL PSYCHOLOGY ABOUT? 4

Understanding the Behavior of Others: The Case of the Thirty-Eight Bystanders 4

Understanding Ourselves: The Case of Mary M. 5

THE METHODS OF SOCIAL PSYCHOLOGY 6

Causal and Systematic Observation 7

The Importance of Theory 8

Self-Report Methods 9

Case Studies 11

Archival Research: Using Data That Already Exist 11

Correlation 13

Experiments 14

Beyond the Laboratory 19

Quasi-Experiments 23

Problems and Solutions in Research 25

The Ethics of Research 27

CHAPTER SUMMARY 29

CHAPTER TWO

SOCIAL PERCEPTION AND ATTRIBUTION 34

SOCIAL PERCEPTION 37

Nonverbal Cues in Social Perception 37

Social Categorization 39

The Power of First Impressions 42

Implicit Personality Theories 43

ATTRIBUTION 45

Theories of the Attribution Process 46

Biases in the Process of Attribution 49

Attributions for Success and Failure 53

Strategies and Pitfalls of Social Judgment 56

CHAPTER SUMMARY 59

CHAPTER THREE
SELF-PERCEPTION AND SELF-ATTRIBUTION 62

WHAT IS SELF? 64

- Symbolic Interactionism 65
- Self-evaluation Through Social Comparison 66
- The Role of Distinctiveness in Our Self-concept 68
- The Self as an Information Processor 70

SELF-ATTRIBUTION 72

- Self-perception Theory 74
- Self-attribution and Emotion 76
- Attributions About Freedom and Control 80

SELF-AWARENESS AND SELF-PRESENTATION 82

- Self-focused Attention 82
- Self-presentation and Impression Management 86

CHAPTER SUMMARY 89

CHAPTER FOUR
THE SOCIAL PSYCHOLOGY OF GENDER 92

SOCIETY, SEX ROLES, AND STEREOTYPES 95

- Sex Roles 95
- Stereotypes 95

DIFFERENCES BETWEEN THE SEXES 97

- Biological Differences Between the Sexes 97
- Similarities and Differences in Abilities and Behavior 98
- The Interaction of Biology and Society 99

DEVELOPMENT AND MAINTENANCE OF SEX ROLES 101

- Social Learning Theory 101
- Cognitive Learning of Sex Roles 103
- Effects of the Media 106
- Status Differences Between the Sexes 108

CHANGES IN SEX-TYPED BEHAVIOR 111

- The Concept of Androgyny 111
- Attempts to Change Sex Roles and Stereotypes 114

CHAPTER SUMMARY 115

CHAPTER FIVE
PERSONAL RELATIONSHIPS 118

THE COURSE OF RELATIONSHIPS 120

ATTRACTION TO OTHERS 122

Proximity and Familiarity 122

Physical Attractiveness 123

Rewards 126

Similarity 126

BUILDING AND MAINTAINING RELATIONSHIPS 128

Establishing Close Relationships: Social Penetration Theory 128

The Nature of Close Relationships 130

Exchange and Equity Theories of Relationships 131

Love 133

Sexual Behavior in Relationships 137

DISORDER IN PERSONAL RELATIONSHIPS 140

Divorce 141

Loneliness 143

CHAPTER SUMMARY 146

CHAPTER SIX
ATTITUDES AND PERSUASION 150

THE STUDY OF ATTITUDES 153

How Are Attitudes Measured? 154

The Relation of Attitudes to Behavior 156

When Do Attitudes and Behavior Correspond? 158

How Are Attitudes Related to Behavior? 160

THEORIES OF ATTITUDE FORMATION, STRUCTURE, AND CHANGE 163

Learning Attitudes 163

Balance Theory: Cognitive Consistency of Attitudes 166

Dissonance Theory 168

PERSUASION DEPENDS ON WHO SAYS WHAT TO WHOM AND HOW 173

The Source of the Message 173

The Message 175

How the Message Is Delivered 178

The Audience 178

The Interplay of Source, Message, and Audience 179

CHAPTER SUMMARY 181

CHAPTER SEVEN
PREJUDICE AND DISCRIMINATION 184

| | |
|---|------------|
| THE NATURE OF PREJUDICE | 187 |
| Stereotypes | 187 |
| Discrimination | 188 |
| CAUSES AND EFFECTS OF PREJUDICE AND DISCRIMINATION | 190 |
| Situational Causes | 190 |
| Social Support for Prejudice | 194 |
| Cognitive Factors in Prejudice | 195 |
| Self-fulfilling Prophecies | 201 |
| COMBATTING PREJUDICE AND DISCRIMINATION | 205 |
| Desegregation | 206 |
| Contact Between Groups | 207 |
| Cooperative Classrooms | 208 |
| Changing Stereotypes | 208 |
| CHAPTER SUMMARY | 211 |

CHAPTER EIGHT
SOCIAL INFLUENCE: OBEDIENCE, COMPLIANCE, AND CONFORMITY 214

| | |
|--|------------|
| OBEDIENCE TO AUTHORITY | 217 |
| The Milgram Experiments | 217 |
| The Appeal of Authoritarian Groups | 220 |
| COMPLIANCE | 223 |
| The Reasons for Compliance | 223 |
| Techniques for Inducing Compliance | 224 |
| CONFORMITY | 229 |
| The Asch Experiments | 231 |
| Factors Affecting Conformity | 231 |
| Why Do People Conform? | 233 |
| Conformity in Natural Settings: Groupthink | 234 |
| Reactions Against Conformity Pressures | 235 |
| The Determined Minority | 237 |
| CHAPTER SUMMARY | 239 |

CHAPTER NINE
PEOPLE IN GROUPS 242

COLLECTIVE BEHAVIOR 245

Social Facilitation 246

Deindividuation: Getting Lost in the Crowd 248

Social Loafing and Social Impact: Many Hands Make Light the
Work 249

BASIC PROCESSES IN INTERACTING GROUPS 251

Attraction to the Group: Cohesiveness 251

Rules of the Group: Norms 253

Group Decision-Making 254

LEADERSHIP 256

Is There One Best Kind of Leadership? 256

Identifying Leadership Tasks 257

Fiedler's Theory of Leadership 257

GROUPS FOR SPECIAL PURPOSES 260

Self-Help Groups 260

School Classes as Groups 262

CHAPTER SUMMARY 267

CHAPTER TEN
PROSOCIAL BEHAVIOR 270

LEARNING HELPING BEHAVIOR 272

The Effect of Instructions 273

The Effect of Models 273

The Effects of Reinforcement 274

The Effects of Attributions 275

Personality Differences in Helping Behavior 277

EFFECTS OF THE SOCIAL SITUATION ON HELPING BEHAVIOR 277

Effects of Group Size 277

Latane and Darley's Model of Helping 279

The Costs of Helping 283

Norms for Helping 283

Characteristics of the People Involved 286

Asking for Help 286

INTERNAL MEDIATORS OF HELPING BEHAVIOR 287

The Effect of Mood 287

Arousal 288

Empathy 290

Can Empathy Be Increased? 292

| | |
|--|------------|
| COOPERATION | 292 |
| Studying Cooperation and Competition | 293 |
| Competition and Cooperation in Schools | 296 |
| Encouraging Cooperation | 298 |
| CHAPTER SUMMARY | 298 |

CHAPTER ELEVEN

AGGRESSION 302

| | |
|---------------------------------------|------------|
| SOURCES OF AGGRESSION | 305 |
| Instinctual and Biological Theories | 305 |
| Frustration and Aggression | 307 |
| LEARNING TO BE AGGRESSIVE | 308 |
| Models and Rewards for Aggression | 308 |
| Television Models for Aggression | 309 |
| FACTORS INVOLVED IN AGGRESSION | 313 |
| Provocations | 313 |
| Environmental Cues | 315 |
| Characteristics of the Person | 318 |
| Disinhibitors of Aggression | 322 |
| RAPE AND FAMILY VIOLENCE | 325 |
| Rape | 325 |
| Family Violence | 328 |
| THE CONTROL OF AGGRESSION | 330 |
| Social Control | 330 |
| Individual Control | 330 |
| CHAPTER SUMMARY | 331 |

CHAPTER TWELVE

CRIME AND THE JUSTICE SYSTEM 334

| | |
|--|------------|
| WHO COMMITS CRIMES? | 337 |
| The Variations of Crime | 337 |
| Is There a Criminal Personality? | 338 |
| Who Are the Criminals? | 338 |
| SOCIAL CAUSES OF CRIME | 339 |
| Formative Factors | 339 |
| Situational Factors | 341 |
| Society's Role in Crime | 342 |
| THE PROCESS OF JUSTICE: FROM ARREST TO PAROLE | 344 |
| Arrest | 344 |

| | |
|--|------------|
| The Initial Appearance and Bail | 346 |
| Prosecution and Plea Bargaining | 347 |
| The Trial: Juries | 347 |
| The Trial: Witnesses | 349 |
| Sentencing | 350 |
| Prison: In the Belly of the Beast | 351 |
| Parole | 355 |
| TOWARD THE REDUCTION OF CRIME | 355 |
| Crime Prevention Through Social Change | 355 |
| Crime Prevention Through Rehabilitation | 356 |
| Crime Reduction Through Environmental Change | 358 |
| CHAPTER SUMMARY | 359 |

CHAPTER THIRTEEN

SOCIAL PSYCHOLOGY AND MENTAL HEALTH 362

PSYCHOLOGICAL PROBLEMS: THE SOCIAL CONTEXT 365

Stress and Psychological Problems 365

Social Sources of Life Stress 366

STRESS AND COPING 368

Lazarus' Model of Appraisal and Coping 368

Effectiveness of Coping 370

Control and Self-efficacy in Coping with Stress 370

Lack of Control and Helplessness 373

Self-esteem and Coping 378

Social Support and Coping 380

SOCIAL FACTORS IN DIAGNOSIS, TREATMENT, AND PREVENTION 381

Clinical Psychodiagnosis 381

Social Psychological Procedures in Psychotherapy 382

Social Effects of Being a Psychiatric Patient 384

Social Prevention of Psychological Problems 387

CHAPTER SUMMARY 389

CHAPTER FOURTEEN

HEALTH AND ILLNESS 392

By Joan Pabst Dubanoski and the Authors

SOCIAL AND CULTURAL INFLUENCES ON HEALTH 395

Mass Psychogenic Illness 395

| | |
|--|------------|
| Cultural and Class Differences in Health-Related Practices | 397 |
| Health Beliefs | 399 |
| LIFE STRESS AND HEALTH | 400 |
| Direct and Indirect Effects of Stress on Health | 401 |
| Type A Behavior | 402 |
| The Hardy Personality | 404 |
| EFFECTS OF BEHAVIOR ON HEALTH: LIFE-STYLE | 404 |
| Smoking | 405 |
| Obesity | 406 |
| The Positive Effects of Exercise | 408 |
| Prevention of Health Problems by Changing Life-Style | 409 |
| ILLNESS AND BEHAVIOR | 411 |
| Am I Really Sick? | 411 |
| Do I Need to See a Doctor? | 412 |
| Doctor-Patient Relationships | 412 |
| Effects of Illness on Social Behavior | 415 |
| In the Hospital | 416 |
| CHAPTER SUMMARY | 419 |

CHAPTER FIFTEEN

SOCIAL PSYCHOLOGY IN THE WORKPLACE 422

| | |
|--|------------|
| THE SOCIAL ORGANIZATION OF THE WORKPLACE | 424 |
| Theories of Management | 425 |
| Social Organization Through Work Roles and Norms | 429 |
| WORK ATTITUDES AND BEHAVIOR | 432 |
| Attitudes About Work | 432 |
| Work Behavior and Motivation | 437 |
| GROUP PROCESSES AT WORK | 440 |
| Leadership | 440 |
| Decision-Making | 442 |
| CHAPTER SUMMARY | 445 |

CHAPTER SIXTEEN

THE PHYSICAL ENVIRONMENT AND SOCIAL BEHAVIOR 448

| | |
|-------------------------------|------------|
| HUMAN SPATIAL BEHAVIOR | 450 |
| Personal Space | 450 |
| Territorial Behavior | 453 |

SOURCES OF STRESS IN THE ENVIRONMENT 457

Crowding 457

Noise 461

Heat 464

Pollution 464

BUILDINGS, CITIES, AND SOCIAL BEHAVIOR 465

Buildings and Their Effect on Social Behavior 466

Life in the City 469

PRESERVING THE ENVIRONMENT 471

Social Traps 471

Information, Feedback, and Acting in Accord with One's

Attitudes 473

CHAPTER SUMMARY 474

SUBJECT INDEX 573

CLOSE-UPS

- 1.1 The logic of correlation 14
- 1.2 The logic of experiments 16
- 1.3 The Latané and Rodin experiment on helping a woman in distress 18
- 2.1 Self-fulfilling prophecies 42
- 2.2 The Snyder & Uranowitz study of Betty K. 46
- 2.3 McArthur's study demonstrating Kelley's model of attribution 48
- 2.4 The Ross, Amabile, & Steinmetz study demonstrating the fundamental attribution error 50
- 2.5 The first of the Ross, Lepper, & Hubbard studies on the perseverance of social judgments 59
- 3.1 Social comparison processes 69
- 3.2 Part of Markus' study of the effects of self-schemata 73
- 3.3 Self-perception theory 74
- 3.4 The Cantor, Zillman, & Bryant study on excitation transfer 78
- 3.5 A feedback loop diagramming the possible relation between emotion and cognition 80
- 3.6 The Locus of Control of Reinforcement concept 81
- 3.7 Berglas & Jones' experiment on self-handicapping 88
- 4.1 Social learning theory 102
- 4.2 The logic of cross-time correlation: Morgan's study of TV viewing and sexist beliefs 107
- 4.3 Masculinity and femininity as two separate dimensions 112

| | | |
|------|--|-----|
| 5.1 | Effects of attractiveness on social life: A summary of the two Reis et al. studies | 125 |
| 5.2 | Byrne's model of the conditioning of positive evaluation (liking) to a person who is a source of rewards | 127 |
| 5.3 | The White, Fishbein, & Rutstein experiment demonstrating the misattribution of arousal and its effect on romantic attraction | 137 |
| 5.4 | Abbey's study of sex differences in attributions for friendly behavior | 140 |
| 6.1 | Fishbein & Ajzen's theory of reasoned action | 161 |
| 6.2 | The Zanna, Kiesler, & Pilkonis experiment on conditioning attitudes expectations upon memory | 164 |
| 7.1 | Effects of ingroup/outgroup categorization, assimilation, and contrast | 196 |
| 7.2 | The Rothbart, Evans, & Fulero experiment on the effects of expectations on memory | 198 |
| 7.3 | The Skrypneck & Snyder study on the self-perpetuating nature of stereotypes | 202 |
| 7.4 | The Snyder & Swann experiment on confirmation of a prejudice | 205 |
| 8.1 | Tactics to induce compliance: P wants to get O to do some particular thing | 226 |
| 9.1 | Drive theory of social facilitation | 249 |
| 9.2 | Distraction-conflict theory of why social facilitation leads to increased drive | 249 |
| 10.1 | Latané and Darley's model of the four steps that lead to helping | 280 |
| 10.2 | The arousal: cost-reward model of helping | 289 |
| 10.3 | Toi & Batson's experiment showing how the interaction between empathy and our desire to reduce personal distress affects our response to someone in need | 291 |
| 11.1 | Hayes, Rincover, & Volosen's experiment demonstrating effects of modeling and reinforcement on children's aggression | 310 |
| 11.2 | Factors involved in aggression when a person is provoked | 314 |
| 11.3 | Borden's experiment on the effects of the type of person who witnesses aggression | 319 |
| 11.4 | The Lang et al. study on alcohol, expectations, and aggression (as measured by average shock intensity set for another person) | 324 |
| 12.1 | The many causes of crime | 339 |
| 12.2 | The progress of cases through the criminal justice system (a simplified version) | 345 |
| 12.3 | Factors affecting the accuracy of eyewitness testimony | 351 |
| 12.4 | Results of the Dallas Police Department's Youth Services Program | 357 |

| | | |
|------|--|-----|
| 13.1 | A vulnerability model of the development of psychological problems | 365 |
| 13.2 | A simplified model of Lazarus' theory of stress appraisal and coping | 369 |
| 13.3 | Effectiveness of coping | 370 |
| 13.4 | The effects of self-efficacy beliefs | 372 |
| 13.5 | A model of the attribution theory of helplessness and depression: The insidious attributional style | 377 |
| 13.6 | Psychotherapy as attributional retraining | 382 |
| 14.1 | The direct and indirect effects of stress on health | 402 |
| 14.2 | Research design for the three-community study | 410 |
| 16.1 | A combination of the unwanted interaction and loss of control models of the effects of crowding | 460 |
| 16.2 | Social traps | 472 |
