Preface xiii

I STRESS REACTIONS

- 1 On Stress and Coping Mechanisms, *Jean Taché and Hans Selye* 3
 - Stress—From Our Point of View 3
 - Application of the Stress Concept to Daily Life 14
 - Stress and Coping Mechanisms 19
 - References 23
- 2 Social Status and Responsibility for Stressful Life Events, *Barbara Snell Dohrenwend* 25
 - A Causal Model 27
 - Procedure 30
 - Results 31

Discussion	39
References	41

II STRESS AND EMOTIONAL DISORDERS

3	Bruxism: An Anxiety Response to Environmental Stress, <i>Leonard Kristal</i>	45
	Experimental Procedures	47
	The Measurement of Bruxism	50
	Conclusions	56
	References	57
4	Stress and Psychosomatic Illness, <i>Paolo Pancheri and</i> <i>C. Benaissa</i>	61
	A Psychosocial Approach to Psychosomatic Illness	66
	A Psychodynamic Approach to Psychosomatic Illness	68
	Behavioral Reactions and Disorders versus Physiological Reactions and Somatic Disorders	71
	Specificity and Nonspecificity of Psychophysiological Reactions	73
	The Role of Learning in the Mode of Reaction and Response Specificity	75
	An Interpretive Model of Psychosomatic Diseases	78
	Summary	81
	References	81
5	The Dynamics of Anxiety and Aggression in Psychiatric Disorders, <i>Aris Liakos</i>	83
	The Concept of Aggression	84
	Aggression and Psychiatric Disorders	85
	The Relationship of Aggression to Anxiety	87
	Discussion	90
	Summary	92
	References	93

III EXPERIMENTAL RESEARCH ON STRESS AND ANXIETY

6	Stress, Anxiety, and the Control of Attention: A Psychophysio- logical Approach, <i>Werner D. Froehlich</i>	99
----------	--	-----------

- Adaptive Modulation (Stress) 102
 Adaptive Evaluation and Urge (Anxiety and Fear) 109
 Modulation and Selection of Information (Attention) 110
 Some Selected Research Paradigms 115
 Summary 125
 References 126
- 7 Affiliative Reaction in Different Kinds of Threat Situations, Yona Teichman 131**
- A Model for Differentiating Threats 132
 Emotional Arousals and Affiliation 134
 Predisposition for Anxiety and Affiliation 140
 Summary 142
 References 142
- 8 The Effects of Trait Anxiety and Two Kinds of Stressors on State Anxiety and Performance, Peter Glanzmann and Lothar Laux 145**
- Method 149
 Results 153
 Discussion 158
 Summary 161
 References 162

IV EXAMINATION STRESS AND THE NATURE OF TEST ANXIETY

- 9 Examination Stress and Test Anxiety, Charles D. Spielberger, Hector P. Gonzalez, Cynthia J. Taylor, Benjamin Algaze, and William D. Anton 167**
- Emotional Reactions to Examination Stress 168
 The Nature of Test Anxiety 172
 The Measurement of Test Anxiety 174
 The Test Anxiety Inventory 180
 Summary and Conclusions 188
 References 189
- 10 The Test Anxiety Scale: Concept and Research, Irwin G. Sarason 193**
- The Concept of Anxiety 194

Test Anxiety: Concept and Measurement	198
Test Anxiety and Evaluational Stressors	202
Coping with Test Anxiety	207
Educational, Training, and Clinical Applications	211
Conclusion	214
References	215

V COPING WITH STRESS

- 11 **The Optimal Use of Anxiety in the Struggle for Adaptation,**
J. Bastiaans 219
- Feelings and Emotions in the Organismic Model of Personality
Functioning 219
- Avoiding Conceptual Confusion with Regard to
Anxiety 224
- The Representational World and the Concept of Ideational
Discrepancy in Relation to Anxiety 228
- Summary and Conclusions 230
- References 230
- 12 **Individual Differences in Coping with Stress and Anxiety,**
Heinz Walter Krohne 233
- Definition of the Construct *Repression-Sensitization* 235
- Conceptual and Methodological Problems in the Assessment
of *Repression-Sensitization* 241
- A Processing Model of Coping 243
- Consequences of Repressive and Sensitive Anxiety
Defense 251
- Some Final Comments 254
- References 255
- 13 **Transcendental Consciousness: Expanded Awareness as a
Means of Preventing and Eliminating the Effects of Stress,**
Demetri P. Kanellakos 261
- The Relationship of TM to the Major States of Human
Existence or Consciousness 266
- Physics, Consciousness, and the Prevention and Elimination
of Stress by the TM Program 270
- The Psychophysiology of the TM Program 275

Applications of TM to Individual and Social Improvement	301
Summary	307
References	308

14 Stress Inoculation: A Preventative Approach, *Donald Meichenbaum and Ray Novaco* 317

Cognitive Factors in Behavior Therapy	317
Cognitive Factors in Stress Reactions	319
Stress-Inoculation Training	320
Summary	328
References	328

Appendix A Abstracts of Brief Papers Presented at the Conference 331

Introductory Comments for the Advanced Study Institute on Coping with Stress, <i>Anthony Debons</i>	333
---	-----

STRESSFUL LIFE SITUATIONS

Influence of Intrapersonal Conflict on Interpersonal Communication, <i>John S. Nicolis</i>	337
--	-----

Psychoendocrine Reaction Patterns in Phases of Pre- and Postcompetition Situations, <i>Werner Bauer</i>	345
---	-----

Combat Exhaustion: An Interpersonal Approach, <i>Meir Teichman and Ben-Zion Frischoff</i>	349
---	-----

Stress Reactions to the Problems of Work and Career: A Preliminary Report, <i>John H. Howard, Peter A. Rechnittzer, and David A. Cunningham</i>	355
---	-----

EXPERIMENTAL RESEARCH ON STRESS AND ANXIETY

Experienced Aversiveness: Partial Control of Response Bias When Using Rating Procedures, <i>Manfred Velden</i>	361
--	-----

Causal Attributions and Response to Performance Outcome, <i>Margaret Watson, John D. Davis, and David A. Shapiro</i>	367
--	-----

Hyperventilation in Phobic Patients, <i>Huib van Dis</i>	371
--	-----

COPING WITH STRESS

Children's Coping with Stress in Testing Situations, *Jerome B. Dusek and Joan F. Dusek* 377

Application of Coping-Skills Training to the Treatment of Pain, *Dennis C. Turk* 383

Politically Induced Stress and the Modernization Process in the Third World, *William T. Levine* 393

Appendix B Program for the Advanced Study Institute on Coping with Stress 401
